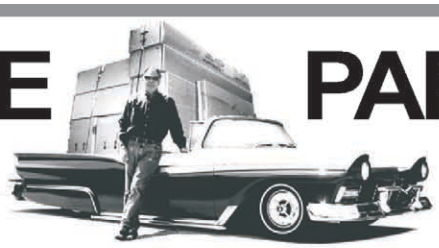
FREE PARTS DELIVERY



Here's a chance to eliminate the shipping fees from your Dennis Carpenter parts purchases in 2008. Plan on attending one of the automotive swap meets or auto shows listed below and Dennis Carpenter will bring your purchase to our show site at that event free of charge! You come by our show site and pick up your order. It's that simple! This opportunity saves you money on any purchases made from Dennis Carpenter and can especially save you on over-sized parts purchases. It just goes to show that a little planning now can save you big bucks later!

TO PLACE FREE DELIVERY ORDERS:
To receive the free delivery offer you must place your order at least 7 working days in advance of the event you plan on attending and full payment of the parts purchase will be required. Inform the person taking your order which show you will attend and on what day so that your order will be ready for pick up upon your arrival.

Place your order TOLL FREE
Monday-Friday, 8 to 5 Eastern Standard Time

FORD RESTORATION PARTS
DENNIS CARPENTER
SINCE 1970

General Infomation

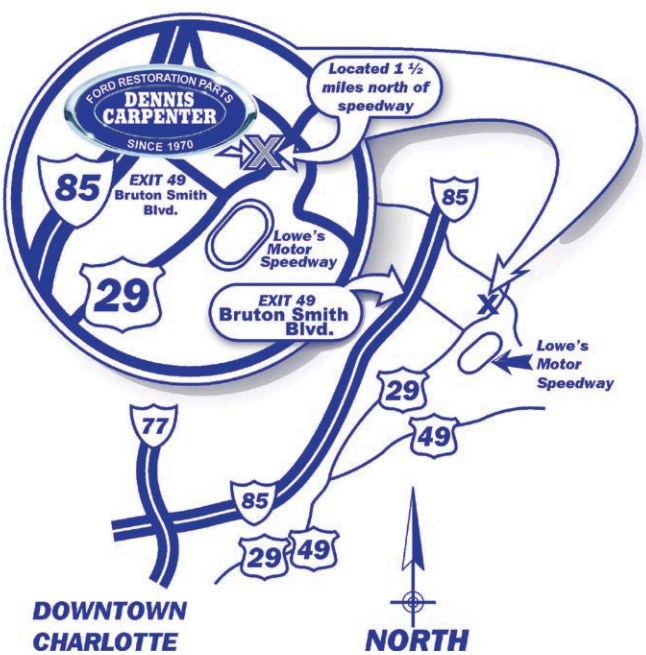
Dennis Carpenter Reproductions is a manufacturer and seller of Ford restoration parts. All of the parts in this catalog, with the exception of new old stock Ford parts, are reproduction or equivalent replacement type parts of Ford Motor Company parts and are represented or referenced by original Ford part numbers.

Office Hours (Eastern Time):
Monday through Friday 8:00 am - 5:00pm
Saturday 9:00am - 12 noon

We are closed the following holidays: New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, and Christmas Day. (If the holiday falls on Saturday, Friday will be taken. If the holiday falls on Sunday, Monday will be taken.)

Return Address:

4140 Concord Parkway, S.
Concord, North Carolina 28027



This catalog supersedes all previous editions, including prices. Due to supplier price increases and decreases PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

Carpenter Industries Inc.

Order a CATALOG:

Dennis Carpenter has over 17 catalogs to order from. To get a free catalog simply call us at

1-800-476-9653

Catalogs are sent bulk mail and may take 2 to 3 weeks for delivery. Catalogs can also be ordered over our website. If you'd like a catalog sooner we can mail you one 1st class for only $3 plus postage.

Customer Number

When you order with us for the first time you're assigned a customer number. This helps us easily keep track of your order. If you have one of our catalogs you can write down your customer number for easy reference in the bottom corner of the front cover of our catalog.

Payment

Although personal checks are welcome, expect a two week delay in shipping to allow the check to clear the bank. Money orders, bank certified checks, Discover, MasterCard, Visa, and American Express may also be used. No C.O.D.'s.

Due to supplier price increases and decreases,
PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
Due to carrier rate increases shipping costs are subject to change without notice.

Thank you for shopping with Dennis Carpenter!

