Check out these great features on MidwayUSA.com...

- 1 Browse & Search Products**
Browse through all products by clicking on these tabs or search for a specific item by typing in its product number or description.
- 2 Decrease Results with Manufacturer**
Are there too many results listed? If so, you can show only products that are made by a specific manufacturer using this tool.
- 3 Decrease Results with Keyword(s)**
Still too many results? You can also show only products that have a description containing certain keywords. Simply enter your keyword(s) here and click "Go."
- 4 Sort Results**
Sometimes you may need to look at the products listed in a different way. You can sort the results by manufacturer, popularity and price.
- 5 Page, Number of Results & Pictures**
Go to the next page of products, change the number of products shown on each page and toggle the pictures on/off for increased speed.
- 6 To the Top**
Close to the bottom of the page and realize that you need to decrease the number of products listed? Not a problem! Click "To the Top" and you're there.
