

**100 STRAIGHT PRODUCTS**

**100 Straight Choke Tube Anti-Seize**

This lubricant was specifically designed for choke tubes and makes installation and removal much easier. 1/2 oz jar.

# 772-625 .....\$8.39

**Ballistol Sportsman's Oil**

Ballistol Sportsman's Oil is an all-natural, non-toxic multi-purpose liquid lubricant. It neutralizes acids and acidic residue to protect wood, leather, plastic and rubber. It lubricates even when mixed with water, so it is perfect for marine environments. Thoroughly cleans blackpowder residue, but it will not affect a "seasoned" muzzleloader or blackpowder cartridge gun.

Description	Product #	Price
1-1/2 oz Aerosol	727-130	\$2.99
6 oz Aerosol	831-231	\$6.89
16 oz Liquid	164-428	\$9.89

**Barnes CR-10 Copper Solvent**

Barnes' specially formulated CR-10 Copper Solvent effectively removes copper fouling and powder residue. Barnes CR-10 is a non-corrosive, ammonia formula that won't harm your barrel. It leaves the rifling clean for better accuracy and longer barrel life.

Description	Product #	Price
2 oz Liquid	718-984	\$3.09
8 oz Liquid	179-403	\$8.29

**Blue Wonder Armadillo Metal and Wood Protectant**

Blue Wonder Armadillo is a polymer firearm coating designed to provide a dry, hardshell finish. It inhibits dust and powder residue buildup while it aids in reducing rust and corrosion. Perfect for field use or long-term storage. 1 oz jar.

# 234-028 .....\$9.49

**Blue Wonder Gun Cleaner**

A powerful concentrated cleaning gel that is great for deep cleaning the steel prior to applying Blue Wonder Gun Blue. A superb bore cleaner as well, it will take care of tough copper, lead and plastic barrel deposits. 4 oz tube.

# 444-070 .....\$8.99

**Blue Wonder Disotec XFR Lube**

Blue wonder XFR (Extreme Friction Reduction) is a non-toxic, biodegradable lubricant that provides excellent corrosion protection and friction reduction for all types of firearm applications. 1/2 oz tube.

# 121-661 .....\$3.79

**Briley Unilube**

A specialized lube to protect choke tube threads from corrosion and sticking. 1/2 oz.

# 301-138 .....\$3.95

**Break-Free CLP Weapon Wipes**

The perfect way to keep your firearms free of dust and grime. These wipes are pre-saturated with Break-Free CLP, a military approved cleaning, lubricating and protecting oil with corrosion and rust inhibitors. May be used with all firearms. Wipes measure 3" x 6". Package of 20.

# 482-644 .....\$3.99

**Break-Free Powder Blast Gun Cleaner**

Removes powder residue, oil, grease and plastic streaking with a blast of solvent, citrus oil and carbon dioxide (CO2). It is non-toxic and safe to use with all types of firearms. This works immediately and leaves metal parts greaseless, oil free and with a pleasant citrus odor. 16 oz aerosol.

# 626-617 .....\$8.99

**Break-Free CLP**

Break-Free CLP is a unique formulation of synthetic oils and proprietary ingredients which combine to accomplish three important tasks simultaneously: Clean, Lubricate and Protect (CLP). Penetrates metal surfaces to clean all residue and contamination. Long-lasting lubricating film dramatically reduces adhesion of sand, grit or other abrasives, and corrosion inhibitors prevent the formation of rust.

Description	Product #	Price
.68 oz Liquid	170-293	\$2.99
4 oz Liquid	840-573	\$5.59
4 oz Aerosol	915-372	\$5.59
12 oz Aerosol	188-140	\$9.99
16 oz Liquid in Spray Bottle (Pictured)	667-637	\$13.29

**Break-Free Bore Cleaner**

This all-purpose bore cleaner will dissolve powder fouling and loosen metal and plastic residue. Break-Free Bore Cleaner is a gentle formula that will not corrode or etch barrels. 4 oz liquid.

# 122-374 .....\$4.49

**Butch's Bore Shine**

Created by a competitive benchrest shooter, Butch's Bore Shine is a "next-generation" chemical solvent. When used properly and regularly, it removes all forms of bore fouling, including copper, with very little effort. Recommended by both the Lilja and Douglas rifle barrel companies. This is the closest thing to a one-step cleaning technique available.

Description	Product #	Price
4 oz Liquid	324-820	\$7.49
16 oz Liquid	440-524	\$19.99

**Butch's Gun Oil**

Butch's Gun Oil is a unique blend of several natural oils. It's specifically designed to withstand the intense heat and pressures produced by powder combustion, and it contains a rust inhibitor to provide corrosion protection for both carbon and stainless steel barrels. 4 oz liquid.

# 141-281 .....\$6.99

### Cylinder & Slide Reliability Lube

Reliability Lube is a combination of several different types of lubricants and solvents that work to lubricate your firearm while breaking down carbon deposits. The end results are that the solvents keep the oils doing their job and make cleaning much easier. Reliability Lube will provide superior lubrication in all types of firearms but is especially designed for tactical carry handguns. 2 oz liquid.

# 843-733.....\$8.39

### Gunslick Copper Klenz Copper Solvent

Copper Klenz uses the most advanced chemical technology to remove powder residue, copper and lead. Lab tests show Copper Klenz removes 10 times more copper than leading brands, while removing 99% of powder fouling. Its precision engineered formula makes cleaning for benchrest shooters a breeze. 4 oz liquid.

# 339-447.....\$5.29

### Du-Lite Kwikseal Firearm Lubricant

Du-Lite Kwikseal offers protection against moisture, rust and corrosion for up to 18 months with a single application. This formula displaces moisture and lubricates your firearm, increasing reliability and extending service life.

Description	Product #	Price
3-1/2 oz Pump	130-790	\$9.99
14 oz Pump	549-381	\$14.99

### Gunslick Ultra Klenz Gun Cleaner

Ultra Klenz uses advanced chemical technology to remove powder residue, plastic fouling, copper and lead while protecting your firearm from corrosion. This precision engineered formula makes cleaning easy by removing 99% of powder fouling and loosening lead and copper deposits.

Description	Product #	Price
2 oz Liquid	291-160	\$3.99
4 oz Liquid	440-874	\$5.29
4 oz Pump	841-075	\$5.29
5 oz Aerosol	510-658	\$5.99
12 oz Aerosol	216-964	\$6.99

### Flitz Rifle and Gun Wax

Flitz Rifle and Gun Wax is a carnauba and beeswax formula that provides exceptional results on blued, nickel and stainless steel as well as polished and hand-rubbed stocks. It removes and protects against rust, fingerprints, water stains and powder residue. Will not attract dust or wash off in rain. Water-based, contains no solvents. Easy to apply and buff off. Protects up to 6 months. 3.4 oz liquid.

# 118-623.....\$6.99

### Gunslick Gun Flush

Gun Flush utilizes a high-pressure cleaning solution to remove heavy grease, oil and dirt. Easily cleans all parts of the firearm without disassembly. This advanced formula also protects against rust with a light layer of corrosion inhibitors to protect guns from moisture and humidity. 16 oz aerosol.

# 920-202.....\$7.29

### Gamo Airgun Oil

Specifically designed for lubricating airguns. 2 oz liquid.

# 583-288.....\$3.29

### Gunslick Nu-Gun

Nu-Gun is specially designed to remove factory applied coatings and heavy grease from new firearms. Also seasons new guns to make future cleanings easy. This highly advanced formula leaves behind a light layer of corrosion inhibitors to protect guns from rust caused by moisture and humidity. 5 oz aerosol.

# 225-921.....\$4.69

### Gunslick Gun-Dri Rust Protectant

Gun-Dri penetrates into steel pores and provides multiple layers of defense against corrosion caused by moisture using the perfect blend of corrosion inhibitors and water repellents. Water will not adhere to steel treated with Gun-Dri for up to 48 hours after application. Perfect for use in rain, snow, condensation and severe humidity.

Description	Product #	Price
1 oz Aerosol	820-381	\$3.99
4 oz Aerosol	668-391	\$4.99

### Gunslick Gun Seal Rust Protectant

Gun Seal is a revolutionary formula that forms a long-lasting barrier to protect metal in damp, salty or humid environments. Uniquely formulated to penetrate deep into metal pores to drive out moisture and protect metal from the inside. Great for gun storage in all climates. 5 oz aerosol.

# 130-372.....\$4.49

### Gunslick Ultra Lube Gun Wipes

Ultra Lube Gun Wipes have a unique formula that bonds to metal surfaces, offering maximum lubrication. An additional corrosion inhibitor offers protection against any potential corrosion. Wipes measure 3" x 5". Package of 50.

# 643-419.....\$4.69

### Gunslick Ultra Lube Gun Oil

Gunslick Ultra Lube Gun Oil bonds to metal surfaces, creating a long lasting barrier against moisture and corrosion. This specially formulated oil will not gum up in cold weather.

Description	Product #	Price
2-1/4 oz Liquid	444-882	\$3.99
4 oz Pump	124-027	\$6.39
5 oz Aerosol	692-264	\$6.99

### Gunslick Foaming Bore Cleaner

Three simple steps to remove barrel fouling: spray, wait, remove. Cleaner turns blue as copper deposits dissolve, and the unique foaming action guarantees full barrel cleaning. 3 oz aerosol.

# 122-065.....\$6.39

### Gunslick Gun Foam Gun Oil

Gun Foam functions as both a lubricator and corrosion inhibitor. This patented foam delivery system leaves a protective film that provides superior lubrication and corrosion protection. The foam doesn't run or drip and expands to fill all grooves and pits. 5 oz aerosol.

# 148-072.....\$7.99

**Harris International Laboratories  
Evapo-Rust**

This high-quality blue and rust remover is non-toxic, non-flammable, non-corrosive, biodegradable and safe to use in the home. There are no offensive odors and the product is reusable. 1 gallon liquid.

# 184-160.....\$29.99

**HOPPE'S**

**Hoppe's #9 Solvent**

Perhaps the most universally used solvent for preventing rust and removing powder, lead and metal fouling. Quick, super-efficient, safe and easy to use. Flows freely and penetrates rapidly. A favorite with shooters throughout the world.

Description	Product #	Price
2 oz Aerosol.....	862-778.....	\$3.89
2 oz Liquid.....	554-942.....	\$2.39
4 oz Liquid.....	533-373.....	\$4.19
16 oz Liquid.....	462-963.....	\$8.49
32 oz Liquid.....	652-259.....	\$13.79
1 Gallon Liquid.....	514-512.....	\$48.99

**Hoppe's #9 Bench Rest Copper Solvent**

Formulated especially for Bench Rest shooters. Removes copper fouling overnight. Powerful, safe and fast. Contains no abrasives. Also great for removing powder, lead and plastic fouling from all rifles, shotguns and handguns.