Order Information & Policies

How to Order

There are a number of convenient ways for you to order your parts from Dennis Carpenter Ford Reproductions. We have skilled operators waiting every day to take your order by phone.
You can also send your order by fax, mail or go online. See all the details below for each of the ordering methods.

Phone

1-800-476-9653
Orders Only (Toll Free)

Our Phone Representatives are at your service Monday through Friday 8am 'til 5pm. Please have your customer number ready and all part numbers if calling on the toll free number.

Fax

704-786-8180

Fax your completed order form along with year, make and model of the vehicle you are ordering for and your credit card information including the last 3 digits in signature strip on back, right of card, 4 digits on front for AMEX (small, printed together). Mail

Please list year, make and model of vehicle for which you are ordering, complete part numbers, and description. Include daytime telephone number (including area code). Provide complete address with street name and house number. Mail to the mailing address below. If ordering with credit card please include the last 3 digits in signature strip on back, right of card, 4 digits on front for AMEX (small, printed together).

Thank you for shopping with Dennis Carpenter!

To get decisive answers to your parts questions call the

Dennis Carpenter HELP LINE

Ordering the right parts the first time is essential to completing a successful and satisfying restoration. At Dennis Carpenter Reproductions we understand that this seemingly simple procedure can sometimes be challenging and we have just the group to help you through the process.

If you have concerns or questions about whether you are ordering the right parts for your Ford's restoration, a call to our Help Team will get you some decisive answers.

CARPENTER SHOWROOM

Be sure to visit our retail showroom in Concord, North Carolina, where you can purchase parts or browse our parts displays. We are located just 1 1/2 miles from LOWE'S Motor Speedway.

Using the Catalog

Below is an example of a listing in our catalog. It is broken up into separate columns to help you find the parts you need. In the first column is the original Ford part number. This is the number to use when ordering a part.

The second column contains a letter that corresponds to the letter found next to a part photo or illustration. This allows you to easily find and connect the part information to a picture.

In the third column is the model that the product fits followed by the year and the always competitive Dennis Carpenter price.

EXAMPLE LISTING

PART #	PIC	DESCRIPTION	MODEL	YEAR	PRICE
B9A-13532-A	(B)	Headlight Dimmer Switch	F100-350 Bronco	67-79 78-79	11.00 ea.
C5ZZ-13533	(C)	Headlight Dimmer Swith Rubber Cover	ALL		4.00 ea.

All of the parts in this catalog, with the exception of new old stock Ford parts, are reproduction or equivalent replacement type parts of Ford Motor Company parts and are represented or referenced by original Ford part numbers.

Ford
Classic Parts From
Original Tooling

Reproduction Ford parts made from obsolete Ford tooling that are licensed by but not manufactured by Ford are identified as Classic Parts From Original Tooling.

Ford
OFFICIAL LICENSED PRODUCT

A reproduction part that duplicates a Ford licensed by but not manufactured by Ford is identified as an Official Licensed Product.

Merchandise Returns:

Please inspect the merchandise upon arrival. Returns within 30 days of shipping date are acceptable. After 30 days a 20% restocking charge will be applied. After six months a 50% restocking charge will be applied. For no reason will merchandise be accepted after one year. All returned merchandise must be accompanied by a copy of the invoice, a merchandise return authorization form included with your order and a return authorization number. Failure to have a return authorization will result in a delay and your item will be held until we can process the claim. Please call 1-800-476-9653 for a return authorization number.

Claims:

All claims must be taken up with Dennis Carpenter Reproductions. Please inspect the merchandise upon receipt. If damage is found, contact our customer service dept. within 7 days. Please keep merchandise in the original carton for the carrier to inspect. No claims accepted after 15 days.

Electrical Items:

ALL ELECTRICAL ITEMS ARE NON-RETURNABLE

ALL SALES ARE FINAL.

This includes Starters, Distributors, Distributor Caps, Coils, Points, Switches, Spark Plugs, Fuses, Light Bulbs, Wiper Motors & Pumps, and all Wiring Harnesses & Connectors.

Carburetor Returns:

Our carburetors are built to factory specifications and are in proper working condition when they leave our facility. During installation, be sure not to strip threads at any connections. Be sure there is no water or debris in the gasoline. Do not attempt to disassemble the carburetor or make any repairs. If you suspect the carburetor is defective call our CUSTOMER SERVICE DEPT @ 1-800-476-9653, OPTION 2 and request a Return Authorization Number.

Place the item back in the original packaging and return to Carpenter Industries via UPS GROUND only. When received back, we will test for any defective or damaged areas. If found to be defective, we will replace or issue a full refund, including return shipping. If the carburetor has been damaged during installation, no refund will be given and the carburetor will be returned to the customer at the customer's expense.

