

Safety and Se	ecurity
	•
Airbags	Driver and front passenger airbags
	Driver and front passenger seat mounted side airbags
Ant: thaft	Curtain airbags, front and rear
Anti-theft	Anti theft alarm system for doors, bonnet, boot and interior Engine immobiliser (rolling code)
	Security coded audio system
	Visible VIN number
Body	Door side impact protection
,	Fully galvanised with 12 year anti-corrosion perforation warranty
	Rigid safety cell with front and rear crumple zones
	3 door hatch body style
Brakes	Anti-lock Braking System (ABS)
	Electronic Brake-pressure Distribution (EBD)
	Brake Assist
	Red brake callipers
Child restraint	3 child seat anchor points mounted on rear seat
Fog lights	Front fog lights, mounted in lower bumper
I lood vootvointo	Rear fog lamp
Head restraints	Front height adjustable Rear adjustable and removable (3)
Locking	Remote central locking with deadlock mechanism (separate release for luggage
Locking	compartment)
	2 stage unlocking (programmable)
	Automatic locking after takeoff (programmable)
	One touch lock / unlock for driver
Luggage cover, re	
Seat belts	Front height adjustable with pre-tensioners and belt force limiters
	3 point seat belts for all passengers
Traction Control	Anti-Slip Regulation (ASR)
	Electronic Differential Lock (EDL)
	Electronic Stabilisation Program (ESP)
Exterior Equip	pment / Styling
Body	GTI badging on radiator grille and tailgate
Enhancements	Front lower air intake and radiator grille with black honeycomb inserts, high gloss finish
	in black with red outline
	Rear roof spoiler
	Side skirts
	Unique rear bumper with dual chrome exhaust tail pipes
Colour coding	Bumper bars
	Door and tailgate handles
	Outer rear view mirrors Protective humber and side moulding strips
Tinted aless	Protective bumper and side moulding strips
Tinted glass Wheels	Heat insulating tinted glass Alloy wheels (Denver) 16 x 6½" with 205/45 R16 tyres
VVIICCIS	Alloy spare wheel
	Low tyre pressure indicator
	Low tyre pressure maiotator

Comfort and Convenience

Air conditioning	'Climatic' semi-automatic control, CFC free			
ŭ	Dust and pollen filter			
Carpet mats	Front and rear			
Cruise control				
Cup holders	Front and rear			
Entry/warning refle				
Fuel filler flap	Operated with central locking			
Grab handles	Soft fold away at roof frame (4)			
Headlights	Halogen headlights with clear lens and black inner housing			
3	Headlight-on warning buzzer			
	Combined headlight and fog light switch, internal angle adjustment			
Instrumentation	Speedometer & tachometer, electronic odometer and tripmeter, service interval			
	display, digital clock, fuel & coolant gauges, low fuel warning light, seat belt warning			
	light, blue adjustable illumination			
Interior highlights	Aluminium pedals			
3 3 3	Aluminium finish door sill scuff plates with GTI insignia			
	Chrome trim on instrument dials			
	Leather gear knob with aluminium insert, leather gaiter and handbrake grip with red			
	stitching			
	Metallic finish in dashboard and surrounding air vents			
Interior lighting	Interior light with time delay			
0 0	Luggage compartment light			
	Passenger reading lights, front x 2			
In car	AM/FM radio			
entertainment	Single CD/MP3 player			
	8 speakers			
	Roof mounted antenna			
Load restraining ho	poks			
Mirrors	Electrically heated and adjustable			
Power steering	Electro-mechanical, vehicle speed and steering input sensitive			
Seating	'Easy entry' backrest release for front seats			
	Front GTI sports seats with additional side bolstering			
	Height adjustment for front seats			
	Split folding rear seat backrest and seat base (60/40)			
Steering wheel	Height and reach adjustable			
	3 spoke perforated leather rimmed steering wheel with aluminium inserts and red			
	stitching			
Storage	Drawers under front seats			
	Glove box			
	Integrated lower dashboard shelf			
	Front door pockets			
	Tray on top of dashboard			
Sun visors	Driver and passenger			
Trip Computer	Multi-function trip computer - trip time, trip length, average speed, average and current			
	fuel consumption, distance till empty & outside temperature			
Upholstery	GTI sports seats with Interlagos cloth			
Vanity mirrors	Driver's and passenger's side illuminated with cover			
Windows	Power front, with roll-back function, driver with one-touch up-down			
	Key operated convenience close and open feature			
Wipers	2 speed with wash/wipe and intermittent wipe with 4 position delay			
	Rear window with wash/wipe and intermittent wipe			
	ket in centre console			

Optional Equipment

Electric glass sunroof, slide and tilt adjustable with sunblind

Leather Package Leather upholstery with red stitching

Individually heated front GTI sports seats

Rear centre armrest

Storage pockets on front seat backrests

Metallic / Pearl Effect paint

Technical Specification

Engine	1.8 Litre Turbo			
_ Type	4 cylinder inline turbo charged petrol			
Installation	Front transverse			
Cubic capacity, litres / cc	1.8 / 1781			
Bore/stoke, mm	81.0 / 86.4			
Max power, kW @ rpm	110 @ 5800			
Max torque, Nm @ rpm	220 @ 1950			
Compression ratio	9.5:1			
Fuel system	Multi-point injection system			
Ignition system	Electronic			
Exhaust emission control	Catalytic converter, oxygen sensors			
Emission Level	EU IV			
Fuel type (recommended)	Premium unleaded 98 RON			
Transmission	Front wheel drive			
Gearbox	5 speed manual			
Performance				
0 – 100km/h	8.2			
Top speed, km/h	216			
Fuel consumption *				
Combined, L / 100km	7.9			
CO ₂ emission g/km	190			
Fuel tank capacity, litres	45			

^{*} Fuel consumption figures according to Australian Design Rule (ADR) 81/01.

The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

Running gear					
Suspension	Font axle	Independent, MacPherson struts and coil springs. Anti-roll bar.			
		Sports suspension.			
	Rear axle	Torsion beam axle, trailing arms, coil springs.			
		Sports suspension.			
Steering		Electro-hydraulic power assisted rack & pinion steering			
Brake systems		Anti-lock Braking System (ABS) with Electronic Brake-pressure			
		Distribution (EBD) and Brake Assist			
Brakes	Front	Ventilated discs			
	Rear	Solid discs			
Turning circle, m		10.6			
Weights					
Tare vehicle weight, kg		1190			
Towing capacity	Braked, kg	800			
(12% gradient)	Unbraked, kg	610			
Towbar load limit, kg		50			
Maximum roof load, kg		75

Glossary

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the wheels from spinning under acceleration by reducing engine torque. It is active at speeds above 40km/h.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction. EDL is active in forward and reverse and operates up to 40 km/h.

Electronic Stabilisation Program (ESP)

ABS, EDL and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with predetermined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also prevents spinning off on a curve due to either understeer or oversteer.

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at June 2006, for Model Year 2007 and are subject to change without notice or obligation. All information is this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