Description	Product #	Price
5 oz Liquid.....	535-236.....	\$6.89
16 oz Liquid.....	424-765.....	\$19.29

**Hoppe's #9 Dri-Lube with Teflon**

This dry lubricant contains Teflon which reduces friction on metal bearing surfaces. Contains no sticky oils and does not attract dust or dirt. Evaporates in seconds leaving a dry lubricating film. 4 oz aerosol.

# 233-826.....\$4.59

**Hoppe's #9 Cleaner Degreaser**

A high performance cleaner-degreaser, formulated to remove oils, grease and deposits from all metal parts.

Description	Product #	Price
2 oz Liquid.....	195-124.....	\$2.49
11 oz Aerosol.....	474-911.....	\$5.19

**Hoppe's #9 Gun Grease**

Hoppe's Gun Grease is formulated to provide long term protection for your firearm. Perfect for storage, or when cleaning is delayed for long periods of time. This grease inhibits rust and corrosion by displacing moisture and also lubricates as it protects. 1-3/4 oz tube.

# 773-343.....\$2.29

**Hoppe's #9 Semi-Auto Solvent**

Specially developed for high-performance, semi-automatic firearms. Removes copper, lead and powder fouling and leaves no residue which could lead to sticking or jamming. Can be used to clean any firearm. 4 oz liquid.

# 863-018.....\$6.89

**Hoppe's #9 Lubricating Oil**

High viscosity oil refined to perfection for use in firearms, fishing reels and other precision mechanisms. Does not harden, gum or become rancid. Gives extra-long service.

Description	Product #	Price
14.9 ml Liquid in Precision Oiler.....	589-192.....	\$3.79
2-1/4 oz Liquid (Pictured).....	126-157.....	\$2.19
4 oz Aerosol.....	973-720.....	\$3.89
4 oz Pump.....	412-895.....	\$5.49
16 oz Liquid.....	234-852.....	\$8.49
32 oz Liquid.....	483-608.....	\$13.79
1 Gallon Liquid.....	214-943.....	\$48.99
Pack of 50 Gun Wipes 3" x 5".....	938-772.....	\$7.09

**Hoppe's #9 MDL Rust Inhibiting Lubricant**

Drives out moisture while it cleans, lubricates, protects and prevents corrosion on metal surfaces. Ideal for immediate after-use protection of guns, fishing gear and most outdoor equipment. Prevents damage from moisture, salt and friction.

Description	Product #	Price
4 oz Aerosol.....	757-163.....	\$4.59
32 oz Liquid.....	621-249.....	\$13.49

**Hoppe's Elite Bore Gel**

Great for deep cleaning and metal conditioning. Removes carbon, lead and most copper fouling. Safe for everyday use. 4 oz bottle.

# 264-513.....\$9.19

**Hoppe's #9 Bow Cam Lubricating Oil**

Specially formulated for lubricating bow cam axles, but also works great for firearm applications. A pinpoint lubricator allows for precision application. 14.9 ml liquid.

# 156-382.....\$3.59

**Hoppe's #9 Hand Wipes**

These antibacterial towelettes kill germs and bacteria on contact. Perfect for use at the range or in the field. 3" x 5". Container of 50.

# 374-989.....\$7.09

**Hoppe's #9 Bench Rest Lubricating Oil with Weatherguard**

Not only lubricates your firearm, but it includes a moisture displacing component that provides greater rust and corrosion protection than standard lubricating oils. 2-1/4 oz liquid.

# 153-922.....\$2.89

**Hoppe's #9 Bench Rest Gun Cloths**

These disposable cloths are treated with Bench Rest Lubricating Oil with Weatherguard to drive out moisture, lubricate and prevent rust. Perfect for protecting firearms while in the field. Package of 2 cloths in convenient foil packets.

# 256-864.....\$2.49

# Hoppe's Elite cleans your firearm faster, deeper and keeps it clean longer

Hoppe's Elite Gun Care Products were developed for professional shooters who rely on the enhanced performance a clean firearm delivers. Hoppe's Elite solvents and oils clean deeper and faster and protect better than ordinary gun cleaners. Plus, Hoppe's Elite products are safe to use often—they're low odor, non-toxic and biodegradable and can be used anywhere you need to clean, including unventilated rooms.

Side-by-side comparison shows how Hoppe's Elite Gun Cleaner cleans down to the pores.

Cleaned with ordinary gun cleaner. Carbon rings remain.

Then cleaned with Hoppe's Elite Gun Cleaner. Spotless!

## Hoppe's Elite Gun Cleaner

- Cleans deep into the pores of the metal, removing fouling and embedded carbon.
- Attacks carbon on contact.
- Cuts cleaning time by up to 80%.
- Conditions your bore against further fouling.

## Hoppe's Elite Foaming Gun Cleaner

- Now get the excellent bore action of Hoppe's Elite in a foaming cleaner.
- Spray on foamer cleans deep into the bore, removing carbon and fouling better than ordinary cleaners.
- Available in a 4 oz. bottle.

## Hoppe's Elite Gun Oil

- Super slick technology completely covers surfaces, preventing rust.
- Long lasting protection.
- Perfect match for Hoppe's Elite Gun Cleaner.

**Hoppe's Elite cuts cleaning time by up to 80%**

## Hoppe's Elite Black Powder Solvent

- Specifically designed to help Black Powder Shooters clean their muzzleloaders and rifles.
- Hoppe's Elite Black Powder Solvent gets deep into the pores of the bore.
- Available in a 8 oz. bottle.

## Hoppe's Elite Bore Gel

- Cleans deeply and conditions metal.
- Perfect cleaner for uniquely-shaped interiors.

Two great cleaning technologies come together in one kit!

## Only the BoreSnake cleans, brushes and swabs in a single pass

### Hoppe's BoreSnake

BoreSnake is the "World's Fastest Gun Bore Cleaner." This revolutionary single-piece BoreSnake takes the hassle and mess out of cleaning rifles, pistols and shotguns. One or two pulls of the BoreSnake is all it takes to get a shiny, clean bore.

- Use with Hoppe's Elite Gun Cleaner or Gun Oil.
- Main floss area provides 160 times more surface area than an ordinary patch.
- Brushes and swabs in a single pass.
- Many bore sizes available.

## Hoppe's Elite BoreSnake Cleaning Kit

- Combines Hoppe's Elite Cleaner and Gun Oil with the patented BoreSnake Bore Cleaning System.
- Quick, one-step cleaning.
- Soft-sided belt pack keeps kit organized.
- Perfect for the range or field.

**HOPPE'S**

**Hoppe's Elite Gun Oil**

Hoppe's Elite Gun Oil provides superior lubrication and corrosion protection with its highly refined anti-wear lubricants and other advanced components.

Description	Product #	Price
2 oz Liquid	160-224	\$5.59
4 oz Liquid	271-346	\$9.19

**Hoppe's Elite Gun Cleaner**

Hoppe's Elite Gun Cleaner cleans firearms to a level that is actually better than the firearms' original, pre-fired condition. Hoppe's Elite Gun Cleaner activates the surface of the gun metal, not just getting the surface cleaner, but also allowing oils and lubricants to penetrate at the molecular level for superior lubrication of moving parts.

Description	Product #	Price
2 oz Pump	273-604	\$5.89
4 oz Pump (Pictured)	783-628	\$7.79
8 oz Pump	130-696	\$12.79
32 oz Spray Bottle	392-317	\$27.49

**Hornady One Shot Gun Cleaner and Dry Lube**

One Shot reduces friction, cleans grit, grime and old oil from firearms and reloading equipment. It leaves behind a thin dry lube impervious to heat, cold or buildup. 5-1/2 oz aerosol.

# 270-323	\$5.49
-----------	--------

**Imperial Action Wax**

This paraffin-based lubricant is used to reduce friction in rifle, handgun and shotgun actions. Can be easily applied to hammers, sears, slides, action raceways and bolt lugs. 1 oz syringe.

# 746-498	\$5.49
-----------	--------

**Invisible Gun Scentless Solvent**

This powerful Solvent removes up to 99% of all powder fouling, but has no harsh chemical odor to frighten game.

Description	Product #	Price
4 oz Liquid	254-392	\$3.99
4 oz Pump	520-735	\$3.99

**Invisible Gun Scentless Oil**

This Oil cleans and lubricates to protect your gun from the elements, but it has no odor to frighten game. 4 oz pump.

# 912-873	\$3.99
-----------	--------

**Iosso Gun Oil**

Iosso Gun Oil cleans, lubricates and protects gun parts from jamming, fouling and corrosion. Regular use before and after cleaning promotes reliable operation of your firearm. Contains no petroleum products, silicone or ammonia.

Description	Product #	Price
4 oz Bottle	848-154	\$5.79
32 oz Bottle	315-481	\$16.99

**Iosso Gunbrite Paste Gun Cleaner**

Iosso Gunbrite Gun Cleaner removes powder fouling, surface rust and discoloration from your gun and leaves behind a protective coating that resists fingerprints and moisture. Safe for all types of finishes. 2 oz tube.

# 761-842	\$7.19
-----------	--------

**Iosso Paste Bore Cleaner**

Iosso's Bore Cleaner concentrated formula is long lasting and takes less time to clean. Removes copper and lead build up, plastic wad residue and surface rust. Non-corrosive and non-flammable with no offensive odor. 1-1/2 oz tube.

# 178-538	\$6.19
-----------	--------

**KANO LABORATORIES**

**Kano SiliKroil Penetrating Solvent**

Super penetrating solvent successfully blends dimethyl silicones and high solvency oils that penetrate deep into one millionth of an inch spaces to lubricate, dissolve grease and prevent rust.

Description	Product #	Price
10 oz Aerosol	410-868	\$12.99
16-1/2 oz Aerosol	156-135	\$19.49

**Kano Kroil Penetrating Oil and Bore Cleaner**

Kroil (The Oil that Creeps) is used by the most accuracy-obsessed benchrest shooters to keep their barrels clean. Kroil creeps below the fouling in your barrel, allowing you to knock it out easily with a patch or brush. Kroil also displaces moisture, dissolves and prevents rust and can even be used as a lubricant.

Description	Product #	Price
8 oz Liquid	137-203	\$7.99
13 oz Aerosol (AeroKroil)	120-784	\$12.99
1 Gallon Liquid	267-736	\$44.99

**Kano Dryphite Graphite Lubricant**

Provides a smooth surface of high-grade graphite. Adheres to metal for long lasting lubrication under extreme pressure, temperature and weather. Perfect for use where dusty or dirty environments make oil lubricants ineffective. 10 oz aerosol.

