MEN'S APPAREL

The image is a complex collage. The background is a dark, textured surface, possibly a rock face. Overlaid on this are several geometric, torn-paper-like shapes. One large shape shows a close-up of a man's face, partially obscured. Another shape shows a woman's profile. A central, prominent shape shows a white leather jacket with black and red accents. The jacket has a large black '1' with red piping on the sleeve and the word 'YAMAHA' in white letters on a black background. A woman's hand with a silver ring is visible near the jacket. The overall aesthetic is edgy and fashion-oriented.

Vintage Leather Jacket

Manufactured from quality cowhide, these fashionable designs feature our famous 'speed block' logo as well as various patches for that classic retro look.