Warranty

We guarantee to replace or at our option, repair any product or parts which are found to be defective in material or workmanship within one year from the date of shipment. Our obligation with respect to such products or parts shall be limited to replacement or repair and in no event shall we be liable for consequential or special damages, or for transportation, installation, adjustment, or other expenses which may arise in connection with such products or parts. THIS WARRANTY EXPRESSLY MADE IN LIEU OF ANY AND ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

Additional Handling Charges
The chart above reflects shipping charges based on standard size items. Please allow an additional $20.00 for individual items over 60" in length or odd shaped and bulky items (for example: bed strips, bumpers, and exhaust pipes). Allow an additional $40.00 or heavy or large items such as tailgates, grille shells, bedwood kits, floor pans, and firewall covers. Extremely large or heavy items such as fenders, fender aprons, doors, truck headliners, scooter bodies and frames will require a $50.00 - $80.00 handling fee. (These items are sometimes shipped by a freight truck, freight collect to your door, depending on your city and state.)

Dimensional Weight
Even though a box only weighs 10 lbs., it may be necessary to ship it as a 30 lbs, or more, package depending on the overall size of the box. This is a requirement of the parcel carriers.

Next Day Air Service
Next Day Air Service is available.

Domestic Ground Shipments
Our preferred carriers are FedEx and UPS. We will make an exception to ship by the US Postal Service for orders valued under $100.00, size allowing. Tracking numbers are not available for postal service orders. Parts orders being shipped by the postal service will not leave our facility until the following Thursday. Minimum shipping charge is $8.00, regardless of shipping method.

International Shipments
Please call or email for shipping estimates on international shipments.

For all Canada orders shipping by UPS Ground and valued under $1500.00 (USD), duties, taxes, and customs fees are calculated @ 24% of the parts order value and then added to the order total along with the shipping, insurance, and handling charges. For all Canada orders valued at $1500.00 (USD) & up and shipping by UPS Ground, duties, taxes, and customs fees will be collected from you by the carrier and only the shipping, insurance, and handling charges will be added to the order total. If shipping by the U.S Postal Service or any air service to Canada, only the shipping, insurance, and handling charges will be added to the order total, regardless of value.

For all other countries, the shipping, insurance, and handling charges will be added to the order total. Duties, taxes, and customs fees will be collected by the carrier at time of delivery.

Our preferred carriers are FedEx and UPS. We will make an exception to ship by the US Postal Service for orders valued under $100.00 (USD), size allowing. Tracking numbers are not available for postal service orders. Please allow 30-45 days for delivery of orders by the postal service. No surface mail. Parts orders being shipped by the postal service will not leave our facility until the following Thursday.

Orders are shipped by our preferred carriers. Special services are available for an additional charge.

Please call for estimates on shipping charges for International Shipments.

Estimated Shipping Rates, Handling Charges and Special Services
Regardless of the size or value of the order, our minimum shipping and handling charge is $10.00 plus $.50 insurance. Please review the chart below for rate ESTIMATES.

Value	Rate
$.01 - $99.99	$10.00*
$100.00 - $199.99	$13.00*
$200.00 - $299.99	$18.00*
$300.00 - $399.99	$21.00*
$400.00 - $499.99	$24.00*
$500.00 - $599.00	$27.00*
$600.00 - $699.99	$30.00*
$700.00 - $799.99	$33.00*
$800.00 - $899.99	$36.00*
$900.00 - $999.99	$39.00*

*Above rates include insurance & handling. Rates on values of 200.00 & up are approximate. The actual carrier charges plus insurance & handling will be applied.

$1,000.00 - $1,999.99:
Add 3% of the order value for shipping plus $.50 per $100.00 of order value for insurance = rate ESTIMATE

$2,000.00 - $3,499.99:
Add 2.5% of the order value for shipping plus $.50 per $100.00 of order value for insurance = rate ESTIMATE

$3,500.00 and up:
Add 2% of the order value for shipping plus $.50 per $100.00 of order value for insurance = rate ESTIMATE

(Additional charges may apply. Read Additional Handling Charges & Dimensional Weight Charges at left)

What does it mean?

CLASSIC describes desirable Ford cars or trucks usually 25 years old or older such as aunt Edna's 1955 Fairlane 2 door Club Sedan.

A most important symbol assuring customers of the true origin and authenticity of the classic parts produced from this program. They're also the company responsible for making the tooling in the first place.