# 960-498	\$14.99
-----------	---------

**Kano Microil Precision Instrument Lubricant**

Super refined precision instrument oil that is perfect for lubricating delicate bearings, gauges, meters, guns, etc. Oil will not gum or congeal even after extended use. Resists evaporation, requires less frequent application. Effective to -50 degrees F.

Description	Product #	Price
8 oz Liquid	858-975	\$10.99
32 oz Liquid	125-805	\$19.99

**Lauer (LCW) Gun Oil**

PenLube is a penetrating oil that flows into all cracks and crevices to dissolve oil and displace water. TruLube is an anti-frictional oil that leaves a long lasting protective film.

Description	Product #	Price
PenLube Penetrating Oil 4 oz	822-339	\$4.19
TruLube Lubricating Oil 4 oz	876-327	\$4.19

**Loctite Silver Anti-Seize Stick**

A petroleum lubricant with graphite additive, designed to reduce metal on metal friction and prevent seizing. Effective to almost 1600 degrees F. 20 gm.

# 240-390	\$5.49
-----------	--------

### Loctite C5-A Copper Anti-Seize Compound

A unique combination of copper and graphite in a petroleum base gives this anti-seize lubricant outstanding performance at temperatures up to almost 1000 degrees F. Lubricant also seals metals and protects from heat and corrosion. 1 oz.

# 723-099.....\$5.29

### Montana X-Treme Bore Solvent

Formula contains ammonia to remove all forms of fouling in your high velocity firearm, including powder residue and copper. Safe for all firearms.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
4 oz Liquid.....	838-837.....	\$8.49
16 oz Liquid.....	193-330.....	\$19.99

### Montana X-Treme Bore Cleaning and Polishing Compound Paste

This semi-abrasive compound is perfect for removing fouling, rust and copper. Compound contains oil so no other additives are needed during the honing process. 10 ml syringe.

# 839-884.....\$5.19

### M-Pro 7 M-Pro 7 Gun Cleaner

M-Pro 7's special blend of cleaning agents and corrosion inhibitors in a non-toxic solvent base safely penetrate into metal pores. Safe for use on all firearms.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
4 oz Pump.....	137-989.....	\$6.99
8 oz Pump.....	619-561.....	\$12.99
32 oz Spray Bottle.....	173-064.....	\$24.99
1 Gallon Liquid.....	822-547.....	\$59.99

### M-Pro 7 Bore Cleaning Gel

The same great cleaning properties of Liquid M-Pro 7 in convenient gel form. Perfect for cleaning bores and other gun parts where a liquid would simply run out.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
4 oz Gel.....	855-104.....	\$8.99
8 oz Gel.....	461-709.....	\$14.99
1 Gallon Gel.....	418-608.....	\$74.99

### M-Pro 7 Military Grade Field CLP

M-Pro 7 CLP (Cleaner, Lubricant and Protector) provides great field cleaning and superior lubrication and corrosion protection. It is non-toxic, non-flammable and rated to work from -76 degrees F to 800 degrees F.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
1 oz Liquid.....	964-450.....	\$4.99
4 oz Liquid.....	568-075.....	\$9.99
32 oz Liquid.....	687-030.....	\$24.99

### M-Pro 7 Non-Toxic Gun Oil

Keeps dirt and contaminants away from moving parts which creates less friction and less wear. Non-toxic, non-flammable, low odor and biodegradable.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
1 oz Liquid.....	733-258.....	\$2.99
2 oz Liquid.....	167-867.....	\$4.99
4 oz Liquid.....	712-531.....	\$8.99

### Montana X-Treme Bore Conditioner Accuracy Oil

This low residue oil has been processed to eliminate the factors that cause oil to gum and congeal. Oil contains no silicones or synthetics that are known to leave residue that will affect accuracy. 4 oz liquid.

# 285-945.....\$8.49

### Montana X-Treme Copper Cream Copper Remover

Copper Cream is a no-drip liquid bore cleaner that quickly removes all forms of fouling including copper, lead, plastic wad residue, powder fouling and moly. Non-embedding and non-abrasive to barrel metals. Perfect for breaking in a new barrel. 4 oz cream.

# 633-988.....\$8.49

### Montana X-Treme Cowboy Blend Bore Cleaner

Shooting Cowboy Action loads can leave a lot of lead in a barrel. Cowboy Blend is an excellent cleaner for firearms with heavy deposits of lead and powder fouling. 16 oz liquid.

# 914-441.....\$18.49

### Montana X-Treme 50 BMG Solvent

50 BMG Solvent is a powerful copper remover that is completely safe for barrels. Contains no acids, chlorides or other damaging chemicals, yet easily strips away copper deposits and fouling to leave a clean, shiny bore.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
4 oz Liquid.....	497-834.....	\$9.99
16 oz Liquid.....	911-726.....	\$24.99

### Montana X-Treme Gun Grease

This highly effective lubricant will not break down under extreme temperatures between -50 degrees F and 600 degrees F and can be used to waterproof metal. 10 ml syringe.

# 747-647.....\$5.19

### Montana X-Treme Gun Oil

Lubricant and rust preventative oil that is formulated for extremes in temperatures, prevents copper and lead fouling and is excellent for barrel break-in. 4 oz liquid.

# 148-218.....\$6.69

### Militec-1 Synthetic Metal Conditioner

Militec-1 is a synthetic metal conditioner used by our troops in harsh environments. Provides dry and constant lubrication that prevents jamming and foreign material build-up. Militec-1 bonds with the metal to inhibit corrosion and to make cleaning easier.

<b>Description.....</b>	<b>Product #.....</b>	<b>Price</b>
1 oz Liquid.....	195-431.....	\$5.89
4 oz Liquid.....	457-299.....	\$14.89
8 oz Liquid.....	442-314.....	\$20.99
16 oz Liquid.....	126-244.....	\$32.99

### OTIS Otis Bore Cleaning Solvent

Solvent, lubricant and rust inhibitor contains PTFE, a microscopic Teflon, that coats the bore to eliminate lead and copper build-up. 1/2 oz liquid.

# 476-774.....\$3.29

### RIG #2 Oil Lubricant

This gun oil has a light consistency that will not gel or gum up, making it great for delicate moving parts such as trigger mechanisms and springs. RIG #2 penetrates gun parts, leaving a thin rust preventative film that also neutralizes corrosive fingerprint acids.

Description	Product #	Price
1 oz Liquid.....	672-446.....	\$2.29
2 oz Liquid.....	582-277.....	\$2.99
6 oz Aerosol.....	751-759.....	\$4.49

### Remington Rem Action Cleaner

Remington Action Cleaner easily cleans dirt, powder residue and caked-on lubricants from disassembled actions and fire-control mechanisms. Dries quickly and leaves no residue. CFC-free formula. 10-1/2 oz aerosol.

# 841-261.....\$5.69

### RIG #44 Bore Cleaner

Removes lead and copper fouling, powder residue and carbon deposits without scrubbing or scraping. A protective film is left on all cleaned surfaces that lubricates and protects the bore from rust. 2 oz liquid.

# 140-749.....\$2.69

### Remington Rem DriLube

Remington Rem DriLube is a Teflon-based lubricant that provides a tough, non-congealing film without the residue of dry graphite lubes. Keeps firearms functioning dependably to -40 Degrees F. 4 oz aerosol.

# 103-872.....\$5.19

### RIG Universal Grease

This Grease is perfect for long term storage of firearms. It penetrates the metal surfaces and creates an impenetrable barrier against rust and corrosion.

Description	Product #	Price
1 oz Jar.....	496-433.....	\$2.69
1 oz Tube.....	843-374.....	\$2.79
3-3/4 oz Jar.....	567-717.....	\$4.49
15 oz Can.....	191-832.....	\$8.99

### Remington Brite Bore

Works effectively to clean powder residue from actions, removes copper and lead fouling from rifle barrels, cleans plastic wad residue from shotgun barrels and soaks off lead and powder deposits from choke tubes. 6 oz aerosol with jet-spray extension tube.

# 466-377.....\$5.19

### RIG +P Stainless Steel Lube

This lubricant was developed especially for high wear stainless steel parts such as handgun slides. +P is heat stabilized, so it won't break down under heat or pressure. Great for all stainless steel gun parts.

Description	Product #	Price
1 oz Jar.....	254-771.....	\$2.69
2 oz Jar.....	585-288.....	\$4.29

### Remington Bore Cleaner

Removes carbon, lead, copper and plastic wad fouling. Non-acidic, non-corrosive, completely natural elements won't damage bores or bore brushes. 4 oz liquid.

# 599-547.....\$8.79

### Sharp Shoot R Flush-Out Cleaner-Degreaser

Just spray on and grease, powder and residue are immediately washed away.

Description	Product #	Price
Original 18 oz Aerosol.....	540-873.....	\$9.29
Natural Citrus 15 oz Aerosol.....	520-796.....	\$7.79

### Remington Rem Oil

Remington Rem Oil cleans dirt and grime from exposed metal surfaces while displacing moisture from metal pores. Also protects internal and external metal parts from rust and corrosion. Exclusive Teflon formula provides a thin, long-lasting film that keeps actions working smoothly by reducing metal-to-metal wear.

Description	Product #	Price
1 oz Liquid.....	161-667.....	\$1.89
4 oz Aerosol.....	549-622.....	\$4.19
10 oz Aerosol.....	496-041.....	\$6.19

### Sharp Shoot R Slicker Lubricant/Preventative

Designed to lubricate and protect your firearm from friction and damaging rust. 14 oz aerosol.

# 717-268.....\$11.79

### Sharp Shoot R Wipe-Out Brushless Foaming Bore Cleaner

This Bore Cleaner is fast, safe and effective. Fill your bore with foam, let it sit overnight, wipe it out and you're finished. The Accelerator works in conjunction with the cleaner and doubles the cleaning speed for faster dissolution of copper and lead fouling.

Description	Product #	Price
Cleaner 5 oz Aerosol.....	784-639.....	\$12.49
Accelerator 8 oz Liquid.....	461-265.....	\$7.79

### Tipton™ Tipton 14-Piece Rifle Bronze Bore Brush Set

17 to 45 caliber 8 x 32 Male Threads

# 761-025 \$15.79

For our complete line of quality cleaning supplies, see pages 333-370.

### Shooter's Choice Bore Cleaner

Shooter's Choice Bore Cleaner is the only one-step concentrated solvent needed for cleaning and conditioning handguns, rifles and shotguns. It's safe and easy to use. Conditions bore for accuracy on the first shot. Seasons bore to resist fouling build-up. Restores accuracy in old firearms, maintains accuracy in new firearms and prolongs barrels life. Non-abrasive and harmless to the bore surface.

