A home for all your clothes and accessories

We know how hard it can be to keep track of your clothes. And how frustrating it can be when you're pressed for time and the garment or accessory you want has decided to play hide-and-seek. But imagine a world where everything has its designated place. Where the time you have to get dressed can be used for choosing, instead of searching. Impossible? Not at all. A great wardrobe is all you need. (OK, and a little self-discipline). In this brochure, you'll find our three wardrobe systems: PAX with its KOMPLEMENT range of interior fittings, the unique open storage of STOLMEN, and finally, ELGÅ. Choose the one that suits you, and give those wayward clothes a home, once and for all.

Outlives any trend

We can't guarantee that your clothes will stand the test of time, but we can guarantee that your wardrobe will. We put PAX and KOMPLEMENT designs through heavy testing. Sliding doors are opened and closed 20,000 times, drawers and hinged doors 30,000! We put weights on the shelves and test for sagging. So whatever you're wearing, you can give it a good home for at least 10 years!

PAX LYNGDAL wardrobe

Sliding doors provide an easy overview of your clothes, and give a calm, streamlined look to any room. Sliding doors don't require much extra space in front of the wardrobe, so they're perfect for narrow areas. Try sliding doors in a hallway, narrow walk-in closet or for creating a dressing area near the bed.

For more than a few of your favourite things

It's the big things like trousers and shirts that make up the majority of what's in your wardrobe. But it can be the little things that really make an outfit special. And they have a tendency to get misplaced. With KOMPLEMENT, all accessories – from cufflinks to kinky boots – have a home, so you'll know exactly where they are, and won't spend hours searching for that perfect scarf, or his favourite tie.
