

Gun Cases

SafeShot™ Protective Gun Cases

The SafeShot™ Series of cases live up to their name in several ways. These cases protect your guns from bumps and bruises while preventing unwanted trespassers into the case. The guns are blanketed with egg-shell foam padding, four locking points and piano style hinge to prevent opening during transport. SafeShot Cases... Protect your investments. Made in the U.S.A.

REALISM THAT GETS RESULTS

Look For The Zerust Symbol For Protection Against Rust And Corrosion!

Flambeau provides the ultimate solution in rust and corrosion protection. Zerust is a patented polymer, molded in the plastic, that emits a harmless vapor and forms a protective layer around metal surfaces. All Zerust products will maintain their effectiveness for up to five years so you can count on hassle free, long lasting protection. Look for the Zerust symbol next to those products that feature this revolutionary technology.