Description	Product #	Price
2 oz Liquid	721-002	\$4.19
4 oz Liquid	790-146	\$6.29
16 oz Liquid	672-194	\$19.99
1 Gallon Liquid	678-824	\$110.99

### Shooter's Choice Shotgun and Choke Tube Cleaner

Designed specially to remove fouling from barrels, choke tubes and ports, this product cleans receiver and trigger assemblies, protects against rust, pitting and corrosion and minimizes malfunctions. 12 oz aerosol.

# 679-528.....\$7.39

### Shooter's Choice Quick-Scrub 3 Cleaner and Degreaser

Quick-Scrub 3's powerful aerosol fights grime and fouling for trouble-free actions and precise trigger pulls. Removes problem fouling including dirt, oil, grease and powder residue. 18 oz aerosol.

# 667-879.....\$6.69

### Shooter's Choice Polymer Safe Degreaser

Degreaser works quickly to wash away dirt, grease, oil and grime, yet is completely safe for use on polymers, wood, Teflon, camouflaged and painted finishes. It evaporates quickly and improves function, even in cold weather. 12 oz aerosol.

# 969-952.....\$5.99

### Shooter's Choice Copper Solvent

Increases accuracy by removing copper fouling in firearm bores. Its fast acting formula restores accuracy in old or neglected firearms. 8 oz liquid.

# 667-226.....\$6.69

### Shooter's Choice Xtreme Clean Ammonia Free Bore and Action Cleaner

Quickly removes copper, carbon, lead and powder. Its fast-acting, ammonia-free formula is non-abrasive and harmless to the bore surface. Seasons bores to resist fouling and prolongs barrel life. 12 oz aerosol.

# 932-616.....\$9.39

### Shooter's Choice Lead Remover

Quickly removes fouling without the need for harsh abrasives. 4 oz liquid.

# 398-676.....\$6.69

### Shooter's Choice All Weather High-Tech Grease

All Weather High-Tech Grease is great for nickel, stainless and chrome moly steel. Prevents metal damage in actions, shotgun hinges and hardware, frame rails and bolt-action locking lugs. Quick and easy to apply. It's completely odorless, will cling to metal and will not wash off with water. 10cc syringe.

# 320-634.....\$9.99

### Shooter's Choice FP-10 Lubricant Elite

FP-10 contains an additive that decreases the friction between moving parts with no build-up or changes in tolerance. Protects against metal damage from -50 degrees F to 500 degrees F.

Description	Product #	Price
2 oz Aerosol	840-066	\$4.69
4 oz Liquid	189-955	\$5.39
1 Gallon Liquid	156-495	\$95.99

### Shooter's Choice Rust Prevent Preservative and Lubricant

Rust Prevent is a superior anti-oxidant moisture displacing agent engineered to preserve all firearm metals. Its formula protects against rust, corrosion, salt air, pitting, fingerprint and body acids. It displaces water as it penetrates and lubricates all surfaces. 6 oz aerosol.

# 423-803.....\$4.69

### Super Lube Synthetic Lubricant

Super Lube is an excellent lubricant for gun parts and has been recommended by experts for lubricating the M1A and M1 Garand Rifles. Lube is perfect for slide to frame contact points in match semi-automatic handguns. Contains no petroleum products.

Description	Product #	Price
Precision Oiler 1/4 oz Liquid	560-503	\$3.49
1/2 oz Tube Grease (Pictured)	719-267	\$3.49
3 oz Tube Grease	934-844	\$7.99
6cc Syringe Grease	985-995	\$3.99

### Sweet's 7.62mm Solvent

One of the best known, widest used and most powerful copper solvent available today. Contains 5% ammonia for maximum effectiveness. 200 ml liquid.

# 643-582.....\$8.49

**Tipton™ Tipton Rust Shield Chamois Wiping Cloth**  
Gun Cleaning Supplies

This Cloth cleans and prevents rust in one application. The foam rubber chamois is charged with a nitro-solvent and rust preventing oil that dissolves powder residue and fouling while penetrating the pores of the metal. Stored in glass jar to prevent evaporation, and it can be recharged many times with the 2 oz refill (sold separately). Cloth measures 5" x 7".

<b>Description</b> .....	<b>Product #</b> .....	<b>Price</b>
Chamois Wiping Cloth .....	789-945 .....	\$8.99
2 oz Refill .....	501-962 .....	\$6.49

**Tipton Uni-Solve Bore Cleaning Solvent**

Removes all types of fouling including carbon, powder, copper, lead and plastic wad residue. Contains rust preventative additives for long term storage. 3 oz liquid.

# 300-266 .....	\$4.19
-----------------	--------

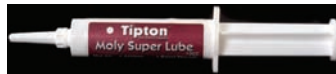

**Tipton Insta-Clean Degreaser**

Quickly degreases and cleans all metal surfaces. Easily cleans triggers, chambers, actions and other moving parts without disassembly. All metal parts must be re-lubricated after use. Avoid contact with wooden, plastic and aluminum parts. Non-flammable. 16 oz aerosol.

# 334-393 .....	\$7.59
-----------------	--------

**Tipton Moly Super Lube Gel**

Tipton Moly Super Lube combines a space-age lubricating gel with molybdenum disulfide. The moly embeds in the pores of the metal and provides long-lasting lubrication. Perfect for handgun slides, triggers, barrel threads and bolt raceways. 10cc syringe.

# 792-614 .....	\$8.29
-----------------	--------

**Tipton Rust Guard**

Rust protection and lubrication in one package. Contains Teflon to lubricate moving parts and a preservative to guard against rust and corrosion. 6 oz aerosol.

# 248-829 .....	\$5.29
-----------------	--------

**Tipton Gun Oil**

Resists moisture and provides a protective coating that will not dry out over prolonged periods. 2 oz liquid.

# 636-604 .....	\$1.99
-----------------	--------

**Tipton Flip Top Solvent Bottles**

These multi-purpose solvent bottles have hundreds of uses around the shop or home. Safe for use with all solvents. Flip top lid for easy dispensing. 4 oz capacity. Set of 3.

# 152-757 .....	\$6.29
-----------------	--------

**Tipton Cosmoline**

The original GI rust preventative, Cosmoline is a soft grease, made to military specifications, that has proven to be the ultimate rust and corrosion inhibitor for long-term storage of tools and firearms. Cosmoline can be applied directly onto metal parts at room temperature or softened in a hot water bath for coating small intricate parts by dipping. 12 oz.

# 267-557 .....	\$11.99
-----------------	---------

**Tipton Truly Remarkable Bore Solvent**

The most aggressive bore solvent on the market today. Quickly and easily removes copper, lead and powder fouling. This solvent is gentle on your bore and has rust preventatives included to protect your bore from corrosion. 5 oz liquid.

# 178-747 .....	\$4.99
-----------------	--------

**USP Bore Paste and Gun Oil Kit**

This kit includes 2 oz Bore Paste and 1 oz Gun Cleaning Oil. Bore Paste scrubs the barrel clean just like toothpaste, but will not damage your rifle's bore. USP Gun Cleaning Oil penetrates the metal surface and aids in the safe removal of all types of fouling.

# 257-358 .....	\$12.99
-----------------	---------

**Wheeler™ Wheeler Engineering Shop Pipettes**  
Fine Counting Supplies

All-plastic, disposable "eye droppers" are suitable for applying bluing solutions, cutting oils, solvents and other liquids.

**BLACKPOWDER SOLVENTS, OILS AND LUBRICANTS**

**Butch's Blackpowder Bore Shine**

Butch's Blackpowder Bore Shine is a special formula that was developed at the request of blackpowder shooters. It works just as well as regular Bore Shine, but it's designed specifically for blackpowder applications. It removes powder and lead fouling quickly and easily, making quick work of bore cleaning. 8 oz liquid.

# 268-025.....\$7.49

**Harris International Laboratories Pyrox-D Blackpowder Cleaner**

Formulated specifically for blackpowder and Pyrodex. Works fast to remove deep, built-up powder residue. Non-toxic, biodegradable and non-flammable. Contains no acids, alkalis or petroleum solvents. 4 oz liquid.

# 151-183.....\$4.49

**HOPPE'S #9 Plus Blackpowder Solvent and Patch Lubricant**

Made especially for blackpowder shooters. It lubricates as it cleans fouling from the bore and protects against rust and corrosion. Equally effective for deep or shallow grooved barrels.

Description .....	Product # .....	Price

10 oz Aerosol.....	516-299.....	\$5.99
Saturated 2" Patches Jar of 100.....	454-203.....	\$6.99

**Laurel Mountain Blackpowder Bore Solvent**

Quickly dissolves and neutralizes blackpowder fouling and leaves a protective film that stops corrosion and serves as an effective lubricant. 8 oz liquid.

# 316-160.....\$8.79

**Sharp Shoot R Wipe-Out Blackpowder Brushless Foaming Bore Cleaner**

This Bore Cleaner is fast, safe and effective. Fill your bore with foam, let it sit for 60 minutes, wipe it out and you're finished. 14 oz aerosol.

# 749-689.....\$16.99

**Shooter's Choice Blackpowder Bore Cleaning Gel**

Removes Pyrodex, blackpowder and lead fouling without soap and water. Increases accuracy by removing plastic sabot fouling and carbon deposits. Helps prevent rusting, pitting and corrosion. 4 oz liquid.

# 185-845.....\$6.69

**Thompson Center The Original #13 Bore Cleaner**

An all-natural, non-toxic bore cleaner that contains no petroleum based additives and is compatible with Natural Lube 1000 Plus. #13 will quickly and efficiently remove any trace of residue or fouling without eliminating the "seasoning" which has coated the surface of the bore. 8 oz liquid.

# 394-205.....\$4.99

**Thompson Center "Gorilla Grease" Anti-Seize Compound**

Gorilla Grease is an all-natural anti-seize lubricant formulated for use on the threads of removable breech plugs and nipples. This heavy-duty lube will withstand the rigors of extensive firing, allowing the shooter to then remove the breech plug and nipple with little effort. 1/4 oz.

# 372-379.....\$4.79

**Thompson Center All Purpose Anti-Seize Super Lube**

This synthetic lube contains Teflon and seals the threads of breech plugs and shotgun choke tubes to prevent seizing and corrosion. 1/2 oz tube.

# 740-874.....\$7.29

**Arredondo Magazine Cleaning Brush**

Nylon brush features stiff bristles and an integral magazine disassembly tool in the handle. Perfect for cleaning dirty magazines. Black bristles with a blue handle. Brush is 8" long, and the overall length is 12".

# 884-780.....\$9.99

**Butch's Triple Twill Cleaning Patches**

These square cleaning patches feature a special weave and chemical treatment to prevent shedding and increase absorbency. They hold more solvent and absorb more fouling than standard flannel patches.