PARTS describes the pieces of which something as a whole is composed. For example the hub caps found on aunt Edna's 1955 Fairlane 2 door Club Sedan.

Ford

Classic Parts From
Original Tooling

FROM is a function word to indicate the source.

0 0 0 1

These numbers identify Dennis Carpenter Ford Reproductions as the first member of a select group to manufacture parts off original tooling, parts which comply with quality standards established by Dennis Carpenter and the Ford Motor Company. What this means is that we've dusted off certain tooling and starting using them again, continuing to make quality parts as good as the Ford originals.

ORIGINAL TOOLING describes the stamping dies, injection molds, roller dies and other tools of mass production that the Ford Motor Company used to manufacture the parts necessary to assemble their cars and trucks.

An example or Original Ford Tooling at Work

METAL STAMPING

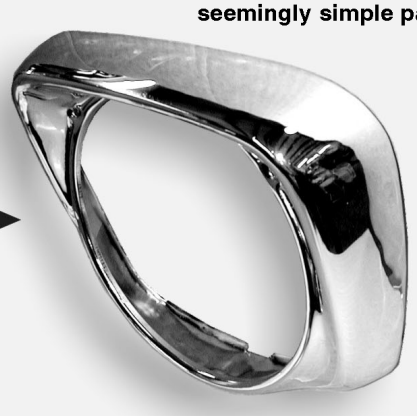
Below a piece of .038 sheet steel has just been pulled from the first stage of a 6 stage stampling process which will ultimately produce 1961-66 Ford Truck headlight bezels. The initial shape of the bezel is easily recognizable witin the pressed metal sheet.

MADE ON
The ORIGINAL Ford Dies

Ford
Classic Parts From
Original Tooling

AUTHENTIC FORD FORMING DIES

At left, a final stamping stage bezel rests in the bottom half of the two piece forming die. 12 sets of dies are required to produce both the left and reight headlight bezels, a tremendous amount of machinery to produce these seemingly simple parts.



1961-66 F100/700 HEADLIGHT BEZEL

Our stamped steel headlight bezels are shaped EXACTLY as the Ford originals and are available as unpainted steel or as shown above, dipped in our trademark triple chrome plating. A pair of chrome headlight bezels (left & right) are part #C1TZ-13064-PR.

Dennis Carpenter offers a complete line of Cushman Motor Scooter parts, tires, accessories, books, and manuals. We have in stock the largest supply of NOS, reproduction, and used parts in the nation.

Right in the heart of North Carolina, sits our Cushman store which displays some of the hundreds of parts and accessories that we have available to our customers. Adjacent to our showroom is a collection of restored and used motor scooters for sale to any interested buyer.

And we're always looking for Parts and Machines for sale. We BUY all makes, American or Import. If you are thinking of selling your collection call our information number at 704-782-1237 and ask to speak with one of our associates.

Our Cushman employees have a combined 50 plus years of Cushman expertise and knowledge. We know the Cushman motor scooter inside and out and can help with or solve virtually any scooter related problem our customers may have.

By Dennis Carpenter
MADE IN THE U.S.A
In Our Shop

Comes with clips imbedded in place ready for easy installation
Exactly as Original
Hard rubber where clips are and soft rubber where hood fits
Check before buying, there is a difference.

Join our Ford Family

Our association welcomes all Fords and promotes the enjoyment of these great American vehicles.

What is better than owning a Ford? Our family oriented association is for people of all ages and for Ford vehicles of all kinds. We've listed some of our criteria just to show you what our family is all about.

1) Unite individuals with diverse interests, with the common goal of enjoying their Ford vehicles under one association.

2) Serve as a common interest point of unity for members of all special interest clubs featuring Ford vehicles.

3) Provide a web site with areas designated for both public and membership access to share stories, pictures, and questions.

4) Sponsor a yearly event that will be held at the same time and place each year.

5) Provide opportunities for members to come together to enjoy these vehicles, while developing new friendships, and to concentrate on the goals of having fun and getting to know other people who enjoy their Fords.

6) Encourage people to bring their vehicles to an event that will offer display classes, which concentrate on cleanliness and workmanship, and classes who want to challenge concours judging.

We're quick to point out that quality comes standard in all of our weather stripping.

Combine 31 years of manufacturing experience with 60 durometer E.P.D.M. dense rubber compound and you get a rear window seal that not only holds 50 lbs. of safety glass in place but better resists drying and shrinking from the sun's harmful ultraviolet rays.

