Dear Collectors,

We hope that everyone enjoyed their holiday season. We celebrated at our home with all of our family and had a wonderful time! Our beautiful daughter Sonja was the center of attention (as usual). She was born in April of 2007 and has been a tremendous blessing to the whole family. Not that long ago, she was a little baby. Now she's running around and speaking over 100 words, and adding new ones every day. Last year her favorite (and only) word was "Dada". Now "No!" is her favorite word. She's growing up too quickly...

We have a great Free Items promotion going until February 15, 2009! Take a look at Page 3 for the details. This is the best selection of Free Items that we have ever offered!

We also have our 20%-50% Off Clearance Sale taking place from now until the February 15, 2009. Save 20%-50% on everything from Sideshow and Gentle Giant products to vintage G.I. Joe and Transformers items. Some restrictions apply. Turn to Page 47 for complete details.

Also, we have recently started a G.I. Joe One of Each Figure Club, very similar to our Star Wars One of Each Figure Club. The price per figure is \$9.99 and shipping and handling is \$9.99 per wave of new figures (within the continental US by UPS Ground). See below for more details.

Check out pages 42-43 for our new vintage games that have just been added since our last catalog. This includes everything from new Nintendo Entertainment System, SNES, and N64 games to Game Boy Color and Game Boy Advance games and systems. We have also added Sega Master System and Sega Genesis games and accessories to our selection. In all, we have several hundred new items to offer.

We thank you for your business. If you are satisfied with our service and selection, please tell your friends about Brian's Toys! If you would like to contact me directly, please email brian@brianstoys.com.

Happy New Year from all of us at Brian's Toys!

Founder and CEO

How does the Star Wars club work?

When you sign up for the One of Each Figure Club, you will no longer have to worry about scrambling to find new figures or pre-ordering the latest series of action figures. As soon as the latest wave arrives, we will charge your credit card and send you one of each new basic Hasbro *Star Wars* figure for \$9.99 each. This club will only apply for Basic *Star Wars* figures. It will not include Vintage style, Exclusives, Greatest Hits assortments, Ultimate Galactic Hunt, or other Chase figures. We may occasionally email you to announce when these other new Hasbro items are available, and discounts for these may be available for club members. Basic figures will continue to ship indefinitely as new figures are released. If there are ever any changes to the terms or pricing of this club, you will be notified by email.

How does the G.I. Joe club work?

This club works just like the Star Wars club above. However, figures are \$9.99 each. It applies only for basic G.I. Joe figures. It will not include Exclusives, Comic 2-Packs, Multi-Figure Packs, re-issued figures, or other chase figures.

Is there any cost to join?

There is no cost to join the club. We will not charge your credit card until your first wave of figures is ready to ship. You will continue to be charged for subsequent waves of figures as they are ready to ship.

What Wave of figures will I receive first?

Check our website brianstoys.com/club or email sales@brianstoys.com or call (608) 687-7572 to see which wave will be shipping upon signing up.

What are the shipping and handling charges?

Domestic shipping and handling will be \$9.99 per wave (by UPS Ground) and international shipping and handling will be \$19.99 (First Class Mail International) per wave. When checking out, a shipping charge and a \$2 handling charge will show up in your shopping cart. You will not actually be charged the shipping and handling shown in your shopping cart.

How early will I receive my waves of figures?

Brian's Toys will make every effort to ship your figures as quickly as possible, usually within several days of receiving our shipment from Hasbro. However, at times Hasbro delays portions of our order. While you generally will receive your wave of figures promptly, at times the wave may be set back due to delays from Hasbro.

How do I sign up for the One of Each Figure Club?

To sign up, go to brianstoys.com/club, email sales@brianstoys.com, or call (608) 687-7572.

Go to brianstoys.com/club for more information.
