- Available on Regular and Extended Cab models only.
- Cargo and load capacity limited by weight and distribution.
- Maximum payload capacity includes weight of driver, passengers, optional equipment, and cargo. Cargo and load capacity limited by weight and distribution.
- Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow. See your GMC dealer for additional details.
- Gross Vehicle Weight Rating. When properly equipped; includes weight of vehicle, driver, passengers, cargo, and optional equipment.
- Available only on 2WD models with Heavy-Duty Suspension.
- Additional-charge premium color.
- Included and available only with Value Leader Package.
- Always use safety belts and proper child restraints, even with air bags. Even with the Passenger Sensing System, children are safer when properly secured in a rear seat. See the Owner's Manual for more safety information.
- Not available with five-speed manual transmission.
- Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details.
- Requires Power Convenience Package.
- Standard on Regular and Extended Cab models. Available on Crew Cab models. Not available with five-speed manual transmission on Crew Cab models with Heavy-Duty Suspension Package.
- Crew Cab models only. Not available with High-Stance Off-Road Suspension Package.
- RDS functions only where stations broadcast RDS information.
- XM is available only in the 48 contiguous United States. Service fees apply. Visit gm.xradio.com for more details.