## Tipton™ Tipton 12-Piece Solid Brass Cleaning Jag Set

Gun Cleaning Supplies

These 12 Solid Brass Cleaning Jags are the fastest way to thoroughly clean, dry or oil your barrel. Each jag is designed to provide a tight fit between the patch and the bore. A pointed tip keeps the patch centered and allows it to drop off when the jag exits the muzzle. Made with 8 x 32 threads (17 Caliber has 5 x 40 threads), they will fit most brands of cleaning rods. This set includes 17, 22, 243/6mm, 25/6.5mm, 270/7mm, 30, 8mm/338, 35/9mm, 375, 40, 44 and 45 caliber solid brass jags in a compact hard plastic storage case.

# 582-621	\$15.99
-----------	---------

### Tipton Ultra Jag 12-Piece Set

Bore solvents can react to your cleaning jag as they remove copper fouling, but the Ultra Jag's patented protective process shields it from bore solvents for a long life and improved cleaning. This 12-piece set includes 17, 22, 243/6mm, 25, 270/7mm, 30/32, 8mm/338, 35/9mm, 375, 40/416, 44 and 45 Caliber Jags. Jags feature 8 x 32 threads, except the 17 caliber (5 x 40 threads).

# 812-503	\$22.99
-----------	---------

### Tipton Universal Shotgun Patch Puller

Made of brass for 410 bore to 10 gauge. 5/16 x 27 male thread.

# 339-005	\$2.69
-----------	--------

### Tipton Solid Brass Slotted Tip Set of 4

This Set includes 22, 30, 38 (9mm) and 44/45 caliber slotted tips. Tips have 8 x 32 male threads.

# 554-428	\$7.99
-----------	--------

### Tipton Bore Brush Sets

Caliber and gauge specific so you can be assured of an optimum fit to your firearm's bore for efficient and thorough cleaning. Contained in a durable, hinged plastic box with marked slots, it is easy to select the correct brush for your particular application. Shanks are looped and wound, not cut. Rifle Brush Set contains 14 brushes (17-45 caliber), Handgun Brush Set contains 8 brushes (22-47/48 caliber) and

Shotgun Brush Set contains 6 brushes (410-10 gauge).

Product #110-829

## Tipton™ Best Gun Vise™

The Tipton Best Gun Vise is the most versatile gun vise available on the market today. This vise was designed to secure all types of firearms for cleaning and maintenance including: bolt-action rifles, break-open shotguns, AR-15's and handguns. Every component adjusts to different positions. See if you can find a firearm it won't fit.

Front support adjustable for height

Three independent supports move the length of the vise on extruded aluminum track

Separate cam blocks move independently to accommodate any stock shape

**\$104.99**

Flat and round bottom compartments hold bottles, screws and parts

L-shape center support moves where you need it

Innovative patch storage

Can be bolted to your work bench

Quick-release cam levers

Works great for bolt action rifles

Also supports break open rifles and shotguns

Accommodates pistols and revolvers

## Tipton™ Deluxe Carbon Fiber Cleaning Rods™

- Carbon Fiber is the ultimate cleaning rod material
- Carbon Fiber rods won't scratch your bore and they won't embed with grit – like stainless steel does
- Carbon Fiber Rods can also bend to an extreme and return to their original straightness
- Dual ball-bearing handle design delivers silky smooth handle rotation
- Available in individual rod sizes: 17 caliber, 22-26 caliber, 27-45 caliber, 40+ caliber and Shotgun rod
- Standard sizes are threaded 8-32, 17 caliber size is threaded 5-40, shotgun rod is threaded 5/16"-27
- Durable "shank-through" construction

Please see 358 for our complete cleaning rod offering.

### Tipton™ Truly Remarkable Bore Solvent™

**\$4.99**

Everyone knows that any amount of fouling in your bore impedes accuracy.

In order to determine which bore solvent available on the market, was truly the most effective at removing fouling from your bore, we conducted a clinical study. We placed a bullet on top of a cotton patch and soaked it for 12 hours in samples of the top bore solvents on the market today.

Bore solvents attack metal fouling-which copper is a major element of. Hence, the patch in the dish that has the most blue, has been the most effective at attacking the copper (fouling). As seen, the dish on the far right has the bluest patch of all the samples.

**The Winner...**  
**Tipton Truly Remarkable Bore Solvent!**

### The Blue Patch Test

**The Winner!**

### What Is Behind Ultra Technology?

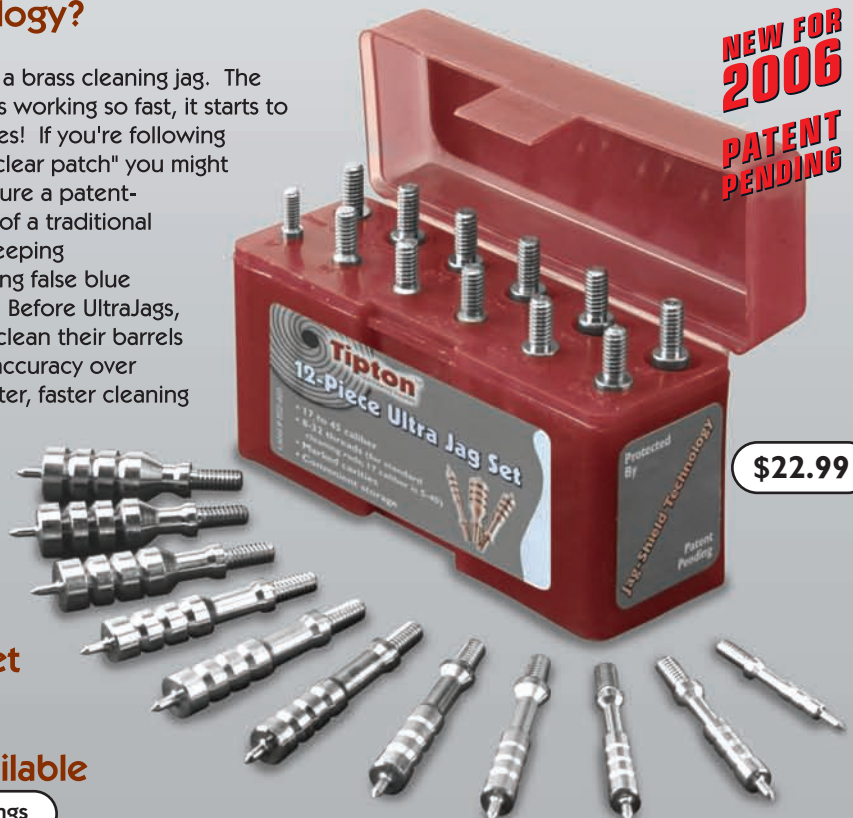

Take a modern bore solvent and squirt it on a brass cleaning jag. The liquid will turn blue as it drips off the jag - it's working so fast, it starts to dissolve your cleaning jag in front of your eyes! If you're following conventional wisdom "clean until you get a clear patch" you might be in for a long night. Tipton's UltraJags feature a patent-pending technology that covers the surface of a traditional push-type jag with solvent-proof material, keeping aggressive modern bore solvents from creating false blue stains that normally indicate copper fouling. Before UltraJags, these false blue stains caused users to over-clean their barrels - and that's been demonstrated to destroy accuracy over time. When you use UltraJags, you'll get better, faster cleaning results because you'll know you're getting blue stains from copper fouling from your barrel and not from the surface of your jag. In addition, you will increase the life of your jag by protecting the jags brass core from the aggressive modern solvents with the nickel-plated coating.

### Tipton™ 12-Piece Ultra Jag Set

Product # 812-503 / Page 347

**Individual Ultra Jags also available**

See Page 351 for the individual Ultra Jag offerings

See Application Charts below and on the next page for the following Tipton products.

### Tipton Solid Brass Slotted Tips

For flooding the barrel with solvent and wiping the bore with oil or preservatives, nothing beats a patch in a Slotted Tip. Solid brass is softer than barrel steel so there is no worry of damaging your bore, plus they will last much longer than the typical synthetic plastic tips. Made for both pulling and pushing a patch through a barrel.

### Tipton Solid Brass Cleaning Jags

Made of brass to protect the bore. Features a pointed tip that holds the patch during solvent application. 8 x 32 threads.

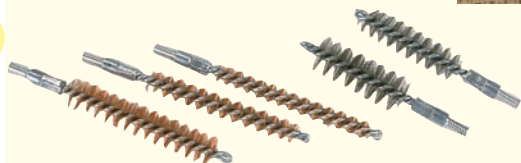

### Tipton Ultra Jags

Bore solvents can react to your cleaning jag as they remove copper fouling, but the nickel plated Ultra Jag's patented protective process shields it from bore solvents for a long life and improved cleaning.

### Tipton Bore Mops

These 100% cotton mops are ultra absorbent. They carry solvents, lubes, and preservatives into your bore. Scrubbing fibers help loosen fouling and deposits and sweep them away.

### Tipton Bronze Bore Brushes

These Bronze Bore Brushes remove fouling, carbon and lead deposits while protecting the bore from abrasion.

### Tipton Nylon Bore Brushes

Bore brushes feature stiff nylon bristles to gently scrub away dirt, grime and fouling with no chance of harming the bore of your gun. Nylon bristles will not collapse or fold over, and are impervious to ammonia-based cleaners that would quickly dissolve bronze brushes.

### Tipton Stainless Steel Handgun Brushes

Stainless Steel Bore Brushes will scrub even the toughest carbon, fouling and lead deposits from your bore. These brushes feature spiral wrapped bristles and a looped steel core.

### Tipton Best Bore Brushes

Tipton's Best Bore Brushes meet or exceed military specifications and are designed to satisfy shooters who want the best tools to maintain their guns. The components of Tipton Best Bore Brushes will not scratch your bore. The core is a single piece of brass wire that passes through the threaded brass coupler, and the bristles are made from high-quality bronze, which is much softer than barrel steel but tough enough to remove lead, copper and powder residue.

### Tipton Rifle Chamber Mops

The Tipton Rifle Chamber Mops are made to get the optimum cleaning results on your rifle. The Small size fits 22 Hornet, 223 Remington and similar chambers. The Large size fits 30-06 Springfield, 338 Winchester Magnum and similar chambers.

Description	Quantity	Threads	Product #	Price

Ruger 77/22, Winchester 52.....	235-309	\$16.89

### EJS Solvent Ports

EJS Solvent Ports significantly enhance the performance of your bore guide by easing the solvent application process. They also reduce the risk of harmful solvent spills on your firearm's stock. Fit EJS Bore Guides (sold separately).

Description .....	Product # .....	Price
17 to 26 Caliber.....	346-515	\$6.99
27 to 30 Caliber.....	670-764	\$6.99

### EJS O-Ring Replacement Kit

Kit includes ten replacement silicone O-rings for EJS Bore Guides and installation tool.

