LOOKING FOR SOMETHING?

Sections listed below

Order Forms: page 309–311

International Information: page 310

To Our Ford Truck Enthusiasts,

Owning a truck says a lot about a person, and owning a clasic Ford truck says even more. It means that you appreciate the craftsmanship and quality that went into every Ford truck, and you want to carry it on for generations to come.

With that in mind, MAC's has redesigned our Ford truck parts catalog—one of the most extensive catalogs in the business. The full color pages and images for every part (or part "family") will make it easier to find almost anything you're looking for.

You can order easily by using our Web site www.macsautoparts.com, fax or mail your order using an order form in the back of the catalog, or call 800-777-0948 to speak with one of our dedicated customer service representatives.

Stop in & visit our **new showroom** at 6150 Donner Road in Lockport, New York (minutes from Buffalo), 8 a.m.–5:30 p.m. Monday–Friday or 8 a.m.–12:30 p.m. on Saturday. You can check out some cars, pick up your order, or just say hello.

When it comes to restoring & maintaining your classic truck, we know you have choices, so we thank you for choosing MAC's: your one stop source for quality parts & accessories for your 1909–1970s Ford & Mercury,

Rick & Randy McIntosh

& the staff of MAC's Antique Auto Parts

MAC's Helps You Get a Grip

Made of a non-slip, soft & pliable yet strong, PVC material, these fender grippers will stop you from worrying about another tool slipping off your classic truck. **See page 292.**

Icon Descriptions

We have added these icons throughout our catalog where necessary & are used to denote any additional information you need about our parts. We want your ordering experience with us to be as pleasant as possible.

Save — These hot deals have been designed to save you money on combinations of parts needed to complete a repair!

NEW — These items are new to this year's catalog.

OS — Because of size or weight, the freight charges will be higher on these items.

Because of size or weight, these items can only be shipped by truck.

Our resident expert, MAC, offers helpful hints & sound advice.

Headliner Kits

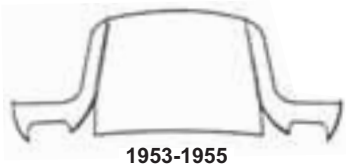
The first three headliner kits are the exact size for 1948-50 pickups. These kits will fit 1951-52 pickups if you make the back window cut-out larger. They include: roof, left & right sides of back windows, center below back window, left & right side below back window & one pair of under-dash kick panels, totaling 8 pieces, plus all the screws, washers & clips necessary.

OS *Because of the size of the Headliners, additional shipping charges will be incurred.*

Before you install your new headliner, consider updating your cab insulation. We carry easy-to-install kits that offer the latest technology for insulating your vintage cab. Simply follow the detailed instructions & you are on your way to better heating, air conditioning & stereo performance. See pages 14–15.

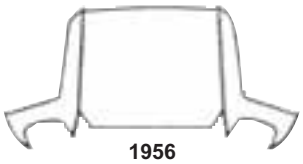
48-52	Brown, exactly as original, mounting hardware included	7C-8151968-BR	159.95 kit
48-52	Black, exactly as original, mounting hardware included	7C-8151968-BL	159.95 kit
48-52	Gray, exactly as original, mounting hardware included	7C-8151968-GR	159.95 kit
48-52	NEW Red, exactly as original, mounting hardware included	7C-8151968-RD	159.95 kit

NOTE: For the kits listed below YOU MUST re-use the original attaching hardware.



1953-1955

53-55	Gray, roof only, exactly as original	B5C-8151968-AA	78.95
53-55	Headliner, panel truck only	B5C-8251968-P	96.95



1956

1956 Panel Delivery Headliners

1956	Gray, roof only, exactly as original	B6C-8151968	76.95
1956	Gray, roof only, for large back window	B6C-8251968-BW	96.95
1956	Headliner, panel truck only	B6C-8251968-P	96.95

All of our headliners from 1957 thru 1972 are available either perforated or non-perforated. The price is the same either way, it's just a matter of preference. The original light gray scratch design is perfectly reproduced, as are the original dimensions.

57-60	Cab with wrap-around rear glass, light gray perforated board, as original	B7C-8151992-A	149.95 kit
57-60	Cab with wrap-around rear glass, light gray plain board, non-perforated	B7C-8151992-NP	149.95 kit
57-60	Cab without wrap-around rear glass, light gray plain board non-perforated	B7C-8151968-NP	149.95 kit
61-63	Unibody kit with wrap-around rear glass, 1 piece, original style with clips & screws, perforated	C1TZ-6651945-A	149.95 kit
61-63	Unibody kit with wrap-around rear glass, 1 piece, non-perforated with light gray scratch design	C1TZ-6651945-NP	149.95 kit
61-63	Unibody kit without wrap-around rear glass, 2 pieces, original style with clips & screws, perforated	C1TB-6651968-A	149.95 kit

1961-1963 1-piece Style Headliner

1961-1964 2-piece Style Headliner

61-63	Unibody kit without wrap-around rear glass, 2 pieces, non-perforated with light gray scratch design	C1TB-6651968-NP	149.95 kit
61-64	Gray, 2 pieces, perforated style with clips & screws	C1TZ-8151968-A *	149.95 kit
61-64	2 pieces, light gray scratch design, non-perforated, **except** unibody pickup	C1TZ-8151968-NP *	149.95 kit

1964-1966 4-piece Style Headliner

64-66	Gray, 4 pieces, perforated style with clips & screws	C5TZ-8151968-A *	174.95 kit
64-66	4 pieces, light gray scratch design, non-perforated	C5TZ-8151968-NP *	174.95 kit

**1964 was a transition year, so the headliner could be the 2-piece style (roof only), or the 4-piece style (roof, b-pillars & below back window). Please confirm which style you need.*

67-72	Gray, perforated,	C8TZ-8151968-A	109.95 kit
67-72	Gray, non-perforated, 1 piece	C8TZ-8151968-NP	109.95 kit
73-79	Gray, non-perforated, standard cab F100 thru F350	D3TZ-1051990-B	59.95
73-79	Gray, perforated, standard cab F100 thru F350	D3TZ-1051990-G	99.95

Bench Seat Cover Sets

MAC's is now offering bench seat upholstery for 1961 thru 1979 F-series trucks. Made using original patterns, they will fit your factory bench seat perfectly. Choose from all vinyl or vinyl with a woven cloth insert, available in up to 10 different colors, to match almost any paint scheme. Even though they are not an exact match of the original, they will improve the looks of your cab. So if your seat cover is worn, starting to rip, or just plain ugly, give us a call & order your new set today!

Hog Ring Pliers & Rings

We offer high quality hog rings & pliers, for those who are skilled at installing their own seat covers. However, if you have never done this job before, we recommend that you take our premium seat cover sets to a professional trim installer, for best results. Their many years of experience have taught them countless techniques for getting the proper fit, without unnecessary wrinkles, sags, or other little imperfections. So unless you are experienced at installing reproduction automotive seat covers, check the yellow pages for a professional installer near you.

ALL	Pliers, professional quality	T4407U	25.25

Door Trim Panels

F1 thru F8, F100 thru F750

All panels sold as pairs. No door panels were offered from the factory in 1951 or 1952. The door panels listed below are an aftermarket style made of colored panel board. We can offer screws, our SOHSMS082, or button head clips, our A46126, to help with your installation as no attaching hardware is supplied. Whichever style you choose will require you to drill holes in the door panels & your trucks doors.

Trim clips required for installation are sold below.

51-56 Door Trim Panel

51-52	Brown	1C-23890-BRN	24.95 pair

F1 thru F8, F100 thru F750 (continued)

When you display your car with doors opened, you want everyone to see that your door panels compliment your interior trim. Combine a great attention to detail, using correct grain vinyl & colors matched to our other interior products & you'll agree that our new reproduction door panels look just like the originals did on the showroom floor. For a fast & easy way to make your car look terrific, install a pair of our beautiful door panels today! Note: armrests & any mouldings need to be transferred from your original panels on all of these.

48-56	NEW Kick panel trim strips, 2 pieces 22-1/4" long, cut to fit, polished stainless steel	01A-7002354-SS	50.95 pair

Door Arm Rests

Armrests are just about always split & cracked with age, with the grain pattern worn smooth from years of constant contact. Put brand new armrests on your door panels for that brand-new-car look, as well as comfort!

Our reproduction 1948-50 armrests consist of three separate pieces; a plastic base, a molded rubber pad & a metal bracket. The bases are exact reproductions of the originals with every curve & detail included. The metal bracket attaches the pad to the base & that assembly attaches to the door panel, all with brand new hardware. Finally, the molded rubber pad is shipped to you without any covering so you can have it upholstered to match the rest of your interior.

48-50	Fits F1 thru F3, mounting hardware included (shown)	U4850PR	60.95 pair
51-56	Fits F1 thru F3, F100 thru F350, mounting hardware included	BAAA-8124141	60.95 pair

Made with a steel core for strength & better mounting ability, our armrests feature correct grain vinyl & a solid foam filling for the original padded feel.

Door Storage Compartment

Ford recognized the lack of storage space in their pickup trucks & created this neat accessory back in 1961. Designed to fit in the lower part of the door, you just remove the access panel & slide these storage compartments in. They fit perfectly & with the chrome plated surround & factory correct mounting screws, they look great too.

61-66 3" deep x 12" high x 20-1/2" wide, includes fully assembled storage compartment, chrome surround & mounting screws & clips . . . . . C5TZ-8120130-PR 194.95 pair

Seatbelts

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch & are available in 10 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts & basic instructions on how to install. The 60" size is standard, for a little extra breathing room, order the 74" length. These seat belts do not include instructions on where to mount. Proper installation is at the risk & responsibility of the customer.

Truck Carpets

MAC's premium carpet sets are simply the finest carpets money can buy. Made with only the highest quality materials, they are just like the O.E.M. carpets installed at the factory. These color-fast carpets are a top quality loop pile or 100% nylon cut pile for originality & providing superior wear resistance & durability. Flip the carpet over & you'll find 36 oz. Jute backing is applied to keep down road noise & help insulate your interior. A color coordinated heel pad is standard & since the dimmer switch wasn't always in the exact same place, an easy to install dimmer switch grommet is provided separately. Unlike the originals, our carpets cover the entire cab floor so you get a more finished look.

When ordering carpets we will need the following information

1. The year, make, and model of your Pickup
2. Is your transmission automatic or manual, is it column or floorshift
3. Is it 2-wheel or 4-wheel drive
4. If it's a 1965–1979 with 2-wheel drive & automatic transmission, does it have a C-6 transmission
5. Which color you need

Pickup Carpet Color Choices

Rubber Floor Mats

These US-made rubber mats are the original design & have openings cut into them to fit pedals. Note: over time the original molds have developed small flaws. Currently the sole manufacturer will not make new molds. Most customers find these mats to be acceptable, but MAC's will accept any returns, but unfortunately has nothing different to offer at this time.

48-52 Black, fits F1 thru F8. . . . . V44021 72.95

Insulation

MAC's carries insulation for every budget & level of restoration. We have several types sold in bulk pieces that are perfect for the economy minded restorer. They must be cut to fit, but can be used in most any application. The next steps up are sound deadener & heat shield die-cut kits. Being pre-cut, these kits greatly simplify the installation process. Finally, for the ultimate in insulation, the absolute best at damping road noise, all sold in kits that are pre-cut for every application, we have AcoustiSHIELD.

Jute Backing

This very popular item is used under the floor mat & other locations.

