

Safari Light Bar™

Westin's Safari Light Bar transforms your vehicle by adding a tough, rugged look that doesn't overpower compact, midsize trucks and SUV's. Manufactured from 2" diameter steel tubing and equipped with light tabs for driving lights. The fully welded one-piece construction bolts on quickly and easily with no vehicle modifications on most applications. The Safari Light Bar is available in a chrome plated stainless steel or a black powdercoat finish. With Westin's extra front end protection your vehicles good looks will surely shine through. Add a set of Westin's Driving lights to complete that customized look.

- Easy bolt-on installation • No drilling required

WESTIN

ULTIMATE BULL BAR™ - 2.5" & 3"

Westin's Ultimate Bull Bar adds extra front end protection, maximum ground clearance and the perfect finishing touch to your truck or SUV. The Bull Bars are manufactured from 3" diameter tubing for full-sized trucks & SUV's and introducing the new 2.5" diameter Bull Bar for compact, midsize trucks and SUV's. Choose from chrome plated stainless steel or a black powdercoat finish. Black molded end caps have been added to the crossbars and Westin's logo is laser-cut into the stainless steel skid plate. The skid plate & mount kit are included. Add a set of Westin's Driving lights to complete that customized look.

Euroguards

Euroguard

BIG COUNTRY

BIG COUNTRY Euro and Tail Light Guards are designed to follow the vehicle lines with full wrap-around protection. Available for the front and rear of most popular trucks and SUV's, they are manufactured using specially selected steel alloys, assembled using computer controlled, state-of-the-art equipment and built to stringent original equipment ISO 9001-2000 standards for guaranteed quality, fit and finish. Choose between durable black powder coat finish with a five year limited warranty or marine grade stainless steel with a mirror finish and a lifetime warranty. Our Euroguards mount with no drilling required to your vehicle and include auxiliary light mounts as well as all the necessary installation hardware.
