**Journey To The Manger**

Created by Kim Beyer-Johnson and  
David T. Clydesdale SATB

The Christmas story will never change. The message of hope, joy and love is still offered today. In *Journey To The Manger* we discover this meaning on a journey through time...the Depression Era, Italy during the Renaissance, the streets of England, a simple little church in Austria, the manger, and finally back to the 21st century...as our main character, Nathan, discovers the true meaning of Christmas. *Journey To The Manger* is a semi-dramatic musical. With a cast of five actors, it can be presented with your choir in the choir loft, utilizing your live nativity set, or it can be expanded as dramatically as you can imagine, with additional characters and staging. Kim Beyer-Johnson has written complete production notes for every situation, from simple staging to those of you who will begin making costumes in June! 49 minutes in length. Moderate

By Ruth Elaine Schram and

Unison

Join us as we "turn back the clock" to a time long before the first Christmas. As the clock ticks and the years pass, we hear the stories of Isaiah and Zechariah. We watch with amazement as the old, childless couple, Zechariah and Elizabeth, are blessed with the birth of their son, John. We gaze in wonder upon the scene as Mary receives the news that she is chosen to carry God's Son into the world. And we look with tenderness upon the manger scene as Jesus, the Messiah, is born in a humble cattle stall in Bethlehem. Both charming and humorous, *Twas The Year Before Christmas* is the perfect choice for church children's choirs, Christian schools or Sunday schools. Flexible and easy to teach. "EVENTIDE: that ten minute or less time frame between the sun going down and complete darkness. That time when the day is coming to an end and preparing to rest. That peaceful period of waiting while crickets are preparing to sing and the fragrance of evening is settling over the ground. Growing up, this was always my favorite part of the day. It seems almost stolen from time. Not night, but not day either. "Oh, worship the Lord in the beauty of holiness!" (1 Chronicles 16:29 NKJV) Should I be asked to define "the beauty of holiness," I would have to say eventide. The scripture calls us to worship Him there, to call out to the Lord and seek His presence where He may be found. I want to be where He is. And should you be looking for me, some late Indiana afternoon, you might find me sitting on my deck watching the woods go dark, drinking in His goodness and enjoying the presence of the Almighty." -- Jay

### LeadLines

*LeadLines* are JPEG graphics of a melody line with the lyrics. They can be used in any projection software such as PowerPoint, MediaShout, etc. For each hymn or song, there are graphics that make up the verses, refrains, bridges, endings, etc. Why would you want to project the melody as well as the words? Three reasons: It's easier to teach your congregation a new song if they can see the melody line; it keeps your congregation musically literate; it's visitor-friendly. *LeadLines* features white print on black background for easy reading in bright ambient light environments. Bold staff lines, barlines, stems and lyrics make them easy to follow.