ALL 1/2" thick x 36" wide x 72" long. B13000 15.95

MAC's recommends the using this adhesive for attaching jute padding to metal or plastic.

ALL General trim adhesive, 18.1 oz. spray can, 3M brand. . . . . RSP29 * 14.75

** **HAZARDOUS MATERIAL**—can only be shipped by ground/ surface within the U.S. because of government restrictions.*

Dynamat® Sound Insulation

For years, we have been selling the original Dynamat & can boast hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat &, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!

ALL Dynamat® Xtreme, each piece is 18" x 32" *(as required)* DYNAMAT-0433 29.95

Body Insulation Sheeting

ALL Tar coated, original in style, for doors, trunk lid, etc., 36" x 96" x 1/16" piece . . V5010F 7.75

Firewall Insulation

A well-insulated firewall, transmission tunnel & floor pans are a must for any restoration or street rod. The V700770X insulation sheet, with its space-age reflective foil bonded on both sides, is rated R18.3 (700° F heat resistance). Can also be used in kick panels, inside door panels & under carpeting.

ALL 48" x 72" x 5/16" . . . . . V700770X 32.00 roll

Sound Deadener Kits

1/8" thick asphalt based mastic that is pre-cut making it easy to apply to your floor.

48-79 Regular cab. . . . . 4879-SOUND-REG 45.95 kit
73-79 Super Cab or Crew Cab . . . 7379-SOUND-CREW 58.95 kit

Heat Shield Kits

¼" thick jute padding attached to 2 layers of fiber reinforced aluminum foil.

48-79 Regular cab. . . . . 4879-HEAT-REG 45.95 kit
73-79 Super Cab or Crew Cab . . . . . 7379-HEAT-CREW 64.95 kit

Undercoating

To fill in the gaps between sound deadener sheets or firewall insulation, use this under coat. Its rubberized formula will protect, seal & insulate.

ALL Under Coat, 17 oz. spray . . . . . RSP49 * 9.95

** **HAZARDOUS MATERIAL**—can only be shipped by ground/ surface within the U.S. because of government regulations.*

Vinyl Flooring

If you want the ultimate in easy to clean, long lasting flooring, go vinyl. These 1/8" thick vinyl mats are molded to the floor exactly like our carpets & since they cover the floor from door to door & firewall to back wall you have complete interior protection. Pre-cut 36 oz. jute fiber is included for the passenger area to increase the amount of insulation against heat, cold & road noise. Remember, vinyl is much more resistant to temperature changes & moisture than rubber, so these mats will last & last. Call us to order yours today!

OS *Because of the size of the flooring, additional shipping charges will be incurred.*

61-73 Regular Cab, black vinyl 6173-VINYL-REG 159.95
1973 Crew Cab, black vinyl 1973-VINYL-CREW 204.95

Does your lighter light? How about that turn signal lever, does it function properly & then cancel itself when the steering wheel is turned? How do those ashtrays look? Do you have to lift up on the shift lever to activate the neutral safety switch?

Never fear, MAC's is here, with lots of switches, bezels, knobs, levers, harnesses, speedometer parts, grommets & more for your pickup. That big beautiful Ford dash just sits there, right in front of your face, every time you get behind the wheel.

So brighten the look & restore the proper function of the many gauges, switches, knobs & relays in your dash with brand new quality parts & enjoy your time behind the wheel just a little bit more!

Padded Dashes & Dash Pad Covers

Vinyl Protectant

Keep that dash pad looking brand new for years to come. Protect your new dash pad from harmful UV rays with our Raggtopp™ vinyl protectant. It's so easy to use; just spray it on, wipe it dry & you're done. It is specially formulated to repel dust, dirt & grease, plus it contains no silicones so it's not slippery to the touch when it dries. Packaged in a convenient 16 oz. pump spray bottle.

Oil Pressure Sending Units

Keeping tabs on the vital fluids in your engine is important. Most of the time when the dash gauge doesn't work it's the sending unit that is at fault. Remember to use some teflon tape on the threads when you are replacing the sender, (but be sure not to let the tape extend beyond the threads & interfere with the sensor portion of the sending unit!)

Water Temperature Sending Units & Parts

Your little water temperature sending unit has the vital job of keeping you informed of how things are going inside the critical water jackets of your engine & is your best tool for avoiding a dangerous overheat condition. Be sure that corrosion & age don't keep your sending unit from functioning properly & make sure that all wiring is properly connected & in good condition. Replace that old unit with a fresh new one, for reliability & general peace of mind.

Flathead V-8s use 2 senders. 8A-10884 is a single contact & 8A-10990 is a double contact. They are wired together in a series circuit.

48-55	6 volt, V-8, single terminal for right side cylinder head, F1 thru F9, F100 thru F900	8A-10884	49.50
48-53	6 volt, V-8, double terminal for left side cylinder head, F1 & F100	8A-10990	49.50

54-56	Press in type for V-8	B4A-10911-A	14.95

Instrument Cluster Constant Voltage Regulators

The constant what?? Very few people are even aware that their pickup has one of these until it goes bad. If all the dash gauges read the maximum then this is the culprit. Its job is to feed a constant stream of lowered voltage to your gauges, when it fails the voltage is allowed to increase & all your needles are pegged to the right. It is located on the back of the instrument cluster. If you have a problem with just one gauge, then it's likely the sending unit or the dash gauge.

57-66	F100 thru F250	B9MZ-10804-C	24.95
67-69	F100 thru F350	C6DZ-10804-A	29.95

Speedometer Cable Core & Tool Kit

If your cable is broken & no cable assembly is available, install a new core! Just measure your original housing to make sure our 70" core will work. Each kit supplies you with a 0.130" diameter S.A.E., O.E.M. standard, multi-wire coiled cable with 0.104" squared end, universal metal tip, spacer washer & tool for attaching the tip to the cable. Simply cut to the required length, attach tip, lubricate & install. See cable lubricant listed below.

48-79	70" long, includes installation tool	FAC-17262-KT	8.95 kit

Speedometer Cable Lubricant

ALL	Speedometer cable lubricant, graphite in oil formulated especially for long-life, all-temperature lubrication of speedometer cable	A17260L	2.50

Speedometer Cable & Gear Parts

56-60	Speedometer cable firewall grommet (shown)	48-17265	2.95
57-62	Speedometer gear spacer, F100 thru F350, ***limited availability***	8J-17288	10.95
67-72	Speedometer cable to firewall seal	C6TZ-17261-A	4.95
48-66	Speedometer drive gear seal, "O" ring seals transmission case where speedometer cable attaches to gear (shown)	1A-17298	2.95

73-79	Speedometer driven gear retainer clip, F100 thru F350, ***Genuine Ford*** (shown)	C1DZ-17292-A	0.95
73-79	Speedometer case gasket, F100 thru F350	C9MY-17303-A	7.95

Speedometer Driven Gears

Always count the number of teeth before ordering. The driven gear fits onto the end of your speedometer cable where it goes into the transmission.

61-79	21 teeth, red, type 3A, ***Genuine Ford*** (shown)	C4OZ-17271-A	9.95

Glove Box Liners

Consider yourself lucky if you have any glove box liner at all. They were made of cardboard & didn't react well when we jammed sunglasses, a couple of pens, some pencils (because the pens never worked), air pressure gauges, matches, the owners manual & about 10 maps in there. We have brand new glove box liners, all with stainless steel clips already installed. Order yours today!

48-52	Glove box liner, approximately 12" deep, please measure to verify this will fit	7C-43000	14.95
53-55	Glove box liner	BAAA-8106010	14.95

Take a good look at your windshield seal … does it have tiny cracks & is it not really jet black anymore? If your answer is yes, you are looking at sun-damaged, dry-rotted rubber. Chances are your rear window seal & door seals are in the same condition. Our cab weatherstrip kit includes all 3 seals & is just what you need.

Call us today so we can send this money saving kit right to your front door.

Cab Weatherstrip Kits

Each $UPER $AVER kit includes a windshield seal, a rear window seal & a pair of door seals.

We carry the best adhesive you can buy to help secure window, roof & trunk seals to your car.

ALL	Door seal & felt glass channel adhesive, black, 3M brand, 5 oz. tube RSP28		8.75
ALL	Trunk lid seal adhesive, yellow, 3M brand, 5 oz. tube. RSP89		7.95

To help get your seals & weatherstripping separated from the glass, use this! Loosen up tough, hardened old glue & weatherstrip adhesive, with this terrific quick release agent. It makes quick & easy work out of an otherwise miserable job. Your new weatherstripping will have a better fit when the buildup of old glue is removed. Get rid of that old glue the easy way, with quick release agent from MAC's Antique Auto Parts.

ALL	14 oz. spray can . . . . . RSP958 *		10.95

* ***HAZARDOUS MATERIAL*** *- can only be shipped by ground within the U.S. because of government safety regulations.*

MAC's has assembled as exhaustive a selection of weatherstripping as possible—one of the largest on the market today. While not the most exciting of parts, these seals are some of the most important pieces to your restoration, as nothing could be worse than when you think you are finally done to have the elements come raining in all over your new interior!

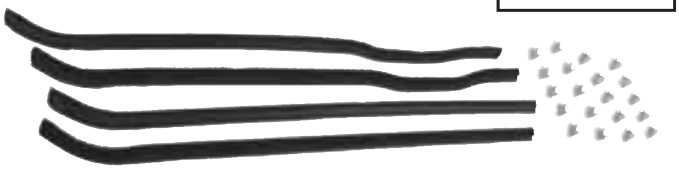
MAC's is your one-stop source for quality weatherstripping for your Pickup!

Belt Weatherstrips

Belt weatherstripping is what keeps water & other debris from going down into the door cavity & rusting out the door bottom. After 40+ years of opening & closing the windows these weatherstrips are usually pretty worn out. Get rid of the rattles & stop the leaks - replace them now using our economical kits!

NOTE: *These are the strips that go inside & outside of the door window glass.*

Mounting clips are included (you install on 1948-1952, pre-installed on 1953-1972).



Kits

Right & left door, inner & outer weatherstrips.

Door Seals

MAC's door seals are made from the finest weather-resistant extruded sponge rubber. The molded ends are heat-bonded, not glued, to the extrusion. Metal inserts are used as original. Seal sets or pairs will do all door windows on your car.

To attach these seals we recommend using our RSP28 adhesive, listed on the previous page.

48-52	Door seals with instructions, includes seal at bottom of door, uses retainer 7C-8120712-PR listed on the next page	8C-8120530-PR	49.95 pair

Door Window Glass Runs

These door window glass runs start at the vent window, run across the top of the glass, down the back edge of the window & into the door shell. Your glass rides in this channel. When it becomes worn your glass will be able to move in & out & rattle when you are driving. Keep your windows quiet by installing a new glass run right away!

Vent Window Seals & Parts

Vent Bar Channel Assemblies

The front of your door glass slides up & down in this channel. When it gets worn your door glass moves back & forth & rattles all day long. Install a new vent bar channel or vent bar channel insert & your ears won't believe the difference! These are not universal vent bar channel assemblies. All brackets are installed, as is the back-of-vent-window seal, just like the originals.

Vent Window Seals

Because they are used quite often, vent window seals are usually so worn that they leak water & air. Keep water from staining your door panels & stop that annoying whistling at highway speeds by replacing those vent window seals today, you'll be happy you did. To seal the whole vent you will need to purchase both the window seal & the back edge seal listed on the next page. Back edge of vent window seals sold separately & listed below.