At Dennis Carpenter Reproductions beginning with quality ingredients is the secret to making quality weather stripping products. Ethylene Propylene-Diene Monomer (E.P.D.M.) sponge rubber is yet another polymer based compound that we use to make our door seals because of it's excellent ability to rebound back into shape after compression. What that means is you get doors that close soundly with a water tight seal.

You've heard it all your life, "You get what you pay for"and with Dennis Carpenter Reproductions you get exactly that, quality weather stripping products designed specifically to fit your classic Ford car or truck.

Sure you may save a few bucks by trying to fit bargain brand, one-size-fits-all weather stripping to your classic Ford but in the end you will probably be replacing it long before you thought you would. You can review more information on what Dennis Carpenter Ford Reproductions has for your classic Ford by cruising our web site.

FORD RESTORATION PARTS
DENNIS CARPENTER
SINCE 1970

www.dennis-carpenter.com

1. *The rubber extrusion machine at Dennis Carpenter Reproductions extends over 92 feet and is capable of producing 25,000 feet of sponge rubber weather stripping a day.*
2. *At the beginning of the rubber extrusion process strips of raw rubber compound are pulled into the machine and heated to 425 degrees.*
3. *The molten sponge rubber is then injected and pulled through a mold which replicates the cross section shape of the weather stripping. The black strip coming from the center of the circular mold is the weather stripping being pulled through the mold.*
4. *The circular object in the center of this photo is an extrusion mold. Molten rubber is squeezed through this mold which in the end produces the desired shape of weather stripping. The variations of mold shapes and sizes are seemingly endless. Cross sectioned weather stripping samples can be seen surrounding the extrusion mold.*
5. *After the weather stripping has been pulled through the curing, cleansing, and cooling baths, it is coiled and stored in boxes. Later it will be used to produce specific door or trunk weather stripping.*

FOR ORDERS ONLY: 1-800-476-9653

We're quick to point out that quality comes standard in all of our weather stripping!

Our rubber extrusion machine (1) is capable of producing 25,000 feet of sponge rubber weather stripping a day. The molten sponge rubber is injected and pulled through a mold that replicates the cross section shape. (2) Then it's pulled through a curing, cleansing, & cooling bathes. It's later used to produce specific door or trunk weatherstripping.

Ford Tractor Restoration Parts

1939-1954 9N, 2N, 8N

Clarence Carpenter (Dennis' dad) sits atop his trusty old 8N. Over the years both of them have acquired a rugged character and are ready to pull or plow something up at a moments notice. Of special interest is the front toolbox / ballast system which is made of strap steel, a couple of buckets and some concrete.

including **Jubilee** **NAA**

All stages of grille construction are performed at Carpenter Industries including making the forming dies for the metal stamping operations. After the grilles have been assembled they receive a historically correct gray powder coated paint finish which is applied by an outside source.

Kevin Norman is the Ford tractor parts division manager at Carpenter Industries and is certified as an ASE automotive machinist. His mechanical knowledge and hands-on approach to problem solving are tremendous assets to our new parts development program. He is also known as a courteous "answer man" to our valuable customers.

Wanna see your FORD car or truck on our catalog cover?!

If you'd like to see your Ford Car or Truck on the cover of one of our parts catalogs just follow these simple instructions. We are looking for Ford Cars from 1932-1972 and Ford Trucks from 1932-1989.

1. Only send 35mm 5x7 or larger color photographs.

2. Fill out and sign the waiver below. Then send it in with your pictures. This is just the legal stuff that allows us to use your picture in print.

3. On the back of each picture write down the year and model type of the car or truck. This will make things easy for our catalog department. Also put any particular information about your car as we will be sure to print that along with your name and state.

If your vehicle is picked by our staff we will send you a free DC Cap and Golf Shirt. For additional information and questions contact Bryan Fowler in our graphics department by phone (704)786-8139 or by email at bfowler@dennis-carpenter.com

Below are some examples of the kind of pictures we're looking for.

Send it all to:

Dennis Carpenter Reproductions

Merchandise Return:

Please inspect the merchandise upon arrival. Returns within 30 days of shipping date are acceptable. After 30 days a 20% restocking charge will be applied. After six months a 50% restocking charge will be applied. For no reason will merchandise be accepted after one year. All returned merchandise must be accompanied by a copy of the invoice, a merchandise return authorization form included with your order and a return authorization number.

Damage Claims:

All claims must be taken up with Dennis Carpenter Reproductions within 7 days of receipt. Please keep merchandise in the original carton for the carrier to inspect. No claims accepted after 15 days.

Don't forget to order a FORD catalog. All catalogs free with orders.
