Rockin' Garages **NEW** Collecting, Racing & Riding with Rock's Great Gearheads

Tom Cotter, Ken Gross & Michael Alan Ross

Cars and rock 'n roll have always gone hand in hand. Whether it's a garage band piling into some decrepit rig to get to the next gig or a killer guitar riff blasting from a Mustang, rock 'n roll keeps us moving when we're behind the wheel. It's no surprise, then, that some of the music world's big names are also serious car guys. *Rockin' Garages* puts you behind the wheel with some of your favorite musicians.