Seals for Back Edge of Vent Window

This is the piece of rubber that your vent window closes against, it is usually distorted & doesn't seal. Put one of our freshly manufactured seals in place & keep the water & wind noise at bay.

Nothing can improve the look of your car faster than brand new emblems! How are yours? If the chrome is kind of dull, the colors are worn off or they are missing altogether, think MAC's. We carry nameplates & emblems for nearly every year & model. Place an order today & we'll get those emblems to you.

Hoods

All hoods are shipped in special boxes to avoid damage. These boxes are too large to be shipped by U.P.S. & must be shipped by truck directly from the factory. There is a special boxing charge of $10.00 per hood. The truck delivery charges are C.O.D., which means you must pay truck delivery charges to the driver when delivered. However, the hoods themselves & the special boxing charge must be pre-paid. Boxing charges apply whether shipped or picked up at our store. Truck rates begin at a 100-pound minimum & increase depending on weight & distance from MAC's to your "ship-to" address. Minimum charges are $100.00 & high charges could be $125.00 or more. Trucking companies also charge about $25.00 for a residential delivery & about $25.00 more to notify you by telephone about your delivery, if you request notification.

Fiberglass Front Fenders

MAC's is proud to offer the most expertly crafted fenders available. Only the best fiberglass & the highest quality resins are used in the manufacturing process. Paying attention to small details like rolling the edges of wheelwells to provide added strength lets you know that we are serious about selling the best made, best looking products on the market today. Please see the Fender Shipping note below.

FENDER SHIPPING NOTE:

Some fenders must be shipped by truck because of their size. All truck freight fees (ranging from $100.00 to $125.00) must be paid to the driver, either cash or money order, on delivery (C.O.D). In addition, the trucking company might also charge for a residential delivery ($25.00) or if you request a telephone noification of delivery ($25.00). The fender itself must be pre-paid & might have a $10 boxing fee.

Front Fender Patch Panels

Patch panels are stamped from 19 to 20 gauge cold-rolled steel, unless noted otherwise. All sheet metal requires "fitting" for proper placement. All sheet metal requires welding to accomplish installation. Painted or otherwise modified sheet metal is not returnable, regardless of the reason.

1967-1972 Cab Parts *(continued)*

Rocker Patch Panel

Patch panels are stamped from 19 to 20 gauge cold-rolled steel, unless noted otherwise. All sheet metal requires "fitting" for proper placement. All sheet metal requires welding to accomplish installation. Painted or otherwise modified sheet metal is not returnable, regardless of the reason.

***NOTE:** The rocker panel listed below does not curve up the door post like O.E.M. panels.*

MAC's carries steel or fiberglass running boards in the ribbed style for the restorer who wants an original look. For those of you who are adding some custom touches, we also have smoothie style running boards. Don't be the guy with the sagging, dented & bent running boards. Bolt on brand new running boards & make your truck the one everybody looks at & nods in approval.

All of our running boards are for the short bed pickup & panel truck. We do not have any running boards for the 8' long bed pickup.

Short Bed Steel Running Boards

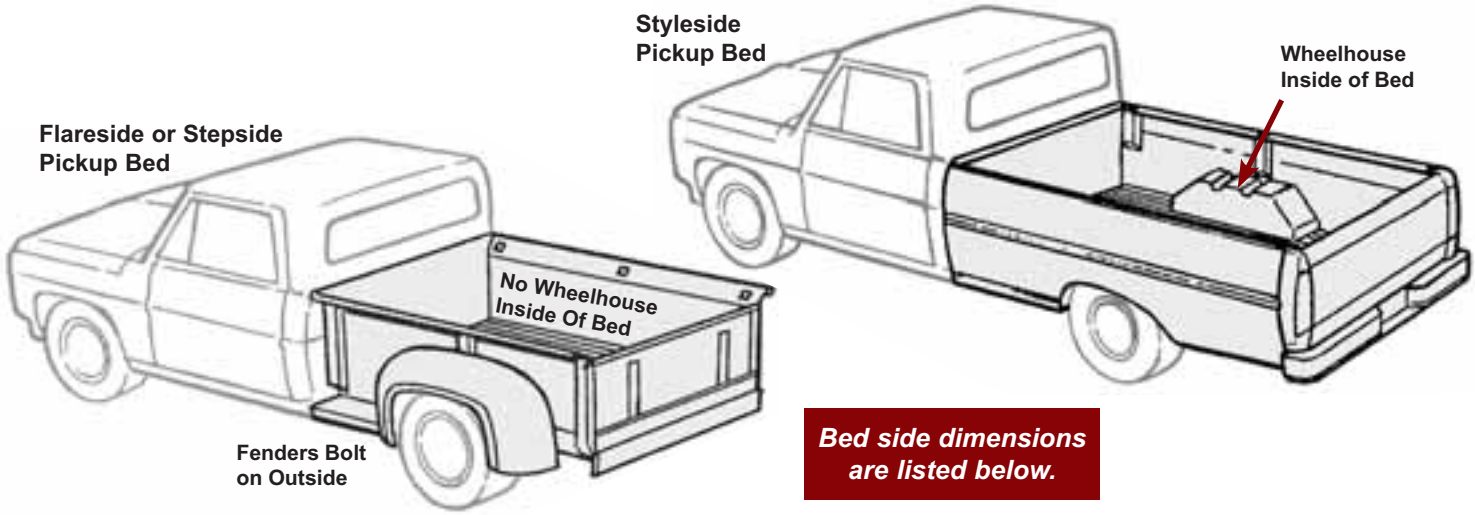
Flareside or Stepside Pickup Beds



Bed side dimensions are listed below.

The unassembled & assembled pickup beds below include stake pockets. Please advise us when ordering if you want the stake pocket holes "punched out". Also, you must advise us at time of order if you want a stock steel floor or an oak wooden bed floor. There is a $100.00 crating fee for unassembled & assembled pickup beds.

All of the assembled & unassembled pickup beds are crated & shipped from the factory by truck, with shipping charges COD. Minimum charges are $200.00, average charges are $300.00–$375.00 & high charges could be $600.00 or more. Beds picked up at the store will be charged for shipping from the factory only.

ALL OF OUR PICKUP BEDS ARE THE SHORT (6-1/2') BED

Flareside Pickup Beds, Assembled

The kits listed below include: Bed sides, front bed panel, crossmembers, tailgate, stake pockets, hardware & chains. The bed for 1948-1950 is offered with an original metal floor or you can specify an oak wood floor & metal strips. The late 1950 & newer beds come with an oak floor & metal strips, as original. For 1950, please confirm bed side style with illustrations to the right.

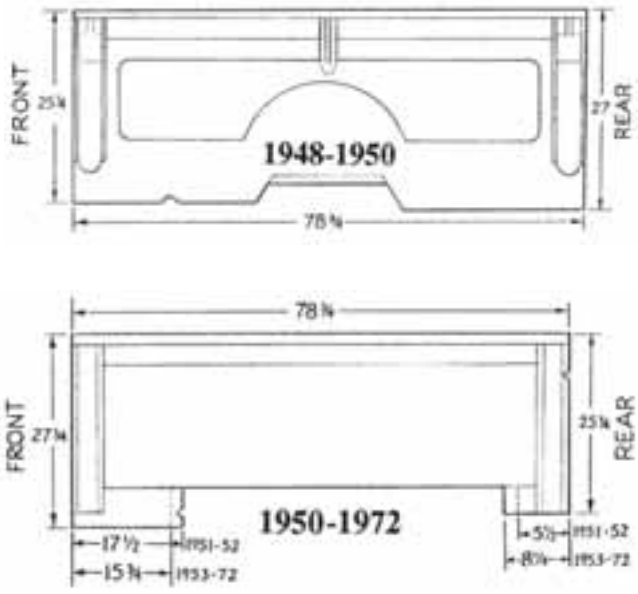
There is a 1–2 month wait time on the pickup beds.

48-50	Specify steel or wood bed at time of order	V78016G	2650.95
50-52	Please confirm bed style before ordering	21C-27840-ASY	1750.95
53-72	Flareside style box	BAAA-27840-ASY	2600.00

Pickup Bed Kits, Unassembled

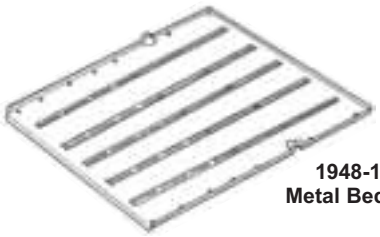
***Does not include instructions**. Do not purchase unless you have an old bed to use as a pattern & are a talented welder. There is a 1–2 month wait time on the pickup beds.*

48-50	Specify steel or wood bed at time of order	V78015G	2050.95 kit
50-52	Please confirm bed style before ordering	21C-27840-KT	1500.00 kit
53-72	Flareside style box	BAAA-27840-KT	1525.95 kit



Metal Bed Floor & Parts

This metal bed floor is crated & shipped from the factory by truck with shipping charges C.O.D. Minimum charges are $175.00, average charges are $200.00-$250.00 & can be more. Beds picked up at our store will be charged for shipping from the factory. Crating fee of $125.00 for 21C-8311218-M also applies.



1948-1950 Metal Bed Floor

48-72 48-5/8" long, stainless steel 8C-8110609-SS 33.95

Bed Strips & Hardware

MAC's is pleased to offer every type of bed strip that is available today. First is the factory stock style. These strips are constructed from cold rolled steel just like the originals were. The second type is a step up to rust resistant stainless steel. The third type is that same stainless steel polished to a high luster. These first 3 are available in 2 styles: with pre-punched square holes or without any holes at all.

The fourth type is the new "WOW" Strips smooth look. It has no holes punched because it utilizes hidden T-bolts. The T-bolts are under the strip itself so no bolt heads show—it's just a beautiful smooth stainless steel strip from the front of the bed all the way back to the tailgate. Whether you are going for a stock restoration, a mild custom or just adding the improvements & the look that you desire, we have the type & style of bed strips you'll need. Call & place your order today & it will be on your doorstep before you know it!

Bed Strips for Short (6-1/2') Bed - with Square Punched Holes (7 required)

"WOW" Strips

We are proud to offer the best looking bed strips of all. The "WOW" strips use T-bolt type fasteners under the strip. No ugly bolt heads showing, no dirt, or even worse, rust rings around those bolt heads. The sliding T-bolts make adjustments simple & quick. For the latest, clean look for the bed of your pickup, "WOW" strips are the only way to go.

Pickup Bed Sides

All bed sides come with stake pockets unless otherwise specified. Please advise - with or without stake pocket holes. These pickup bed sides cannot be shipped by UPS. They can only be shipped by truck. Truck rates are C.O.D. You must pay shipping charges to the driver when he delivers these parts. Delivery rates begin at a 100-pound minimum & increase depending on weight. Rates also depend on the distance to your "Ship-to" address. Minimum charges are $175.00, average charges are $200.00-$250.00 & high charges could be more. Trucking companies also charge approximately $25.00 extra for residential delivery & approximately $25.00 to notify you by telephone about your delivery, if you request notification. The crating fee is $50-$125.00. Beds picked up at our store will be charged for shipping from the factory. Crating fees might apply.

53-72 OS Stepside front bed panel . . 8C-83000124-A 118.95

Bed Roll Plug

If you don't like the look of the open end of the bed roll, we have a solution that will look great. The Bed Roll Plug caps off the opening with polished aluminum. Simply slide it into the bed roll & you are done! It has 2 rubber "O" rings that serve a dual purpose, one, they hold it in place & two, they keep debris, water & dirt from getting inside the bed roll.