Description .....	Product # .....	Price
17 Caliber.....	219-423	\$5.99
22 Caliber.....	583-895	\$5.99
243 Caliber.....	549-446	\$5.99
308 Caliber.....	371-543	\$5.99

### EJS Blackpowder Bore Guides

Designed for use with in line muzzleloading rifles with removable breech plugs. Just remove the breech plug, insert the bore guide and your action will be protected from solvents or hot soapy water. A bore guide is a necessity for the successful prevention of rust in your muzzleloader.

Description .....	Product # .....	Price
CVA or Winchester 50 Cal or Smaller.....	212-561	\$19.99
Knight DISC or Bighorn.....	119-609	\$19.99
Knight Wolverine 50 Cal or Smaller.....	174-628	\$19.99
TC Black Diamond or Wildcat.....	423-971	\$19.99
TC Omega or Encore.....	268-470	\$19.99

### EJS Chamber Plugs

These Chamber Plugs allow you to fill the barrel with solvent and let it soak overnight. The silicone O-ring keeps oil and solvents from seeping into the action or trigger mechanism. Not for use with ported barrels or semi-automatic rifles.

Description	Product #	Price
17 Remington	341-018	\$9.99
22 PPC and 6mm PPC	291-366	\$9.99
22 Hornet	533-212	\$9.99

45-70 Government	260-233	\$9.99
Belted Magnums	184-208	\$9.99

### EJS Bore Guides

Bore guides protect the chamber and bore of your rifle by guiding the cleaning rod through the barrel while cleaning from the breech end. A special O-Ring seal on the guide prevents solvent or oil from seeping into the action and trigger mechanism. For optimum performance, add an optional Solvent Port (sold separately). Solvent Ports fit into the end of the Bore Guide to ease solvent application and end messy spills. For a perfect fit see the application chart on the next page.

### EJS Bore Guide Application Chart Instructions

Please use the chart on the next page to identify the proper bore guide for your firearm. Need help? See our website at [www.midwayusa.com](http://www.midwayusa.com) or give us a call at 800-243-3220 and we will be glad to lend you a hand.

See chart on following page.

### Gunslick Brass Muzzle Guard

Conical design keeps rod centered in bore and protects barrel crown from damage.

Description	Product #	Price
22 Caliber	216-046	\$2.59
30 Caliber	243-595	\$2.59

### JP Enterprises Cleaning Rod Guide

The JP Cleaning Rod Guide is a lathe-turned piece of aircraft grade, color anodized aluminum with heavy duty O-rings to center and retain it in the upper receiver while cleaning through it. It is made with a solvent hole located at the ejection port. It will prevent damage to the chamber, throat, and crown of your expensive rifle.

Description	Product #	Price
AR-15 (223 Caliber)	115-057	\$34.49
AR-10 and SR-252 (243 or 308 Caliber)	768-335	\$35.49

### MTM Bore Guides \$8.29

MTM's durable bore guides assure perfect alignment of a cleaning rod to the bore, prevent solvent contamination of magazine and trigger mechanism and protect your rifle's finish.

### Stoney Point Rifle Bore Guides

These high-quality cleaning rod bore guides replace the bolt in your centerfire rifle when cleaning from the breech. They have an adjustable bolt collar which allows them to lock snugly into any action length just like the bolt. They also have a built-in solvent port to help prevent spills.

Description	Product #	Price
17 to 25 Caliber	380-412	\$24.99
25 to 30 Caliber	158-160	\$24.99
32 to 41 Caliber	405-425	\$24.99
AR-15	531-504	\$24.99

### Stoney Point Bore Guide Collars

Stoney Point Bore Collars feature a slide-adjustable action-collar with threaded brass pin, which allow the Bore Guide to lock into the action.

17-25 Caliber	Product #	Price
Sako A1, L146, Vixon, Kimber 84, Mini Mark 5 .555" Bolt Diameter	260-116	\$7.49

### Stoney Point All-In-One Universal Bore Guide

Features three interchangeable chamber tips that fit bore sizes from 17 to 416 caliber. Bore Guide is made of anodized aluminum that is solvent-proof and durable and locks into the action in place of the bolt to allow proper cleaning from the breech. Aluminum Action Collar fits up to .700-inch diameter bolt actions, in any action length and allows use with all types of cleaning rods. Replacement tips sold separately. For centerfire bolt-action rifles.

Description	Product #	Price
Bore Guide	215-856	\$22.99
Replacement Tips Package of 3	185-694	\$5.79

### Stoney Point Rimfire Bore Guide

Clean from the breech with the Stoney Point Rimfire Bore Guide. This unique twin eccentric system allows the bore guide to get around the ejector operation finger, which is common to rimfire actions. Bore Guides fit current 17 and 22 caliber rimfire bolt actions.

Description	Product #	Price
Marlin	312-837	\$29.99
Remington	145-906	\$29.99
Ruger	268-731	\$29.99
Savage	344-805	\$29.99

### Thompson Center Brass Muzzleloader Bore Guide

Solid brass construction with knurling for easy handling. Protects the muzzle from abrasion caused by the cleaning rod. Keeps the rod centered and away from the rifling. Fits 45 to 58 caliber.

# 356-548.....\$4.99

## CLEANING RODS

### Bianchi M1414 Mil-Spec Handgun Cleaning Rod

Constructed of a tough, bore-safe Dupont resin, these cleaning rods hold standard bore brushes. Fits 9mm, 38/357, 41, 44 and 45 calibers.

Description	Length	Thread	Product #	Price
Medium	2" to 5"	8 x 32 Female	547-054	\$1.79
Large	6" to 10"	8 x 32 Female	937-875	\$1.79

### CJ Weapons Chamber Maid Flex Rod Kits

The Chamber Maid is a special chamber cleaning system that uses a unique brush and flexible rod to easily clean any chamber. AR-15 and M1A brushes have bronze front with stainless steel 2nd brush in back. All other brushes are bronze only. The rod is a flexible steel braid coated with a clear rubber that protects the bore of your gun.

Converts 8 x 32 Male to 8 x 36 Male	115-870	\$4.19

## EJS Cleaning Rod Cases

Rod cases are made from 1/2" galvanized steel conduit that has been black powder coated. Cases will hold Dewey and Boretch rods up to 48" long. Single rod case has one case bracket, while the double case has two brackets. Lockable case brackets are sold separately in packages of 2 and will fit 1/2" steel conduit.

Case	Length	Product #	Price
Single	48"	554-554	\$17.99
Double	48"	540-445	\$23.99
Accessory	Product #	Price	
Case Brackets	912-097	\$12.99	

### EJS Cleaning Rod Stops

These Stops allow you to set the exact depth to which the rod travels through the bore. Prevents impact and possible damage to the action or muzzle. For use with all cleaning rods.

Description	Product #	Price
22 to 26 Caliber	744-854	\$4.99
27 to 45 Caliber	708-357	\$4.99

### **HOPPE'S** Hoppe's Barrel Scrubbers for Shotguns

100% cotton scrubbers are designed for fast, complete barrel cleaning in the field. Solvents and oils can be applied to the cotton mop without fear of damage. Includes a Tynex tip to loosen dirt. Full length scrubbers run the entire length of the bore and include a handle.

Description	Length	Product #	Price
16, 20 Gauge Full length	38"	323-185	\$10.99
12 Gauge Full Length	38"	818-575	\$10.99
12 Gauge for Cleaning Rods	10"	153-298	\$5.19

### Hoppe's BoreSnake Gun Cleaners

This unique product cleans a bore in less than 10 seconds. With a single pull, you'll have a barrel that is shiny and clean. Its integrated bronze brush effectively loosens hard fouling and lead, then the woven cotton floss that follows picks it all up. Completely washable so you can reuse it over and over. It has 160 times more cleaning area than a standard patch, which makes for a cleaner bore in less time. A great product to use at home, at the range or in hunting camp.

### Hoppe's 1-Piece Graphite Cleaning Rods

Will not harm barrels. Constructed of 100% graphite, not coated metal that can chip and peel. The advanced design has a comfortable, ergonomic handle. Handgun and Rifle rods rotate to follow barrel rifling and fit 22 to 45 calibers.

Description	Length	Threads	Product #	Price
Handgun	8"	8 x 32 Female	913-577	\$10.29
Rifle	36"	8 x 32 Female	438-020	\$20.49
Shotgun	36"	8 x 32 Female	313-961	\$20.99

### Kleen-Bore "Pakkawood" Deluxe Shotgun Rod

This 3-piece shotgun cleaning rod is 38" long and is made from laminated hardwood with solid brass hardware. Includes slotted patch holder. Works for 28 to 10 gauge. 5/16 x 27 thread.

# 501-811	\$26.99
-----------	---------

### Kleen-Bore Saf-T-Clad Handgun Cleaning Rod

This steel rod is 8" long and is coated with an epoxy resin that provides a protective barrier between the rod and the barrel's rifling. Works for 22 to 45 caliber. Includes a patch holder. 8 x 32 thread.

# 155-703	\$5.99
-----------	--------

### Kleen-Bore ClayMate Shotgun Cleaning Tool

Washable, reusable, two-piece tool for quick, between-round cleaning. Soft, absorbent material picks up unburned powder residue. Screw phosphor bronze brush into threaded end to loosen unburned powder and other residue to be picked up by the absorbent ClayMate, then use the mop to apply light coating of lubricant. Phosphor bronze brush and cotton bore mop included.

Description	Product #	Price
20 Gauge	558-599	\$12.49
16, 12 Gauge	556-949	\$12.49

### Knight Ramrod Cleaning Range Rods

These solid anodized aluminum rods come complete with handle and cleaning jag.

### Stoney Point Cleaning Rod Caddy

Cleaning Rod Caddies are constructed from high-strength, black anodized aluminum tubing and are designed to keep cleaning rods straight, undamaged, clean and ready to travel. They have a universal design to fit most brands of cleaning rods of standard diameter. Caddies are furnished with specially designed tubing clamps, which also provide a method for attaching to your cleaning bench. Minor assembly required.

Description	Length	Product #	Price
Single Rod	48"	137-779	\$11.99
Two Rods (Pictured)	48"	282-223	\$28.99

### Tipton™ Tipton Deluxe Carbon Fiber Cleaning Rods

These lightweight, 1-piece carbon fiber rods are more durable than steel and will not damage the rifling in your barrel. The carbon fiber is flexible enough to bend and return to its original shape, and it won't get embedded with grit or flake off like coated rods do. The fully ergonomic handle features double bearings to provide ultra smooth rotation of the rod as it precisely follows the rifling.

Description	Length	Threads	Product #	Price

### Tipton Cleaning Rods

Tipton Cleaning Rods have all the features you demand, but at an affordable price. The tough, chemical-resistant handle features a self-lubricating bearing (in rifle and handgun only) for exceptionally smooth rotation. Cleaning rod sections allow you to lengthen handgun rods for use on long guns. All rods are 1-piece unless noted.

