Grace That Amazes

By Claire Cloninger, Arr. by Lari Goss

SATB

To celebrate Easter is to unwrap again that amazing gift of God's grace - a gift unearned and undeserved. *Grace That Amazes* uses narration and song to invite each listener to encounter and receive the gift of grace. With a broad range of music from soaring, dramatic arrangements to upbeat gospel style anthems, the message of *Grace That Amazes* is simple, powerful and direct. It takes us on a journey through the chronology of God's grace beginning with mankind's sin in the Garden, Jesus' work on earth, the heartwrenching crucifixion and culminating with Resurrection Sunday. 48 minutes in length. Known By The Scars

Created by Tom Fettke and
Camp Kirkland, Dramatic narration by
Max Lucado

SATB

The story is timeless; the message never changes. Yet, if we look at Calvary through different eyes, a whole new perspective can be gained about the cross and God's love for us. Such is the intent of this musical by Tom Fettke and Camp Kirkland. The writings of Max Lucado serve as narrative (one or two readers) setting up songs carefully chosen by Tom, while original underscore further dramatizes each moment. Songs that qualify as choral music standards are brought together with compositions written exclusively for this project as well as the best of recently popularized material. The biblical story remains - Christ died for our sins. As you approach the Easter season and the cross, this work will cause you to take a new, perhaps different look at Calvary. 48 minutes in length. Moderate