53-72 Polished billet aluminum, fits into the end of the roll at the top of the bed, Stepside or Flareside bed . . . . . B3C-27840-PLUG 29.95 pair

Bed Roll Light

Fill in that ugly bed roll opening with light! A 1-1/8" lens with an aluminum bezel fits neatly into the bed roll. Included are 2 LED light assemblies with wiring leads, 2 steel wire covers & an instruction sheet. Choose from red or amber & give us a call.

53-72 NEW 1-1/4" diameter, red lens . . . . . B3C-27840-RED 110.95 pair

53-72 NEW 1-1/4" diameter, amber lens . . . . . B3C-27840-AMB 110.95 pair

Rear Fenders

FENDER SHIPPING NOTE:

All Fenders must be shipped by truck because of their size. All truck freight fees (ranging from $100.00 to $125.00) must be paid to the driver, either cash or money order, on delivery (C.O.D.). In addition, the trucking company might also charge for a residential delivery ($25.00) or if you request a telephone notification of delivery ($25.00). The fender itself must be pre-paid & might have a boxing fee.

TAILGATE PARTS

Tailgates

Even if the rest of the bed is in presentable condition, the tailgate usually shows lots of "wear". We carry brand new stamped steel tailgates for most '48 thru '79 pickups. These beauties will enhance the look of your truck from the moment you install them.

OS ***All Tailgates are oversized.***

48-50 For 1950 models, we must know if the bracket for the chains is in the "Top of the roll" or "Below the roll", see the 1950 chain bracket identification illustration below (shown) 21C-40700 275.00

Going for a custom look? These new hinges were designed with that idea in mind. At only 1/4" wide, once painted they become almost invisible. Included are 2 hinge plates, 2 nylon hinge trunnions, 2 polished stainless steel button head bolts & 2 stainless steel toothed washers. Be aware that this does require welding skills to install, but comes with instructions. Also be aware that this will improve the look of your truck & bring a broad smile to your face

Door Latch Reinforcement

If the holes for your door latch screws have cracks around the edges MAC's has a quick & easy solution using special countersunk reinforced washers & self-locking screws, our Door Latch Reinforcement Set will remedy the situation in just minutes.

48-72 Enough for both latches . . . . . .356782-REINF 6.95 set

Door Hinge Pins & Bushings

The pins & bushings are the most common parts of the hinge that need replacing. When they are worn out your door will drop when you open it. As a result, you might have to lift up on the door to make it latch properly. If this is the case, you need to order new pins & bushings. Each hinge requires one pin & two bushings. You might have to cut the pin to the correct length.

Bright, shiny new emblems & mouldings really complement a good paint job & add a sparkle to your car. Although it's a shame to put old, faded & pitted emblems back on a new paint job, even old paint can benefit from bright new trim pieces.

*The cost of replacing your old emblems & mouldings can be pretty intimidating, but there are many benefits to the process. Even though not every metal trim item is currently available, the restoration professionals at MAC's Antique Auto Parts are striving to provide you with the finest parts that **are** available.*

Order the emblems & mouldings you need today & keep an eye on MAC's catalog & Web site for new items as they become available!

1973 thru 1979 rocker mouldings on pickup trucks were made up of 5 separate pieces. The first piece was on the front fender behind the wheel well, the second was on the door, the third was a separate piece for the cab corner & finally on the bedside there were two - one in front & one behind the wheel opening. These beautiful reproductions are made on the original Ford tooling so you know the fit is perfect & the look is right on the money. Call for yours today!

All 73-79 rocker mouldings include all the necessary fasteners.

PUT THE POWER BACK IN YOUR FORD 6 OR 8 CYLINDER ENGINE!

Restore the kind of power that Ford Motor Co. engines are famous for, with new top-quality replacement parts. MAC's sells parts ONLY for Ford & Mercury engines & our years of experience have discovered the parts that will work best for your car. We have searched for the finest quality components & for sources that will allow us to offer you excellent pricing. Get the pistons, valves, timing sets, camshafts, rings, oil pumps, cylinder sleeves, bearings, gasket sets & other parts that you need for a top-notch engine restoration. So, whether you have a 239 Flathead, a 302 or even a 460 V-8, call MAC's today!

How many do I need to order? All engine components listed are sold "each" except: (count how many your car uses now)

***SET** = 1 set does one engine (piston rings, camshaft bearings & main bearings).*
***PAIR** = 1 pair makes one unit (split items, such as connecting rod bearings = order one pair for each connecting rod & valve keepers = order one pair for each valve stem).*

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL NEW 4 oz. bottle . . . . . ZDDPLUS 9.95

239 Flathead V-8

Pressure Testing Kit

Before you start to rebuild your flathead engine, do what all the top notch professionals do – pressure test your block. Pressure testing can find leaks & cracks that even magnafluxing can't. You need to provide an air compressor, but beyond that you'll find everything you need in this handy kit.

48-53 Includes metal plate, bonded neoprene gasket, bolts with sealing washers, water pump plate with pressure regulator & attachments . . . . . V6010PT 275.45 kit

Tappet Wrench

48-53 Adjustable tappet wrench 91A-6500-WRN 8.95

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL NEW 4 oz. bottle . . . . . ZDDPLUS 9.95

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL NEW 4 oz. bottle . . . . . ZDDPLUS 9.95

With all of the vibration, stress & pressure, it is a wonder that any timing set can survive within a Ford engine short-block assembly. Part of the problem is the fact that the original engine designers must create an engine that will keep everyone happy. Therefore, they design a timing set with plastic gears & a light-duty timing chain, so it will be very quiet & rather mellow for folks in their "golden years". On the other hand, these parts must also hold up under performance conditions with younger drivers. What is the best solution for restorers & rebuilders? Call the restoration pro's at MAC's Antique Auto Parts & order the engine parts that will best fit your needs!

NOTE: Some engines used a spacer on the camshaft. It is not required for these applications, as this gear has the spacer cast into the hub.

An oil pump that works properly, circulating oil to those precious bearings as well as the rest of your drivetrain is vital to the life of your engine. All of the pumps listed below are brand new!

New Oil Pumps

48-53	V-8 239 flathead, 80 psi high output, no pickup screen, to convert to a long body you'll need an oil pickup (8RT-6615) & an oil screen (41A-6623) (shown)	8BA-6600-HO	210.00
48-53	V-8 239 flathead, with helical gears, to convert to a long body you'll need an oil pickup (8RT-6615) & an oil screen (41A-6623)	8BA-6600	135.00
52-53	6 cylinder 215	B4AZ-6600-A	96.95

55-64	V-8 272 & 292, for rotor-type pump only (shown)	B7S-6600-8KT	29.95 kit
61-63	6 cylinder, from 12-2-60, shaft diameter .5655, .5650	C2AZ-6600-6KT	33.95 kit
65-76	V-8 352, 360 & 390 (shown)	COAZ-6600-8KT	18.95 kit
65-79	6 cylinder 240 & 300	C5AZ-6600-6KT	25.95 kit
73-79	V-8 460	DOAZ-6600-8KT	23.95 kit
77-79	V-8 351M & 400	DOAZ-6600-8KT	23.95 kit

Oil Pump Drive Shafts

A frozen oil pump will twist your oil pump driveshaft, so if you are replacing your pump with a new one, or rebuilding your original, don't take a chance, replace the driveshaft at the same time.

55-61	6 cylinder 223, before 12-2-60	B9A-6A618-A	7.95

57-79 NEW Magnetic steel to pick up any loose metal particles, includes nylon washer. C3AZ-6730-M 2.95
57-79 Gasket, nylon C2OZ-6734-A 2.95

Spin-On Oil Filter Conversion Kits

If you are tired of the mess that a canister filter setup can create, you will be happy to find out that we have the solution for your Flathead V-8. Our spin-on oil filter conversion kit is simple. It features a powder coated bracket & a machined aluminum housing along with 2 brass compression fittings & a threaded insert. It attaches to the cylinder head in the factory location utilizing existing head studs or bolts. Plumb in the 2 lines & you're ready to head on down the road.

1948 NEW Flathead V-8, filter is included 89A-6731-KT 125.95
49-53 NEW Flathead V-8, filter is included 8A-6731-KT 125.95
48-53 NEW Oil filter for above conversion kits, ***Motorcraft*** 8A-6731-M 7.95

For the 6 cylinders & Y-Block 8 cylinders, it's even easier. Consisting of only 3 parts, once the original parts are removed & everything is cleaned up, this kit installs so quickly & easily that you will be up & running in no time at all. You get the adapter plate, a threaded insert, gasket & easy to follow instructions. Uses our C1AZ-6731-M filter or equivalent (not included).

52-64 NEW 6 cylinder, 3 pieces . . . . . .B7A-6882-A 29.95 kit
54-64 NEW V-8, 3 pieces . . . . . .B7A-6882-A 29.95 kit

In the final analysis, it will be the little detail items that will make the difference in any restored Ford. "Little parts", like the oil dip stick & oil filler cap work together to show judges & casual onlookers alike, that you have paid attention to the details.

Call us now, to get the advice & parts you need to restore your fabulous car back to its original glory!

Oil Dipsticks

Now you can replace that bent, corroded or broken off dipstick tube with a reproduction that would make Henry Ford proud. Some are available chromed for that "extra" little dress-up under your hood!

49-53 Oil dipstick, painted, V-8 . . . . . .8BA-6750 19.95
49-53 Oil dipstick, chrome, V-8 . . . . . 8BA-6750-CH 24.95

48-53 Oil dipstick tube, V-8 239 flathead (shown) 48-6754-B 6.40
54-60 Oil dipstick, V-8 239 overhead valve, 272 & 292 . . . . . .B9TE-6750-B 18.95

Oil Filters

Everyone knows the importance of changing your oil regularly in your daily driver. It's important to do the same with your classic car. Nothing benefits an engine more than fresh oil & a new filter free from dirt & sludge. So give us a call, whether you have a canister type or a spin-on style, we'll be happy to send you a premium quality filter right away!

6 Cylinder

Sealers

Replaces almost any cut gasket.

ALL Permatex "Form-a-Gasket", silicone, 3 oz. tube RSP50 4.95

ALL All-purpose gasket sealant, 4 oz. can with brush in lid, This is a general-purpose gasket maker & sealant, it works well with cork & paper gaskets, locking out fuel, anti-freeze & oil. . . . . .RSP25 * 5.45

* ***HAZARDOUS MATERIAL*** *- Can only be shipped by ground/surface within the U.S. because of government regulations.*

Used to replace cork, rubber, silicone, felt & other cut gaskets to form a leak-proof seal. Resists oil, grease, water, antifreeze mixture & transmission fluid. More flexible than conventional gaskets, it can be used on water pumps, exhaust manifolds, valve covers, timing gear covers, transmission pans, water neck outlets or any place a high-performance gasket is needed.

ALL Gasket sealer, , 3 oz. tube A5251SEAL 4.95

Fills in small scratches & imperfections, eliminates hot spots & prevents seizing of connections & fittings, resists heat up to 525°, use on exhaust manifolds, cylinder heat gaskets & carb base gaskets.

ALL Head gasket sealant, 9 oz. spray can . . . . . .RSP32 * 8.15

Quickly removes all types of baked-on gaskets, adhesives & sealants.