For our complete line of Ammo Boxes, see pages 90-93.

**Badger Ordnance M1A Bolt Roller Greaser**

Used to grease the bolt roller on the M1A rifle. The basic model fits in the buttstock with other cleaning equipment, and the T-handle version is ergonomically designed for high volume use.

<b>Description</b> .....	<b>Product #</b> .....	<b>Price</b> .....
Basic .....	766-794.....	\$6.89
T-Handle .....	274-935.....	\$7.89

**Briley Shotgun Gas Cylinder Cleaner**

Ergonomic handle and stainless steel brush to properly clean the gas cylinder in your semi-automatic shotgun. 17" Overall length with 13" of usable rod.

<b>Description</b> .....	<b>Product #</b> .....	<b>Price</b> .....
Beretta AL2, 302, 303, 390, 391 .....	685-639.....	\$16.95
Remington 1100, 11-87.....	715-033.....	\$16.95

**CVA Trophy Bore Light**

Attaches to a ramrod, allowing the shooter to inspect the bore after cleaning. Batteries included. 10 x 32 thread.

# 159-710.....	\$7.99
----------------	--------

**Cylinder & Slide Deleading Wool**

Wrap a small amount of the Deleading Wool around a bore brush so it fits fairly tight in the bore and scrub. You'll be amazed at how much lead will be removed and how easily. Deleading Wool is made of tightly woven metal strands.

# 179-836.....	\$4.19
----------------	--------

**Dewey Dewey Shotgun Port Cleaning Tool**

Tool allows you to clean any powder or plastic residue from your shotgun ports. It has a large, ergonomic plastic handle and includes 3 brushes. Brushes are 1/8" in diameter and are 1-1/2" long.

<b>Description</b> .....	<b>Product #</b> .....	<b>Price</b> .....
Shotgun Port Cleaning Tool.....	955-831.....	\$11.89
Replacement Brushes (Package of 6).....	262-337.....	\$11.89

**Dewey Ultimate Oiler**

Oiler features a brass nozzle for one touch control, 2-1/2" angled brass stem, double Viton o-ring seal and 1 oz polypropylene bottle. Not for use with ammonia-based solvents that can attack brass and copper.

# 450-802.....	\$9.89
----------------	--------

**DPMS AR-15 Gas Tube Pipe Cleaners**

Extra long pipe cleaners for cleaning the entire inside diameter of the gas tube. Pack of 20.

# 129-113.....	\$5.19
----------------	--------

**DPMS AR Barrel Extension Cleaning Tool**

Used for cleaning in the lug recess area of the barrel extension. Includes tool and cleaning swabs. Can be used with or without solvents. Works for the AR-10 and AR-15.

# 710-435.....	\$52.99
----------------	---------

**EJS Ruger 10/22 Cleaning Clip**

Cleaning Clip inserts into your rifle just like a standard magazine and acts as a positive stop for your cleaning rod so you don't damage the bolt face. It also catches patches and excess solvents in a hollow cavity. Black molded plastic.

# 138-295.....	\$17.99
----------------	---------

**Glock Gunsmith's Bench Mat**

Black padded mat features an exploded view of a Glock handgun. Perfect for cleaning and minor Gunsmithing tasks. 11" x 17".

# 724-290.....	\$14.99
----------------	---------

**Flambeau Gun Maintenance Box**

Box has two locking support arms to securely hold your firearm while cleaning. Features four cantilever trays that store cleaning supplies and a label system that provides storage customization. Measures 20" x 11-5/8" x 10-5/8".

# 773-987.....	\$24.99
----------------	---------

**Gradient Lens Hawkeye Borescopes**

Hawkeye Borescopes are used to get an ultra-close-up view of the interior bore of a barrel, reloading die or a cartridge case.

The Limited Edition features a 17" precision stainless steel optical tube with advanced fiber optics, 25x magnification, a high intensity light source with batteries and a 90-degree direction-of-view mirror tube which allows the user a full 360-degree view. The Deluxe Kit includes all the features of the Limited Edition plus an adjustable focus eyepiece, a cleaning kit and a lockable aluminum case. The optional 90 Degree Eyepiece is ideal for jobs like looking over the comb of a stock when you cannot get close to the eyepiece. The optional Nova light source is rechargeable and 8x brighter than the standard light source.

## HOPPE'S Hoppe's #9 Quick Clean Rust and Lead Remover Cloth

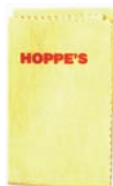

Hoppe's Quick Clean Cloth makes quick work of rust and lead deposits without harming wood finishes. Perfect for fast removal of lead and carbon after a shooting session. 12-1/2" x 8-1/2".

# 210-734.....\$3.39

## Hoppe's #9 Silicone Gun and Reel Cloth

This flannel cloth is treated with silicone to remove fingerprints and provide protection from corrosive oils and damaging moisture. 14" x 14".

# 565-542.....\$2.69

## Hoppe's #9 Wax Treated Gun Cloth

Treated gun cloth polishes and protects every part of your gun. It provides a glossy finish for wood stocks and also treats and protects metal parts from corrosion and moisture. 15" x 13".

# 116-337.....\$2.59

## Hoppe's Bore Light

Hoppe's Bore Light illuminates the entire bore, allowing inspection for nicks, pitting and corrosion that could affect accuracy. Requires 2 AA batteries (not included).

# 656-630.....\$4.69

## Hoppe's Gun Cleaning Mat

This 12" x 36" mat is perfect for cleaning and maintaining shotguns or rifles. Soft acrylic construction absorbs excess solvent and oils, while the vinyl backing protects the work surface and provides a non-slip grip. Machine washable. Green.

# 114-752.....\$7.69

## Invisible Gun Odor Neutralizer Cloth

This Cloth helps to eliminate harsh chemical odors from your gun that could frighten game. 8" x 8".

# 269-859.....\$2.99

## John Masen M1 Garand Cleaning Kit Handle

This is not only a replacement handle for the M1 Garand cleaning kit, this handle is also a tool to adjust your rear sight, take down the bolt and disassemble the gas system.

# 943-125.....\$8.19

## John Masen M1A and M1 Garand Oilers

Double ended plastic reproductions of the original M1 Garand and M1A oilers. These oilers fit in the buttstock along with the cleaning kit.

Description	Product #	Price
M1 Garand	120-416	\$5.79
M1A, M14	580-342	\$3.59

## MTM Gun Vise

The MTM Gun Vise is designed for both rifles and shotguns. Features include a single adjustment rubber-padded clamp, high and low gun forks, 14 cleaning compartments, a small sliding tray built into the base, 11 screwdriver bit holders and 2 cleaning rod holders. Vise is made from a chemical and solvent resistant red polymer.

# 827-940.....\$45.99

## Otis Brass Scraper Set

This professional firearm accessory set includes a locking lug pick, mini brush, short receiver brush, scraper tip and brass extension rods that will not scratch your gun. These can be used as add-ons to all Otis cleaning kits and fit in existing softpacks.

# 125-703.....\$14.99

## Outers Foul Out 3 Bore Cleaning System

The Foul Out 3 Bore Cleaning System is compact and quick to use. It is truly an improvement over other electrochemical bore cleaners because the caliber specific O-rings keep the cleaning rods from touching the inside of the barrel. The system includes Foul Out 3 control unit, electrode, assorted bore plugs and O-rings, 8 oz of Cop Out Plus and Lead Out Plus cleaning solutions, dispensing cap and AC adapter. 17 caliber O-rings are not available. For use with Foul Out 3 solvents only. Foul Out 2 solvents are incompatible with the Foul Out 3 system.

### Plano Inhibitor VCI Oil Wiping Cloth

This flannel cloth has been treated with the rust preventative Inhibitor VCI oil to remove and prevent moisture. Perfect for wiping down firearms before storage. Safe for all wood, synthetic and metal finishes. 8" x 10".

# 113-869.....\$2.99

### Quake Splatter Box Gun Cleaning Trap

The Splatter Box makes cleaning easier and mess-free. It attaches to the end of your barrel and collects patches, leaked solvents and accumulated grime. Constructed of semi-transparent, chemically resistant resin compounds, the Splatter Box can be used with rifles and most shotguns including side-by-side and over-under models. Blue plastic.

# 974-438.....\$9.99

### Ransom Master Mat

The Ransom Master Mat provides a firm, yet cushioned surface for working on all kinds of precision parts and assemblies. The ribbed edge contains spilled fluids and prevents small parts from rolling off the mat. Ribbed compartments are molded into the top area of the mat so small parts can be placed safely away from the main work area. Resistant to most gun cleaners, paints, varnishes, etc. 19" x 11-3/8". Not for use with MEK, acetone or lacquer thinners, as these types of solvents may soften the work surface.

# 789-468.....\$24.99

### RIG #2 Cotton Wipe Cleaning Cloth

Cotton flannel wiping cloth is treated with RIG #2 oil lubricant. Wipe guns down before storage to remove corrosive fingerprints and prevent rust. 18" cloth includes a 3cc vial of #2 oil treatment.

# 221-566.....\$2.69

### RIG Lead-Wipe Cleaning Cloth

Flannel wipe cloth will remove lead from all stainless steel parts, and can even be cut into patches and used to remove lead from stainless steel barrels. This cloth can be used again and again; it keeps working even when it appears to be loaded with lead. Not for use on blued surfaces. 18" x 18".

# 127-388.....\$3.39

### RIG Rig-Rag Sheepskin Wiper

Soft sheepskin cloth is treated with RIG Universal Grease and is a great way to apply a thin coat of the rust preventative to any firearm. This rag will last for years; simply apply more grease when needed. Includes zipper lock bag.

# 554-915.....\$7.49

### R W Hart Stock Protector Boot

This boot protects gunstocks from solvents and chemicals while cleaning. Absorbent outer layer wicks up spills and excess solvent, while the waterproof inner layer protects the stock from absorbing them. Velcro attachment for universal fit. Color will vary.

# 790-603.....\$15.99

### Schuster AR Bolt Carrier Carbon Scrapers

This steel cleaning tool removes any carbon fouling that accumulates behind the bolt in the bolt carrier. Parkerized.

Description	Product #	Price
AR-15	780-151	\$22.99
AR-10	415-949	\$24.99

### SPRINGFIELD ARMOY. Springfield Armory M1A

### Combo Tool

Tool not only serves as a cleaning rod handle, but also tackles gas plug removal and bolt takedown and fits inside the trap door of the buttplate.

