

THE XF SUPERCHARGED

JAGUAR

XF SUPERCHARGED

It blends the seamless power of a new 470 hp supercharged 5.0 Liter V8 engine with one of our most exquisitely crafted interiors. The result is a new definition of Jaguar sporting luxury – The new XF Supercharged.

Power and exhilarating performance come from Jaguar's 470 hp advanced, direct-injection 5.0 Liter V8 engine that rushes the new XF Supercharged from zero to 60 mph in just 4.9 seconds.

To deliver dynamic handling, and heighten the thrill of the drive, the new XF Supercharged features the latest in Jaguar's advanced chassis technologies. Adaptive Dynamics monitors body movement 100 times every second and wheel position 500 times every second, continuously adjusting damper settings to deliver a superb balance between ride comfort and finely-tuned sports car handling. Active Differential Control automatically varies locking torque for improved traction and enhanced cornering ability.

The elegant cabin is inspired by the best in contemporary design. Softgrain leather upholstery and Jaguar Suedecloth Premium Headlining are matched with Knurled Aluminum and hand-crafted Rich Oak veneer to create a new level of bespoke luxury. While the Bowers & Wilkins 440W surround sound system ensures an exceptional audio experience.

And to give the XF Supercharged the style to match its sporting credentials, it is equipped with 20-inch Selena alloy wheels, quad polished exhaust tailpipes, a color-keyed rear valance and 'Supercharged' badging on the trunk lid. Think of it as sporting luxury in perfect balance.

IMPORTANT NOTICE

Jaguar Cars is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. While every effort is made to produce up-to-date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Cars and have absolutely no authority to bind Jaguar Cars by any express or implied undertaking or representation. Illustrations in this brochure may include optional extras.

Comparisons are based on manufacturer's own data and testing.

ENVIRONMENTAL NOTICE

Jaguar Cars has a vision of being amongst the world's leading companies in demonstrating progress towards sustainability. We aim to do this by contributing to a better quality of life, with corporate citizenship at the very heart of our company, and by reducing our environmental footprint through innovative design and manufacturing, minimizing resource and energy use. Environmental responsibility is a core value in Jaguar, and it is our policy to continually improve our environmental standards in all areas of business activity.

This brochure is produced using paper stock, which contains 10% recycled post consumer waste and is in compliance with The Forest Stewardship Council (FSC). FSC certification promotes environmentally appropriate, socially beneficial and economically viable management of the world's forests.