ALL 12 oz. spray can . . . . . .RSP52 * 5.95

* ***HAZARDOUS MATERIAL*** *- Can only be shipped by ground/surface within the U.S. because of government regulations.*

Permatex Anti-Seize Lubricant

A blend of aluminum, copper & graphite lubricants. Perfect for easy removal of spark plugs & cylinder or exhaust head bolts.

ALL NEW 1 oz. tube RSP102 3.95

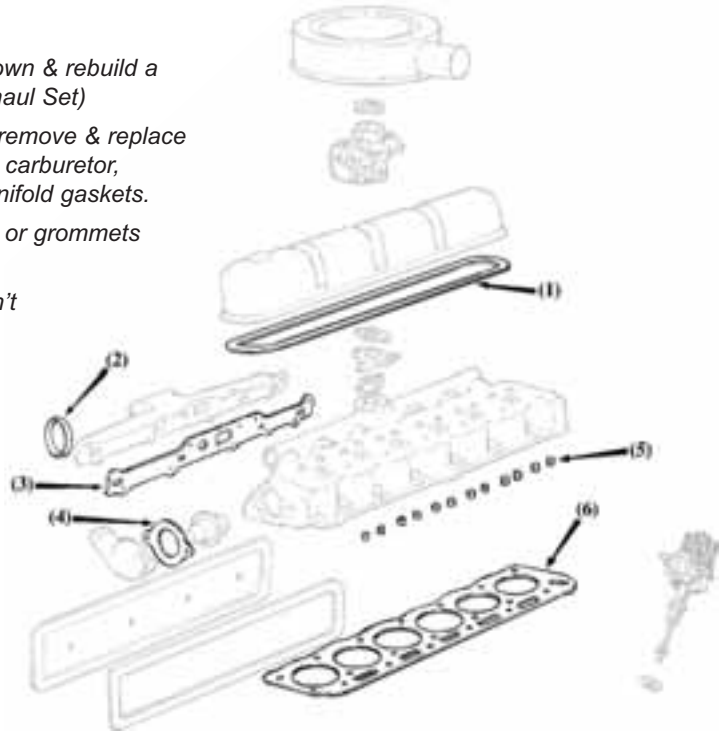
6 CYLINDER GASKET SET CONTENTS:

Overhaul Set : *All the gaskets necessary to completely tear down & rebuild a complete engine. (Head Set + Conversion Set = Engine Overhaul Set)*

Head Set : *Contains all necessary gaskets & seals required to remove & replace the cylinder head(s) & to grind the valves. DOES NOT contain carburetor, carburetor PCV adapter block, or large tin "bathtub" intake manifold gaskets.*

Valve Cover Set : *Contains valve cover gasket(s) & any seals or grommets required for installation.*

Timing Cover Set : *Includes special oil pan "ends" so you don't have to drop the pan to reseal it.*



TYPICAL 6 CYLINDER ENGINE GASKET & SEAL LOCATIONS

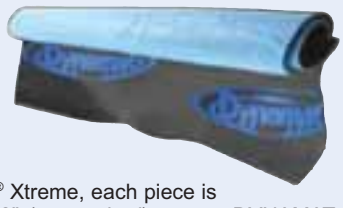
Insulation *(as required)*

Dynamat

For years, we have been selling the original Dynamat & can boast hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat &, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!



ALL Dynamat® Xtreme, each piece is 18" x 32" *(as required)* DYNAMAT-0433 29.95

Jute Backing

Used under floor mat, this synthetic jute is a very popular item with many application usages.

ALL 36" x 72" x 1/2" B13000 15.95

Firewall Insulation

A well-insulated firewall, transmission tunnel & floor pans are a must for any restoration or street rod. The V700770X insulation sheet, with its space-age reflective foil bonded on both sides, is rated R18.3 (700° F heat resistance). Can also be used in kick panels, inside door panels & under carpeting.

ALL 48" x 72" x 5/16" . . . . . V700770X 32.00 roll

ALL Insulation sheeting, tar-coated sound deadener, 3' wide x 8' long x 1/16" thick, plastic V5010F 7.75

Have you ever thought about the incredible torque thrust & wear that a typical starter motor must go thru to start an engine? The starter drive unit must thrust the starter gear out to mesh perfectly with the teeth on the ring gear of your flywheel & then the small electric motor must spin over the crankshaft, pushing all those pistons up against compression. It's even worse on high performance or large cubic inch engines. Give your old starter a break. Replace it with one of these guaranteed quality starter motors.

New Starter Motors

No need to send in your old, tired core to be rebuilt, these starters are brand new! Available in 6 volt & 12 volt versions, they have a modern Bendix starter drive (B11350M) already installed & are perfect for your flathead V-8. Give us a call & step up to modern reliability today.

49-53 With a modern bendix starter drive installed, V-8, 6 volt 18-11002-N6 169.95

49-53 With a modern bendix starter drive installed, V-8, 12 volt 18-11002-N12 169.95

NOTE: It might be necessary to file a small amount (.010"-.015") off the outer sleeve (gold sleeve.) This will enable getting past the flywheel ring gear

Remanufactured Starter Motors

Our remanufactured starter motors are sold on an exchange basis. If we do not have your rebuildable core before we ship, the listed core fee will be charged. This fee will be refunded if an acceptable core is received within 90 days of your purchase date.

48-53 6 volt, V-8, **except** 60 HP, ***core fee of $100.00*** 18-11002 149.00

Script Batteries

What item under the hood do classic car owners most often overlook? You're right, it's the battery. We now have the perfect addition to keep your classic "period correct". From the early "tar top" style to the later embossed hard rubber case batteries, we have them all. Call us today & we'll be happy to send one right to your door! All batteries are heavy-duty. They are shipped "Damp-Dri" from the factory & can be shipped by UPS. You provide the electrolyte, which you can purchase locally. A $45.00 shipping fee applies whether shipped to you or picked up at our store.

All batteries can only be shipped by ground/surface within the U.S. because of government regulations.

48-55	6 volt, 570 cold cranking amps, Group 2, ***"Ford"*** embossed on front, 10-1/4" long x 7-1/8" wide x 9-1/4" high, tar top with exposed lead straps, ***$45 shipping fee***	V10655C	280.95
48-55	NEW 6 volt, 660 cold cranking amps, Group 2N, ***"Power Punch"*** embossed on front, 10-1/4" long x 5-1/2" wide x 9" high, hard top with red battery caps **$45 shipping fee**	2N-POWERPUNCH	280.95
56-64	12 volt, 585 cold cranking amps, Group 29N, ***"Power Punch"*** embossed on front, 13" long x 5-1/2" wide x 9" high, tar top, ***$45 shipping fee*** (shown)	29N-POWERPUNCH	280.95
64-72	12 volt, 500 cold cranking amps, Group 24, ***"AUTOLITE Sta-Ful"*** embossed on top & front, 10-3/4" long x 6-3/4" wide x 9" high, molded case, ***$45 shipping fee*** (shown)	24F-AUTOLITE	328.95

Battery Hardware

Get rid of that rusty tray today! Call MAC's & we'll ship a brand new one to you right away.

ALL	Battery protector, seals terminals & prevents corrosion, cuts current loss, 5 oz. spray can	RSP15 *	3.95

**** HAZARDOUS MATERIAL - Can only be shipped by ground/surface within the U.S. because of government regulations.***

Good technicians will tell you that bad connections at the battery cable are among the most common causes of dozens of problems on motor vehicles. But this is even more evident among collector cars, because they are so seldom driven. Corrosion has plenty of opportunity to grow & weaken the electrical current flow. Just cleaning the terminals is often not enough to ensure a good connection, since the corrosion has a nasty habit of creeping way up inside the actual insulated cable. Don't take chances; replace your battery cables now.

Battery Replacement Cables

Battery to Ground Cables

Battery Shut Offs

The permanent solution. Install at a convenient spot & wire it in. The battery is disconnected with a simple turn of the lever.

ALL A14300D 24.75
ALL This style clamps onto your battery post. When you leave the car, simply unscrew the knob. Because the starter needs 150 amps, the fuse will blow if an attempt is made to start the car. A14300C 12.85

Battery Shut Off Bracket

ALL Bracket, for remote mount battery disconnect A14300DB 7.50

Voltage Reducers

If you switched your charging system to 12 volts but want to keep your original 6 volt gauges & accessories, you can. Our 1 amp reducers are made specifically for dash gauges. Their compact size allows you to attach them easily to the back of the gauges. For higher amperage loads we have reducers with 4 amp & 6 amp capabilities.

48-55 1 amp capability, allows you to run an original 6 volt gauge, one required per gauge, for water temperature, oil pressure & fuel. . . V12872 14.95

48-55 Reduces voltage from 12 volts to 6 volts, maximum load is 4 amps, instructions are included V12873 11.75
48-55 Reduces voltage from 12 volts to 6 volts, maximum load is 4 amps, 6 amp capability V12874 23.25

High Output Power Inverter

Positive ground, converts 6, 8 or 12 volt positive ground systems to 12 volt negative, 1-3/4" cube, with instructions, great for a radar detector, radio or CD & cassette players.

ALL 2.1 to 2.5 amps A10700AH 99.50

High Output Power Booster

Negative ground, converts 6 or 8 volt negative ground systems to 12 volt negative. 1-3/4" cube, with instructions, great for a radar detector, radio or CD & cassette players.

ALL 3.7 to 5.0 amps A10700BH 99.50

Accumate® Power-Charge System

***AccuMate®** is an advanced fully automatic battery charger & maintainer for all 6 & 12 volt lead-acid batteries. It will bring your battery to a full charge & then go into "stand by" mode. If your battery goes below a pre-determined level the charging process is immediately restarted. Uses normal 110 volt household current outlet. Not to be confused with a battery charger. Can be left unattended for months. A lamp will flash when the battery is fully charged. 2-year factory warranty!*

ALL Accumate®, 6 volt or 12 volt, great safety item 10655-TEND 64.95

Remanufactured Generators

You've got to check out our prices on remanufactured generators, you won't find a better product at a better price. These guaranteed quality remanufactured generators will look great on your engine & deliver years of reliable performance. Don't wait on the old unit to break down, call & order a rebuilt generator today. Core fees are listed below, kindly return your core within 90 days & we will gladly refund the fee.

These remanufactured generators do not include the pulleys. Pulleys are not presently available from MAC's.

48-53 35 amp, saddle mount,
$100.00 core fee 8BA-10002-A 139.95

PowerGen

Your friends will be fooled. They'll wonder why your headlights don't dim at idle. Tell them you have a secret. Tell them you stuffed an alternator into your generator housing. Tell them you have PowerGen - 75 amps at highway speeds, but most importantly, 60 big amps at idle! This is the new way to go - get the reliability of an alternator, but the classic look of a stock generator.

1948 NEW PowerGen, 6 volt positive,

Alternator Conversion Kits

MAC's is proud to offer the flathead V-8 alternator conversion units listed below. They come complete with the correct mounting bracket & pulley, for use with your original V-belt. The 40-amp, one wire alternator is easy to install & will help eliminate problems associated with your original generator. This means easier starting, brighter lighting & an extended battery life.

1948	NEW	6 volt positive ground	21A-10000-A6V	160.00
1948	NEW	12 volt positive ground	21A-10000-A12V	160.00
49-52		6 volt positive ground, with 5/8" width belt (shown)	8A-10000-A6V	163.95
49-52		12 volt negative ground, with 5/8" width belt	8A-10000-A12V	163.95
1953	NEW	6 volt positive ground, with 3/8" width belt	B3C-10000-A6V	163.95
1953	NEW	12 volt positive ground, with 3/8" width belt	B3C-10000-A12V	163.95

We also sell the pulleys as separate items.

