

GLOSSARY OF TERMS

Plated weight

The maximum weight to which a vehicle or an axle may be loaded, determined either by the design of the components or by legislation. All commercial vehicles must carry a manufacturer's 'plate' showing the vehicle and axle gross 'plated weights'. It is an offence to drive a vehicle in a condition where any of these weights are exceeded.

Kerbweight

The weight of the complete vehicle in standard form, excluding payload and driver but including coolant, oil, 90% full fuel tank and spare wheel where appropriate. Kerbweights quoted in Vauxhall brochures are subject to manufacturing tolerances and to the fitment of optional equipment and accessories. Where load capacity is critical the actual kerbweight should be obtained by weighing the vehicle on a calibrated public weighbridge.

Gross Vehicle Weight (GVW)

The total permissible weight of a vehicle including payload and passengers, as shown on the manufacturer's plate.

Gross Combination Weight (GCW)

The maximum permissible weight of a vehicle, including payload and passengers, combined with the total weight of any trailer it is towing. The maximum GCW weight limit is quoted on the vehicle plate and must not be exceeded.

Payload

The total permissible weight that can be carried without exceeding the vehicle's plated weight. This can be obtained by deducting the kerbweight from the plated Gross Vehicle Weight (GVW).

Please note: the payload figure does not allow for the weight of the driver or any passengers.

Maximum towing weight

The maximum weight of any trailer and its load which may be towed within the limit of the vehicle's plated Gross Combination Weight (GCW). It is based on the ability of the vehicle – at full GCW – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. It is the operator's responsibility to ensure that the trailer noseweight does not cause the rear axle plated weight of the towing vehicle to be exceeded.

Always fit Vauxhall towing attachments and accessories available from your Vauxhall Commercial Vehicle retailer. They are designed specifically for Vauxhall models and carry a 12-month warranty.

New Astravan specifications

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (September 2006). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of Vauxhall Motors Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. Note: Kerbweights for standard vehicles include coolant, oil, 90% full fuel tank and spare wheel. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. **Payload** figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. **Gross plated weights** (including axle weights) quoted on the vehicle plate must never be exceeded. **Roof load** should not exceed 100kg including the weight of the roof rack/carrier.

There are more important things to life than worrying about how to finance and service your commercial vehicle, where to go in the event of an accident and how we go about meeting the transport challenges of the future. So when you choose Vauxhall, you can rely on us to safeguard both you and the environment around you, leaving you free to concentrate on the more important business of enjoying your commercial vehicle!

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment* package that offers the following:

- A one-year unlimited mileage manufacturer's warranty
- Second and third year no-fee customer option warranty up to 60,000 miles on Corsavan, Astravan and Combo and 100,000 miles on Vivaro base and Movano base vehicles from date of first registration
- Vauxhall Assistance for 12 months from first registration (conditions may apply to minibus models)
- Six years body panel anti-perforation warranty

* = Warranty is only available on vehicles sourced from Vauxhall Motors Ltd. Terms and conditions apply – please see your Vauxhall Commercial Vehicle retailer for details.

Vauxhall Assistance**

Vauxhall Assistance is operated by the AA and is provided automatically with every new Vauxhall Commercial Vehicle for 12 months from first registration and covers everything from accidents, mechanical breakdown and flat tyres to illness while driving. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

Benefits include:

- Full rescue service including roadside assistance
- Recovery – if a problem cannot be solved at the roadside, or if someone is taken ill while driving, the driver, vehicle and all passengers will be transported to the nearest Vauxhall retailer or to any single UK destination
- 'At home' service – help will be sent if there is a vehicle problem at the driver's home

- Accident assistance – if your vehicle is immobilised by an accident, both the vehicle and occupants will be recovered to your choice of destination (Vauxhall recommends a Vauxhall Approved Accident Repair Centre, where appropriate)
- Vehicle theft – Vauxhall Assistance will help to keep you mobile in the unlikely event of your vehicle being stolen

** = Conditions may apply to minibus models. Please consult your Vauxhall Commercial Vehicle retailer for details.

† = Mobile phone users will be charged at their standard tariff.

Protecting the environment

Our products are increasingly winning environmental awards, both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, including information on Design for Recycling, take-back of End-of-Life Vehicles (ELVs), and the recycling of ELVs, see www.vauxhall.co.uk/recycling.

Specialist Mobility advice

Motability accredited Vauxhall retailers can provide special mobility help and advice. For full details contact your local Motability accredited Vauxhall retailer or **Freefone** 0800 731 5267.

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company vehicle taxation and finance. For further information please call 0870 010 0651.

Business Lease

Business Lease from GMAC is a lease financing programme offering highly competitive terms on all Vauxhall Commercial Vehicles up to 12 months old. It offers all the versatility of a purchase-based finance plan but makes the most efficient use of current tax and cash-flow benefits to VAT-registered business users. Business Lease is also highly flexible, offering terms of between 12 and 48 months with a variable deposit (subject to a minimum of three months' rental) and a choice of payment profiles. Ask your retailer for full details, or for a written quotation on the Vauxhall Commercial Vehicle of your choice, please contact GMAC, Wesley House, 19 Chapel Street, Luton LU1 2SY. Security may be required, subject to status. Applicants must be aged 18 or over.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall Commercial Vehicle is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. There are around 200 light commercial vehicle and 150 heavy commercial vehicle retailers nationwide.

Sureguard protection

Particularly suitable for drivers covering higher mileages, Sureguard provides additional cover against mechanical and electrical failures above and beyond Vauxhall's Customer Care Commitment.

- Extends Vauxhall Assistance for the full duration of your Sureguard cover
- Can be purchased when you buy your new vehicle, building the cost into the overall finance agreement

Speak to your retailer or call 0870 752 7020 for more information.

Vauxhall Leasing

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and commercial vehicle leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact. For further information, please see your local Vauxhall Commercial Vehicle retailer or call us on 0870 737 2557.

Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

In the event of an accident...

Free to all Vauxhall drivers, Vauxhall Accident Support can help keep you mobile following an accident, with prompt recovery to a Vauxhall Approved Accident Repair Centre. For details, Freefone 0800 010 304.

Anti-perforation warranty

Your new Vauxhall also comes with a body panel anti-perforation warranty for a period of at least six years from the date of first registration.

Premier Service Centres

To maximise vehicle use and minimise downtime, a dedicated network of accredited Premier Service Centres acknowledges the changing face of the commercial vehicle fleet maintenance and repair business, with its increasing emphasis on faster turnaround and less vehicle days spent off-road. Each site offers extended opening hours and guaranteed same day repair (if parts are in stock). 60% of UK households are within a 30 minute drivetime of a Premier Service Centre with 90% within 60 minutes. Suitable alternative transport can be arranged to keep you mobile.††
