# TRADITION & QUALITY

---

Stanwell blev grundlagt i 1942, hvor Poul Stanwell drevet af sin store kærlighed til piber lagde grunden til det, som i dag er en af verdens førende pibefabrikker.

Gennem årene har Stanwell piber opnået et enestående ry for fornemt design og rygeegenskaber helt i top. Og mange af Stanwells

modeller er i dag værdsat og kendt verden over som klassikere.

Gennem nært samarbejde med førende danske pibemagere og kompromisløs udvælgelse af det fineste bruyere fra Middelhavsområdet, er det lykkedes at opnå en stil og kvalitet, som gør enhver Stanwell pipe til noget helt særligt.

Stanwell was founded in 1942 by Poul Stanwell; his passion for pipes started what has today become one of the world's leading manufacturers.

Over the years, Stanwell pipes have acquired a unique reputation of excellence for their designs and smoking qualities. Many of Stanwell's shapes are now classics which

are treasured worldwide by smokers and collectors.

Based on creative designs by leading Danish Master Pipe Makers, combined with the careful selection of the finest Mediterranean briar, Stanwell has achieved a combination of style and quality which gives each pipe its own character.

Udvalget af Stanwell modeller spænder vidt – lige fra de mest klassiske til de mere dristige. Alle modeller har deres helt egen karakter skabt i samarbejde med førende danske pibemagere som Sixten Ivarsson, Jess Chonowitsch og Tom Eltang. De 48 standardmodeller på disse sider er alle vist i samme finish.

Sammen med et stort udvalg i modeller kan Stanwell også tilbyde et righoldigt udvalg i forskellige serier og finish. Udover poleret og sandblæst finish i forskellige farver kan der også vælges mellem såvel ædle som eksotiske udsmykninger.

## DESIGN AND HARMONY

Et af Stanwell pibernes særkender er den meget smukke og fremtrædende åretegning, som sammen med form og finish skaber en smuk og harmonisk helhed. En helhed, der understreger den gode oplevelse ved piberygning – og som gør ethvert stop til en nydelse i mere end én forstand.

En Stanwell pibes gode rygeegenskaber er kendt og værdsat verden over, og mange års erfaring med fremstilling af piber gør det til en fornøjelse at ryge på en Stanwell pibe – hver gang.

The range of Stanwell shapes stretches from the most classic to the more original. They all reflect their own characters which are also the creations of well-known Danish pipe makers such as Sixten Ivarsson, Jess Chonowitsch and Tom Eltang. The 48 standard shapes shown on these pages are all in the same finish.

Stanwell offers not only a variety of shapes, but also a wide selection of series. There are smooth polished or sandblast finishes in different colours, as well as a number of options between classic and exotic decorations.

# NATURAL GRAIN AND BALANCE

Stanwell pipes' unique characteristics combine their beautiful grain with balanced shapes and finishes to create a harmonious entity. This entity enhances the enjoyment of pipe smoking in more ways than one.

Stanwell pipes have gained a world-wide reputation; many years of experience in quality pipemaking have resulted in an exquisite smoking enjoyment – every time!

# LIGHTNESS AND DISTINCTION

## FEATHERWEIGHT

## SIXTUS

Serierne Featherweight og Sixtus består af særligt designede modeller, som sammen og enkeltvis udtrykker de to seriers individuelle karakter – Featherweight det lette og Sixtus det markante. Begge serier leveres i tre finish, lys poleret, mat poleret og sandblæst.

The shapes of the Featherweight and Sixtus series have been especially designed to reflect the individual characters of each pipe – lightness for Featherweight and distinction for Sixtus. Both series are available in three finishes – smooth natural, smooth mat and sandblast.

# EXPRESSION OF INDIVIDUALITY

## BAMBOO

## SILVER MOUNT

De forskellige Stanwell serier gør det muligt at vælge sin helt egen stil, alt efter temperament og pengepung. For de mere eksklusive serier så som Bamboo, Silver Mount, Brazilia o.lign. gælder det, at de på grund af deres høje kvalitet kun fremstilles i begrænset omfang, hvorfor det kan være vanskeligt at fremskaffe alle modeller i disse serier.

The various Stanwell series enable the creation of pipes with personal style to match personality and mood, as well as collectible attraction. Exclusive series such as Bamboo, Silver Mount and Brazilia are conceived by selective use of the finest briar and are only manufactured in limited quantities; specific shapes may not always be easy to obtain.

Regular and more popular series such as Royal Prince are normally available in all standard shapes.