48-52	NEW	Wide pulley, for 5/8" top width belts	8BA-10130	25.95
1953	NEW	Narrow pulley, for 3/8" top width belts	FAA-10130	25.95

Also, for fans of the Y-block, we have a kit for you as well. This one features a rebuilt 12 volt, 115 amp alternator. The pulley is installed & all the necessary mounting brackets & hardware are included. Just follow the easy step by step directions & you are well on your way to a steady, consistent charging system. Call for yours today!

55-64		12 volt negative ground, includes pulley for the narrow belt, brackets & mounting hardware	B4A-10346-KT	209.95 kit

NOTE: *the wide belt pulley needed for most truck applications is not available at this time.*

Remanufactured Alternators

*These remanufactured alternators are sold on an exchange basis & have a **$40.00 core fee**, which will be charged if your core is not received by the shipping date. The core charge will be refunded if an acceptable core is received within 90 days of the purchase date.*

65-72	Single pulley, 42 to 55 amp	10346-C	61.95
65-72	Double pulley, 60 to 65 amp	10346-B	61.95

Alternator Pigtail

65-72	Must be spliced into harness	C5AZ-10346-PT	5.95

Alternator Front Bearing

65-72	All, **except** 70, 90 or 100 amp alternator	8BA-10094	11.95

Alternator Rotor Assembly

65-79	Fits all Motorcraft alternators from 38 to 65 amps	C5DZ-10335-A	24.95

Alternator Bracket

70-72	Alternator bracket for 302, 351W & 351C, F100 thru F250	DOOZ-10156-A	19.95

Alternator Voltage Regulators, Replacement Type

65-79	F100 thru F350, can be used with alternators up to 55 amps (shown)	C3SZ-10316-B	25.95
73-79	F100 thru F350	D3TF-10316-M	32.95

When you consider how many different systems must operate within a distributor, you can easily see why they are so critical to the performance of any internal combustion engine.

First, there is the primary ignition circuit, then the secondary ignition circuit, the timing system, the vacuum system, the lubrication system…whew!

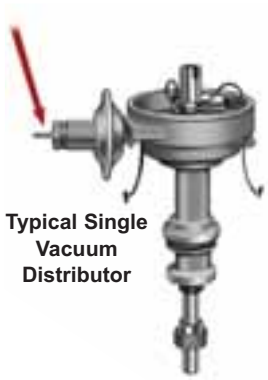
So many things can go wrong; it is amazing that they work as well as they do! Here at MAC's, we know how important it is for your classic to start, run & perform like a new car. Because we believe that the distributor is such a vital ingredient in the way your engine runs, we offer these exceptional quality remanufactured distributors.

Our quality control starts with the cores we use for remanufacturing, which ensures that you will receive a quality remanufactured unit when you place your order. Call today.

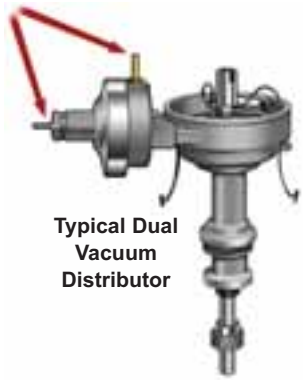
Remanufactured Distributors

The rebuilt distributors listed below are sold on an exchange basis with a $50.00 core fee unless otherwise noted. We must have your rebuildable core before we will ship. The $50.00 core fee will be charged if your core is not received by the shipping date. The core charge will be refunded if an acceptable core is received within 90 days of the purchase date.

Core charges will not be refunded if any of the following conditions are or become evident: 1) Housings are worn beyond repair, scored, cracked, rusted or otherwise damaged. 2) A non-Ford distributor is sent. 3) Any shafts are bent or broken. 4) The unit is disassembled.



Typical Single Vacuum Distributor



Typical Dual Vacuum Distributor

6 Cylinder

Distributor Primary Lead Wires

48-60	Primary lead wire for distributor, 6 & 8 cylinders, 22-3/4"	CODF-12216-A	12.95
57-67	Primary lead wire, 19" long, V-8	C5TZ-12216-A	4.95
67-69	Primary lead wire for 6 cylinder 240 & 300, 22-3/4"	CODF-12216-A	12.95

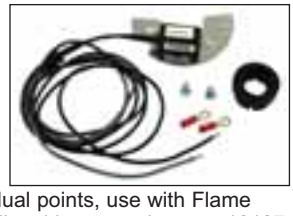
Distributor Ground Wire Assemblies

48-56	V-8, 4-1/2"	7RA-12264	3.95
48-64	6 cylinder, 4-1/2"	7RA-12264	3.95
67-69	6 cylinder 240 & 300, 4-1/2"	7RA-12264	3.95
70-79	6 & 8 cylinders with conventional distributor, F100 thru F350, 2-3/16" approximately length	D2AZ-12264-A	1.95

The "Ignitor" Points & Condenser Replacements

Never fight with another set of points again! Install "Ignitor" by Petronix, the breakerless electronic ignition module. Get longer plug life, better fuel economy & increased horsepower! For best results, use with "Flame Thrower" ignition coils listed.

49-74	6 cylinder, all distributors with hollow shaft (shown)	12127-1261	77.95
49-53	V-8, 6 volt positive ground systems	12127-1283-P6	88.95
49-53	V-8, 12 volt negative ground systems	12127-1283	79.95
54-56	V-8, 6 volt positive ground systems	12127-1282-P6	88.95
54-56	V-8, 12 volt negative ground systems	12127-1282	79.95
57-74	V-8, **except** dual points (shown)	12127-1281	75.95



57-74	V-8, **except** dual points, use with Flame Thrower II listed in next column	12127-91281	115.95
56-74	For GM engines, fits all Chevy V-8s from 58-74, all Buick & Pontiac V-8s from 57-74 & all Oldsmobile & Cadillac V-8s from 56-74. For GM Engines!	12127-1181	75.95

The "Ignitor II"

The latest technology from Pertronix—the "Ignitor II"! Still fitting entirely inside the distributor cap for a stock look, the "Ignitor II" is able to adjust for the best possible spark over the entire RPM range with its powerful new microcontroller. Monitoring the dwell constantly, it makes adjustments to maintain peak efficiency & gives your spark plugs up to 4 times the energy as a conventional points system. Requires the use of a low resistance (0.6 ohms) coil like our Flame Thrower II coil.

57-74	V-8, **except** dual point	12127-91281	115.95

Because of the popularity of GM engine swaps, we now carry the "Ignitor II" for those engines too!

GM Engines with Single Point Distributors

56-74	NEW V-8, Oldsmobile & Cadillac	12127-91181	109.95
57-74	NEW V-8, Buick & Pontiac	12127-91181	109.95
58-74	NEW V-8, Chevrolet	12127-91181	109.95

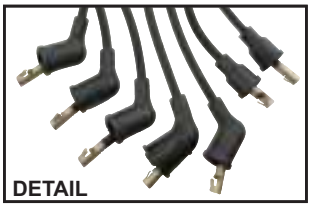
The "Flame Thrower" Ignition Coils

This is a high performance 40,000 volt ignition coil. It is the best coil to use with our Petronix "Ignitor" & "Ignitor II" breakerless pointers & condenser replacement.

56-74	NEW 6 cylinder, 3 ohm resistance, chrome	12029-40501	38.95
56-74	NEW 6 cylinder, 3 ohm resistance, black	12029-40511	34.95
56-74	V-8, 1.5 ohm resistance, chrome	12029-40001	38.95
56-74	V-8, 1.5 ohm resistance, black	12029-40011	34.95
56-74	V-8, chrome, use with Ignitor II	12029-45001	38.95
56-74	V-8, black, use with Ignitor II	12029-45011	34.95

The "Flame Thrower" Plug Wire Sets

Complete the package with premium grade "stock-look" Flame Thrower wires. These state-of-the-art wires feature two current paths for better performance & reliability.



56-64	6 cylinder (shown)	12259-706101	36.95 set
1962	292 V-8	12259-708104	43.95 set
65-68	352 & 390 V-8	12259-708105	43.95 set
69-74	360 & 390 V-8	12259-708104	43.95 set
70-74	302 V-8	12259-708105	43.95 set
75-76	302, 360 & 390 V-8	12259-708104	43.95 set

The ignition coil is where the high voltage, which fires your spark plugs, is created. A weak spark at the coil will result in weak ignition at the spark plugs, which can result in fouled plugs or other engine performance issues.

Take a look at the coil in your car. Is it very old? Is the metal case dented, damaged, swollen or rusted? What about the bakelite tower at the top? Are there any tiny cracks or chips around the crown where the distributor secondary wire gets inserted? Is there any corrosion inside the tip?

If you answered "yes" to any of the above vital questions, call now & get a brand new ignition coil. MAC's offers a correct-appearing reproduction coil with black body & mustard-colored top for restorers & a Flame Thrower® Petronix coil for high performance Ford lovers who want a little extra spark in their classic car.

Ignition Coils

48-55	6 volt, all black (shown)	A12000	19.45
48-55	6 volt, black body, beige top (shown)	8BA-12029-MT	22.95

58-59	6 & 8 cylinders	B8A-12250-A	7.95
1960	6 or V-8, replacement type (not shown)	CODF-12250	8.95

Your spark plug wires hang right up there where everyone who looks under your hood will see them & they must carry the high-voltage spark signal from the distributor to the spark plug, without losing any power along the way. That's a pretty tall job!

So how do you keep your spark plug wires looking good & performing perfectly? Install a brand new authentic reproduction spark plug wire set from the Ford restoration experts at MAC's Antique Auto Parts. These premium quality wires will look terrific on any classic.

Best of all, they're made from top grade materials under rigid inspection processes & will perform as well as they look.

Reproduction Spark Plug Wire Sets

These are newly manufactured parts made to appear like the O.E.M equipment. In some cases the availability of material, color, or reproduction techniques might have resulted in very minor differences from the original. These are not O.E.M. duplicates but are the closest reproduction available today.

48-51	6 cylinder, 226 "H" series, without spark plug boots (shown)	7HA-12259	29.25 set
49-51	NEW 6 cylinder, 226, with molded spark plug boots	B1A-12259-A	54.95 set
48-50	V-8, black	8BA-12259-ST	40.95 set
51-53	V-8, molded plug ends, black	1A-12259-WST	59.95 set
54-64	NEW V-8, 239, 272 & 292, with correct brown coil wire	B7A-12259	40.95 set
55-56	V-8, molded plug ends, black (shown)	12259-AST	71.95 set
1957	V-8, molded plug ends, black	12259-BST	71.95 set
1973	V-8, 302, molded plug ends	12259-26-ST	56.95 set

Replacement Spark Plug Wire Sets

These spark plug wire sets are not duplicates of the O.E.M. equipment. They are replacement style plug wire sets.

Water circulating throughout your engine is critical to its longevity. Don't take a chance on an "iffy" water pump, choose from our complete selection of new or remanufactured pumps & get that water moving to keep your engine cool! All of the water pumps listed below include the mounting gaskets.

FlowKooler® Water Pumps

Now you can easily bolt-on a higher flow water pump that will reward you with a cooler running engine & eliminate the horsepower robbing characteristics of your O.E.M. pump. Featuring an improved impeller design & much enhanced efficiency, the FlowKooler® pump could very well be the solution to your search for the ultimate in cooling your classic truck.

