modern advantages. They are the timeless best of both worlds - Smith & Wesson Classics.

#### **CUSTOM ENGRAVING**

Smith & Wesson firearms have been renowned for their performance and function for over 150 years. Now, they can also become timeless works of art. Any new revolver, pistol or classic firearm from Smith & Wesson which you already own, can be custom engraved to create a personal masterpiece. The application of precious metals, and the art of embellishment, results in a one-of-a-kind piece that reflects not only the skill and vision of the master engraver, but also the artistic expression of the owner. Only Smith & Wesson can provide the added value of authenticity direct from the manufacturer.

#### LASER ENGRAVING

Choose to add scrollwork, lettering or animal motifs to your firearm with LaserSmith™ technology. An inexpensive, fast way to add elegance, character and individuality to any carbon or stainless steel component of your firearm, Smith & Wesson gives you the opportunity to beautifully personalize your Smith & Wesson. (Alloy and Nickel frames cannot be engraved.)

Now you can own a piece of history in the making with the Smith & Wesson Classic revolver line. The Classics bring coveted models, with their designs harkening back to the most famous collectibles ever constructed, back in production. Each model, known for its legendary performance, has been enhanced with modern advantages. They are the timeless best of both worlds – Smith & Wesson Classics.