#646-344.....\$4.99

### Stoney Point Cleaning and Maintenance Cradle

Cradles are molded from solvent-resistant plastic then covered with a soft rubber so they will not damage fine stock finishes. Both sides of each cradle are notched to hold any size cleaning rods. Two 3/8" anodized aluminum tubes are fitted in the cradles to allow length adjustment or quick disassembly and compact transport in your range box or cleaning kit. Each cradle end is molded specifically to hold the differently shaped ends of any traditional firearm stock, from 22 Rimfire to a varmint rifle with a 3" wide benchrest-style forend.

# 241-185.....\$21.99

### Thompson Center Breech Plug Scraper

Brass scraper with end cut to conform to the end of all T/C breech plug powder wells. Improves reliability and consistency of ignition. Fits 36 to 58 caliber and 12 gauge. 10 x 32 male threads.

# 771-603.....\$4.99

### Thompson Center Breech Plug Cleaning Brush

Makes cleaning the removable breech plug in your T/C in line a snap. It's long enough to reach into the threads in the barrel/receiver as well.

# 326-650.....\$4.99

### Tipton Action and Chamber Cleaning Tool Set

Cleans the grit from the bolt lug recesses and the bolt raceways in the action. Set includes Action Cleaning Tool and 10 swabs, Chamber Cleaning Tool, 2 mops (one for 223 and cases of similar diameter, one for 22-250 diameter and up) and a general purpose nylon brush.

Description	Product #	Price
Action and Chamber Cleaning Tool Set	109-658	\$8.49
Action and Chamber Cleaning Swabs Package of 100	115-373	\$4.19

### Tipton Best Gun Vise

Tipton's Best Gun Vise features front, center and rear supports; each independently adjustable to fit virtually any gun, including handguns. 2 adjustable rear clamps accommodate any width stock. An L-shaped center support can be used for break open shotguns, ARs and similar guns. The vise is constructed of durable nylon that is resistant to chemicals, cleaners and solvents and features molded accessory bins for bottles, cleaning supplies and other items.

# 110-829 .....\$104.99

### Tipton Gun Vise

This vise uses a rubberized cradle and jaws to secure your firearm for safe and efficient cleaning, scope mounting and routine maintenance. All contact points are padded to prevent damaging wood, synthetic or metal surfaces. Vise features a unique quick-cam action for easy access and molded-in compartments for cleaning supplies and small parts. Made from tough, solvent-resistant polymers.

Description .....	Product # .....	Price
Gun Vise.....	607-786.....	\$39.99
Gun Vise Package of 2.....	175-274.....	\$84.99

### Tipton Silicone Impregnated Gun Wiping Cloth

Silicone treated cotton cloth leaves a lustrous, protective film on all metal, wood and plastic surfaces. Quickly removes dust and corrosive fingerprints from valuable firearms and reloading equipment. 14" x 15".

# 502-260 .....\$5.29

### Tipton Cotton Wiping Cloth

Made from the same high-quality cotton as Tipton's popular cleaning patches, these 12" x 12" wipes are perfect for wiping down firearms. Package of 6.

# 492-498 .....\$6.29

### Tipton Shop Towels

These red shop towels are useful for wiping down guns, cleaning up spills and dozens of other chores around the workbench. Made from 100% lint free cotton, they are ultra-absorbent and machine washable. Towels are 14" x 12". Package of 10.

# 914-621 .....\$5.49

### Tipton Cotton Inspection Gloves

These heavy-duty, white cotton gloves are ideally suited for use while inspecting or evaluating fine firearms, knives, swords or other expensive antiques. They prevent fingerprinting and eliminate the transfer of contaminating oils and material that can degrade the finish of new or vintage firearms and keepsakes. Package of 4 pair. One size fits most.

# 825-746 .....\$5.79

### Tipton Gunsmithing Maintenance Mat

The perfect material to lay on your workbench while cleaning or disassembling firearms. No-mar surface protects firearms from nicks and scratches while providing an ideal work surface. Excess oils and solvents are absorbed into the mat, keeping the surface clean and dry. Each mat washes in mild detergent and water, and rolls easily to fit in your Tipton Range Box.

Description .....	Product # .....	Price
12" x 24".....	602-557.....	\$5.59
16" x 54".....	160-957.....	\$11.29

### Tipton Fine Bristle Cleaning and Oil Application Brush

Features hundreds of thick 1-3/4" bristles to ensure quick, thorough coverage of your gun parts with oils or solvents. Great for hard-to-reach areas, such as under vented ribs.

# 375-777 .....\$4.19

### Tipton Gun Cleaning Picks

Set of four 8" picks, each has a different shaped tool at each end to get into those tight, hard-to-reach places. Picks feature a hex shaped shaft for easy gripping. Made of high strength polymer that won't scratch your gun.

# 778-870 .....\$4.19

### Tipton Shooter's Swabs

These wire-handled, 100% polyester fiber swabs are perfect for application of lube and rust preventatives. They can also be used with solvents to scrub small recesses in receivers, bolt bodies and other hard to reach surfaces.

Description .....	Product # .....	Price
Package of 50.....	757-554.....	\$7.49
Package of 100.....	350-379.....	\$12.99

**Tipton™**  
Gun Cleaning Supplies

**Tipton Metal Magic Gun Cloth**

This non-abrasive cloth removes rust and tarnish as well as carbon, lead and copper fouling. Not for use on blued or case colored surfaces. 6-3/4" x 4".

# 623-952.....\$3.29

**Tipton Nylon Gun Cleaning Brush**

Specially designed for cleaning firearms. The tough solvent-resistant bristles won't get stuck in your action.

**Tipton Metal Cleaning Pad**

Scrub off grease, grime and rust without damage to your firearm when used gently.

# 439-502.....\$6.29

**Tubb Final Finish Bore Polishing System**

The Tubb Final Finish Bore Polishing System is composed of a series of polishing compound impregnated bullets. The bullets are impregnated with 5 different progressively finer compounds. Enhances accuracy by polishing out bore imperfections. The smoother bore results in reduced fouling and less drag. Also makes the barrel much easier to clean. Removes no more than .0003" of metal from the bore and includes a reusable plastic case. This is not loaded ammunition.

**Tubb Final Finish TMS Throat Maintenance System**

One of the biggest causes of accuracy loss over time is barrel wear, specifically throat erosion. Tubb's Throat Maintenance System consists of a series of 50 bullets coated with a special polishing compound in 5 progressively finer grits, specifically designed to smooth out the section of barrel directly ahead of the chamber. The result is a smoother throat and restored accuracy. This is not loaded ammunition.

**Tubb Final Finish 22 Long Rifle Bore Polishing System**

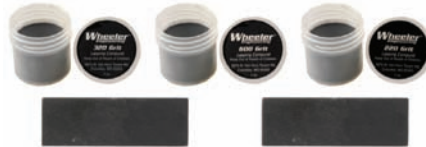

The bore polishing kit includes 100 polishing compound impregnated 22 Long Rifle cartridges (20 each of 5 progressively finer compounds). Polishing the bore results in reduced fouling and less drag. Removes no more than .0003" of metal from the bore and includes a reusable plastic case. This is loaded ammunition.

# 120-980.....\$27.79

**Wheeler™ Engineering**  
Fine Consulting Supplies

**Wheeler Engineering Bore Lapping Kit**

An affordable means to polish a rifle bore to remove factory machining marks, produce less fouling and enhance accuracy. Traditional hand-lapping is very labor intensive, but this kit allows

even the amateur to embed bullets with abrasive and fire them through the barrel, saving the time needed for the normal lapping processes. This bore lapping kit consists of three 1 oz jars of high-quality abrasive pastes, two steel plates and full instructions. Can be used with lead or jacketed bullets.

# 646-612.....\$27.49

**Wilson Combat Silicone Gun Cleaning Cloth**

A must for every shooter, this soft cotton flannel polishing cloth is impregnated with silicone. Completely removes rust-producing fingerprints and is ideal for use at the range after gun handling. 13" x 15".

# 768-350.....\$29.99

**Q** When discussing rifle dimensions, how is length of pull measured?

- The distance from the center of the trigger to the center of the buttplate
- The distance from the front of the trigger to the back of the trigger guard
- The distance from the rear sight to the buttplate
- The distance the trigger is pulled to fire the rifle

See page 366 for answer.

# ARMOR ACCESSORIES BRANDS OFFER EXCELLENT PRODUCTS FOR ALL YOUR SHOOTING NEEDS!

### MUZZLELOADER MOUNT & SCOPE COMBO:

Built for most black powder rifles, this dependable mount promises perfect scope alignment. Superior design and serious quality standards make this “shorty” 3-9 x 40 AO scope an all-around workhorse. It features a duplex reticle and fully-coated, high-definition lens – perfect for low-light conditions. Fingertip “micro-click” dials allow consistent, easy fine-tuning, and an adjustable pallax and diopter ensure even the closest shots are clear and on target. Shockproof and waterproof.

[www.b-square.com](http://www.b-square.com)

### SAF-T-CLAD™ CLEANING KITS:

Saf-T-Clad products are the result of a technological breakthrough involving epoxy thermal setting rules. An excellent choice for those individuals who do a lot of cleaning and expect the ultimate in bore protection.

- SAF-300** Saf-T-Clad Universal Cleaning Kit (shown)
- SAF-303** Saf-T-Clad .17 Cal. One-Piece Rifle Rods
- SAF-401** Saf-T-Clad Deluxe Two-Piece Rifle Rods (For calibers .22-.264)
- SAF-402** Saf-T-Clad Deluxe Two-Piece Rifle Rods (For calibers .270 & up)

[www.kleen-bore.com](http://www.kleen-bore.com)

### POWDER BLAST:

Powder Blast keeps weapons clean and dry by blasting away firing residues.

- Eliminates powder residue, plastic streaking, greases and oil build-up
- No disassembly required – the extender tube provides easy access to hard-to-reach areas
- Will not hydrolyze to form hydrochloric acid, unlike products containing 1,1,1 Trichloroethane
- Non-toxic, user friendly and safe for the environment

[www.break-free.com](http://www.break-free.com)

### SPEEDFEED SPORT STOCK SETS:

Crafted with 30 percent glass-filled polymers, these rugged sets are impervious to even the harshest weather. Won't chip, crack or swell regardless of the conditions. No gunsmithing required! Distinctive fine-line checkering, black, non-reflective finish. Kit includes stock, forend, predrilled hole for a sling-swivel stud and specially designed recoil pad.

**Tipton™**  
Gun Cleaning Supplies

**Range Box**

Tipton Range Boxes are tough, portable and convenient. Each Range Box comes with a removable Cleaning Kit, compartmentalized storage space, molded-in loop for padlock (not included) and a sturdy reinforced hinge.

**One Stop Gun Care Shop!**

They feature solvent-resistant polymer construction, a comfortable padded handle that folds flat into a recess in the lid for easy storage and rubber coated cradles to securely hold your firearm for cleaning and maintenance (cradles store inside the lid for easy transport).