** These water pumps have been completely redesigned. They no longer have bronze bushings or carbon seals. They now have modern roller & ball bearings, coupled with ceramic seals, which insures you will have no more leaks! They also allow you to tighten your belt, which will cut down on overheating & power loss. What's the best part about these new water pumps? They look just like the original, for the purist in all of us!*

Mega Copper Sealant

It replaces cork, rubber or any other type of cut gasket to form a leak-proof seal. Exceeds O.E.M. standards, resists oil, water, antifreeze mixture, grease & transmission fluid, use it on water pumps, exhaust manifolds, valve covers, timing gear covers,transmission pans, water neck outlets or any place a high performance gasket is needed.

Thermostat Housings

Thermostat housings are usually made of cast aluminum & can therefore suffer serious internal pitting if old antifreeze is allowed to degrade over time & become corrosive. Leaks are common with gasket & hose connection areas of these small housings. This condition might require nothing more than new gaskets & sealer. If corrosion & pitting are present, you might need to replace the entire thermostat housing with one of these quality units.

The cooling system is one of the hardest working systems on any vehicle. When you think about the constant heat & pressure of coolant flowing thru hot water jackets, rubber hoses, the water pump itself & the radiator, it's easy to understand how leaks & other failures are so common. Yet when it's working properly, our cooling system is often "out of sight & out of mind." Keep a close eye on the many components of the cooling system on your car & keep your friendly & reliable Ford engine cool & happy!

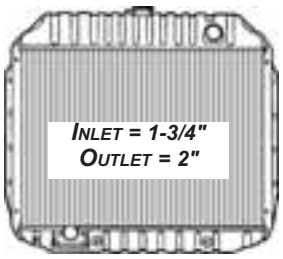
RAD-3766



Want to know an easy way to test a radiator for a leak? Remove it from the car & get an old bicycle tube (large diameter works best). Cut the tube in half, put one end over the upper radiator hose neck & the other end over the low neck.

Tighten hose clamps on each end, install the radiator cap & use the valve stem on the tube to pump in air from the air compressor. Then, put the radiator in one of those little baby wading pools. It works great!

OS *Because of the size of the Radiators, additional shipping charges will be incurred.*

Rear Flange

The standard radiator for 1975-79 varied in size & mount type. Four different sizes were used. You must measure your core size & determine your mount type & order accordingly. The four choices for these years are RAD-3651, RAD-3726, RAD-3727 & RAD-3730.

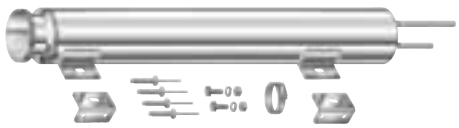
Radiator Water Overflow Tanks

All modern cars have radiator overflow tanks. Equip your favorite oldie with one of our stainless steel tanks & you'll wonder why you didn't think of it years ago. Polished to a mirror like shine, our tanks feature an aluminum cap with a leakproof "O" ring seal along with mounting brackets & hardware. The availability of 4 different lengths means they can be made to fit almost any application. So if you want to stop leaving precious coolant on the ground, call us & order your overflow tank today!



48-79	1-1/4 pint capacity, 13" (shown)	SR8006A	48.00
48-79	1-1/2 pint capacity, 15"	SR8006B	49.00

57-60	Air deflector to hood seal	B7C-8312	8.95

Walker Radiators

When only the best radiator will do, a radiator made by Walker is the only choice. With a one-piece deep drawn brass upper tank & a copper core, these radiators are built to last a lifetime. Featuring a brass drain cock & heavy gauge stamped steel side brackets, we even include the rubber overflow hose! All include a built-in oil cooler for automatic transmissions & are designed to operate with a 15 lb. pressure cap (listed below). These babies are ready to bolt in, so call & place your order today.

10 YEAR WARRANTY

***NOTE:** None of the radiators listed below are for a factory installed engine, they are designed specifically for later year small or big block Ford or GM engines.*

Fan Shrouds

All fan shrouds have multiple applications as Ford pickups had many cooling options that resulted in any number of different radiators being available for a given truck / engine combination. The best way to get the correct shroud is to use the stamping numbers from the original shroud & match them up to our listings. Unfortunately, many times the original shroud is long gone or you just want to add a shroud for its extra cooling capabilities. We have provided stamping numbers & dimensions to help you get a shroud that will fit your radiator. Please look at your old shroud for stamping numbers or use our measurements to get a shroud that will fit your classic & keep things cool for you & your truck.

Replaces Stamping Numbers: C7TZ-H, D2TA-HA or D3TA-JA, Mounting Holes 21-3/8" high & 27-1/8" across.

Radiator Cleaner

ALL	Permatex heavy-duty radiator cleaner, 1 quart	RSP27	12.25

Is your engine running hot? Cool it off with Water Wetter. Adding one 12 ounce bottle to 12 to 16 quarts of coolant can drop the operating temperature up to 30 degrees. Not only that, you will be reducing rust, corrosion & electrolysis in your cooling system. It's modern science for your classic car. Call us & place your order today.

ALL	NEW	12 oz. bottle	WET-H2O	9.95

FAN BELTS

A/C = Air Conditioning ***AP = Air Pump*** ***PS = Power Steering***
Alt = Alternator ***Gen = Generator*** ***WP = Water Pump***

A common fan belt problem occurs when belts jump off of pulleys, especially under hard acceleration. Belts are often ruined this way, being torn or stretched out of shape. Remember that all pulleys must be aligned exactly with each other. Your belt should look like a perfectly straight line, when you stand back & sight down the front edge of the belt from one pulley to another. If you notice a slight bend or change of direction in the belt where it passes into the groove of a pulley, it will probably jump off under high RPM's. Align those pulleys as perfectly as possible. You might need to replace a bracket, or use shims on mounting bolts. Whatever it takes, get those pulleys lined up correctly & your fan belts will live longer. Your Ford car will thank you.

When you stop to offer assistance to broken down show cars as often as we have, you learn what some of the more common problems can be. Amazing as it seems, fan belts are among the most common reasons for collector car breakdowns. Old fan belts often look to be in excellent condition, with little or no visible cracking & no appreciable wear. So, it's often tempting to reuse an old belt. But if a fan belt is several years old, it can be a problem just waiting to happen. When a belt fails you might lose the cooling action of the water pump &/or the battery charging benefit of the generator/alternator &/or power steering. This can lead to a dead battery, serious overheating problems & more. Put new belts on your classic Ford, for confidence when you drive. It's a good idea to keep a spare belt handy too!

Oil Filters

Everyone knows the importance of regularly changing oil in your daily driver. It's important to do the same with in classic car. Nothing benefits an engine more than fresh oil & a new filter free of dirt & sludge. Give us a call, whether you have a canister type or a spin-on style, we'll be happy to send you a premium quality filter right away!

6 Cylinder

Spin-On Oil Filter Conversion Kits

If you are tired of the mess that a canister filter setup can create, you will be happy to find out that we have the solution for your Flathead V-8. Our spin-on oil filter conversion kit is simple. It features a powder coated bracket & a machined aluminum housing along with 2 brass compression fittings & a threaded insert. It attaches to the cylinder head in the factory location utilizing existing head studs or bolts. Plumb in the 2 lines & you're ready to head on down the road.

1948	NEW Flathead V-8, filter is included	89A-6731-KT	125.95
49-53	NEW Flathead V-8, filter is included	8A-6731-KT	125.95
48-53	NEW Oil filter for above conversion kits, ***Motorcraft***	8A-6731-M	7.95

For the 6 cylinders & Y-Block 8 cylinders, it's even easier. Consisting of only 3 parts, once the original parts are removed & everything is cleaned up, this kit installs so quickly & easily that you will be up & running in no time at all. You get the adapter plate, a threaded insert, gasket & easy to follow instructions. Uses our C1AZ-6731-M filter or equivalent (not included).

52-64	NEW 6 cylinder, 3 pieces	B7A-6882-A	29.95 kit
54-64	NEW V-8, 3 pieces	B7A-6882-A	29.95 kit

Air Filters

Any engine will run better if it "breathes" better. A quick & easy way to improve the breathing ability of your engine is to replace the air filter. The quick fix for many is to use compressed air to blow the dirt out of the filter. Experts agree that in many cases this only imbeds the dirt deeper into the filter. Dial our number & talk to one of our experts—we'll get an air filter out to you as soon as you hang up the phone. Your engine will be happy you did.

6 Cylinder

Fuel Filters

Dirt in your fuel lines is a problem, if that dirt gets to your carburetor, it's a major problem. Once dirt gets into your carb, you might have no other choice but to rebuild it & that takes time & can be costly. Save yourself the trouble & expense, install a new fuel filter today. ***All filters are Motorcraft except our in-line filter, or unless noted.***

Don't see a fuel filter listed for your car? Our in-line fuel filter fits every car. Just plumb it into your fuel line & protect your carb from dirt & other contaminants.

No one wants to be stranded on the side of the road because of a rusting, leaky fuel tank. Replace your problematic tank with a quality stamped steel gas tank from MAC's. You'll have the peace of mind knowing that your new tank will be trouble-free for years to come. When installing your new gas tank, be sure to replace the sending unit "O" ring seal (on page 121). If we don't have a new tank for your car, try our Gas Tank Sealer (RSP22A). MAC's has been selling this product for years & our customers tell us how great it works. Known for its complete coverage, one can will do the trick, call & order yours today!

Gas Tanks

48-52 NEW Stamped steel,
47" x 17-1/2" x 8", 20 gallon 7C-9002 234.95

53-55 Stamped steel, 38" x 11-1/2" x 11-1/2",
fully baffled like original, 17 gallon,
fuel pickup fitting & ferrule included,
includes brass elbow for fuel line,
will not accept original sending units
but most aftermarket, including VDO
& Stewart-Warner, will fit. BAAA-9002 275.95

53-55 Stamped steel, 38" x 11-1/2" x 11-1/2",
17 gallon, just like the original,
fits original sending units. BAAA-9002-S 235.95

1956 NEW Stamped steel, 53" x 17-1/2" x 6",

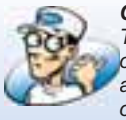
57-60 NEW Stamped steel, 53" x 13" x 5-1/2",
17 gallon B7C-9002 219.95

61-66 NEW Stamped steel, 63" x 13-1/2" x 6",
18 gallon C1TZ-9002 249.95



***CAUTION**: Gasoline vapors are extremely flammable! The removal of a gas tank poses serious risk of fire or explosion. NEVER use a regular incandescent light around gas tanks because gasoline could, if splashed onto it, cause a hot glass bulb to burst, which, in turn, could result in an explosion. If you are not certain about how to safely remove your gas tank, see a professional.*

OS *All gas tanks are oversized & require additional charges.*

73-78 Mounted AFT axle, 26-1/2" x 34-1/2" x 7-1/2",
19 gallon, check dimensions for application,
without emission hole, vent pipe is toward
the front of vehicle, will not fit camper special,
F100 thru F350 . . . . . D8TZ-9002-M 145.95

73-79 Mounted AFT axle, 26-1/2" x 34-1/2" x 7-1/2",
19 gallon, check dimensions for application,
with emission hole, vent pipe is toward
the front of vehicle, will not fit camper
special, F100 thru F350 . . . . . D5TZ-9002-B 110.95

Gas Tank Sealer

Put a stop to rust, leaks & corrosion permanently. Resistant to all fuels including phase II oxygenated fuels & alcohol. With its ability to bond to metal or fiberglass it can be used in a multitude of applications. Our 1-quart can is enough to treat several tanks.

ALL Gas tank sealer, 1 quart . . . . . .RSP22A * 24.25 quart

Fuel Stabilizer

The ideal formulation to add to the gas tank when storing vehicles for extended periods. It not only prevents varnish & tank corrosion, it has a no alcohol formula & will not attack rubber lines or diaphragms as many other fuel stabilizers do.

ALL 1 quart can, 1 oz. of this product will
keep 3 gallons of fuel fresh for at
least 3 years . . . . . .RSP101 * 28.95 quart

* ***HAZARDOUS MATERIAL** - can only be shipped by ground within the U.S. because of safety regulations.*

Gas Tank Straps & Hardware

53-55 Correct for stock stainless steel or poly-replacement tanks, sold as a pair, one strap is longer than the other as original & both are formed to fit the tank . . . . . TAAA-9054-PR 48.95 pair

73-79 For rear mounted 19 or 38 gallon tanks . . . . . D3TZ-9092 38.95 pair

73-79 Hex lock nut, 5/16"-18, F100 thru F250 *(2 required)* 379930-S36 1.95

Gas Tank Filler Neck, Filler Hoses & Clamps

48-55 NEW Hose clamps, 2-5/8" *(2 required)* 11A-8287 1.95

TYPICAL HOSE SECTION

48-55 Hose, F1, F2, F100 & F250 . . . . . 21A-9047 7.40
53-56 Neck, chrome, uses stock filler hose & gas cap TAAA-9034 46.95
56-72 NEW Hose clamps, 2-1/8" *(2 required)*. . B8287 1.00
56-72 Hose, F100 thru F600 . . . . . 78-9047 9.75
73-78 Hose, with midship tank, without emissions, F100 thru F350 . . . . . D5TZ-9047-D 49.95
74-77 Hose, with in-cab tank, F100 thru F350 . . 78-9047 9.75
75-78 Hose, with aft-axle tank, without emissions, F100 thru F350 . . . . . D5TZ-9047-A 49.95

Gas Tank Neck Grommets

This seal attaches to the inside of the quarter panel. It helps to support the filler pipe as well as sealing out water.

73-79	5/16" ID	D1FZ-9A011-AR	18.95

Gas Tank Sending Unit "O" Rings & Lock Rings

That lock ring or "O" ring seal has probably been on your gas tank for forty plus years. They can be brutal to remove & many times resemble a pretzel when you finally get them out. Plan ahead, if you are replacing the sending unit, order a lock ring at the same time.

48-56	Cork gasket, 2" ID, F1 & F100	68-9276	1.50
48-56	Neoprene gasket, 2" ID, F1 & F100	68-9276-N	1.95

New Fuel Pumps

For reliable performance, put a brand new high quality fuel pump on your Ford. Old fuel pumps often work great ... right up until the moment that they fail from age, wear & deterioration. One day you're happily driving along & then the engine dies. You're not out of gas, yet none is getting to the carburetor. Yep, the ol' fuel pump has bitten the dust. Don't wait, put a brand new fuel pump on your car today!

**** HAZARDOUS MATERIAL - Can only be shipped by ground/ surface within the U.S. because of government regulations.***

Which is worse on a carburetor, years of rough service, or sitting around a garage while old gas turns to varnish in tiny jets, ports & orifices? Who knows? But we do know that our top quality rebuilt carburetors will eliminate all of those typical carburetor problems & provide you with smooth, reliable performance for years.

Custom Rebuilt Carburetors

We have looked for years for a high-quality rebuilder to come forward & stand behind their craftsmanship & we've finally found exactly that! Send us your current carburetor & your unit will return live-engine tested & restored to an O.E.M. appearance & include:

- *Master rebuild kits installed*
- *Fuel filters (when originally equipped)*
- *Floats*
- *Gaskets*
- *Needle & seat*
- *Choke cover*

***NOTE:** Since we have no cores available we must rebuild your original carburetor. Send us your complete rebuildable unit & we will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 3 to 4 weeks from the date we receive your core. The rebuilding price listed below assumes the entire assembly is intact & in decent condition. If any major parts are missing, if the unit is not rebuildable, or if the cost will be greater than the prices listed below, we will advise you.*

1 or 2 bbl Carburetors

49-79 Any 1 or 2 bbl carburetor, rebuilt as described above 9510-1/2BBL 229.95

4 bbl Carburetors

49-79 Any 4 bbl carburetor, rebuilt as described above. 9510-4BBL 299.95

Stromberg 97 Carburetor

The Stromberg "97" is the most famous of all hot rod carbs & now they are back & better than ever.

With a zinc chromate body & a stock size throttle shaft & a cast iron base, the new Stromberg 97 is made with cellulose/nitrate gaskets to avoid leaks & 7 stainless steel components so you never have to worry about rust!

***Note:** This carburetor does **not** have a vacuum port, so it **will not work** with vacuum advance-only distributors (Load-O-Matic type).*

33-53 Stromberg 97 carburetor. 67-9510-A 449.00

Stromberg Mug

A replica of the famous Stromberg 97 carb, the originals all leaked, but ours won't! Use it as a vase or drink from it if you want. It is a great conversation piece.

ALL Stromberg mug MUG97 13.95

Carburetor Cleaner

ALL Carburetor cleaner, eliminates varnish & gum, great for old cars, 12.5 oz. spray can. . . . . .RSP14 * 4.95

**** HAZARDOUS MATERIAL -** Can only be shipped by ground/surface within the U.S. because of government regulations.*

ETHANOL (E10) INFO/ADVISORY

Please note: *With Ethanol (E10) fuels being introduced in many areas, MAC's is doing all we can to provide the very best alcohol-compatible parts currently available. The long-term effects of this additive upon our classic vehicles are yet to be realized.*

With any new carburetor or gasket kit, we strongly recommend a high-quality filter & that it be changed on a frequent basis, as well as using a fuel stabilizer (listed on page 292) for any long-term storage.

Smithy's Mufflers

The world's oldest performance muffler is now available for that "resto-rod" or your 1950s custom. Get the muffler your dad used to impress his friends. They of course feature that nostalgic mellow tone that only a Smithy's fiberglass packed muffler produces. With a beautiful hammertone finish available in 2 popular sizes—3-1/2" case diameter with a 2" inlet & outlet & 3-1/2" case diameter with a 2-1/2" inlet & outlet—& double end cap construction, not only do they look great, they can be adapted to fit virtually any car or truck in your stable.

This Smithy Muffler is a product MAC's highly recommends for your classic car. Get yours today & your car will sound as good as it looks!

3-1/2" case diameter with a 2" inlet & outlet

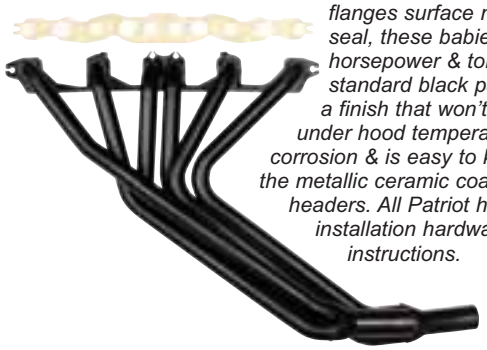
Exhaust Headers

MAC's is proud to offer performance headers from Patriot Exhaust. Manufactured from mandrel bent, mild steel tubing, with thick steel flanges surface machined for a great seal, these babies will increase both horsepower & torque. Available in standard black paint or, if you like a finish that won't discolor, reduces under hood temperatures, resists rust & corrosion & is easy to keep clean, ask for the metallic ceramic coating on your new headers. All Patriot header kits include installation hardware, gaskets & instructions.



53-56	223 6 cylinder, uses a dual collector design for increased torque, primary tube diameter is 1-1/2" & the collectors are 2" in diameter, painted black (shown) **	B3C-9430-B6	208.95 kit
53-56	223 6 cylinder, uses a dual collector design for increased torque, primary tube diameter is 1-1/2" & the collectors are 2" in diameter, metallic ceramic coating **	B3C-9430-C6	376.95 kit
54-56	239 OHV, 272 & 292 V-8, this is a fenderwell exit style header with 1-5/8" primary tubes & a 3" diameter collector, painted black, sorry, not available with ceramic coating	B4C-9430-BFW	244.95 kit
54-64	239 OHV, 272 & 292 V-8, conventional full-length chassis headers with 1-5/8" primary tubes & a 3" diameter collector, painted black	B4C-9430-B	249.95 kit
54-64	239 OHV, 272 & 292 V-8, conventional full-length chassis headers with 1-5/8" primary tubes & a 3" diameter collector, metallic ceramic coating	B4C-9430-BC	494.95 kit

** *Headers do not provide for heat exchange to the stock cast intake manifold.*

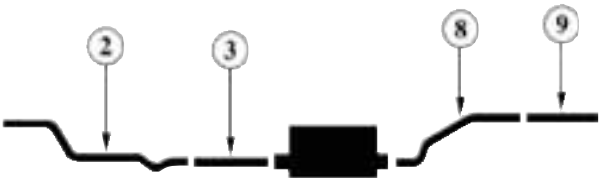
Exhaust Systems

The following exhaust components are designed for stock applications & are not to be used for performance applications.

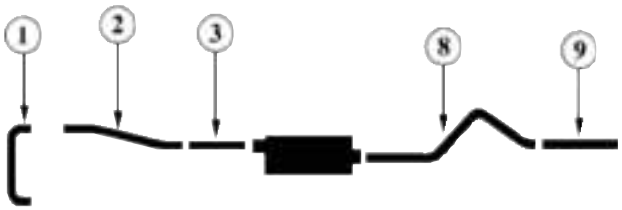
THE COMPONENT NUMBERS 1 THROUGH 9, AS SHOWN BELOW, APPEAR IN BRACKETS ( ) ON EACH PART NUMBER LINE.
FOLLOWING IS THE COMPLETE LIST OF COMPONENTS & THEIR DESCRIPTIONS. NOT ALL SYSTEMS USE ALL PARTS.

(8) TAILPIPE/ FRONT
(9) TAILPIPE/ REAR

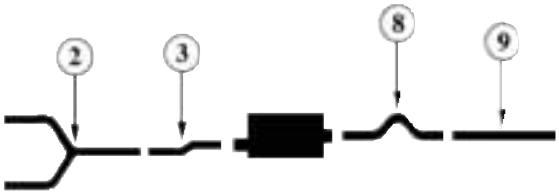
(1) CROSSOVER PIPE
(2) EXHAUST PIPE/ FRONT
(3) EXHAUST PIPE/ REAR



Typical 6 Cylinder



Typical 8 Cylinder Single Exhaust with Crossover



Typical 8 Cylinder Single Exhaust

Important Exhaust System Note
Please Read Carefully

While not meant to be "concours-correct", modern replacement-style exhaust systems are serviceable replacements as complete systems, made from the Huth patterns. Trying to repair an exhaust system using individual parts from more than one manufacturer might require modification of the parts involved. Because of manufacturing & assembly variations between the factory installation & later replacement parts, it might be that several aftermarket parts are required to replace one original factory part. This method also allows us to ship all exhaust components by economical UPS or USPS rather than by truck which is much more expensive. Parts modified for any reason cannot be returned, exchanged, or refunded.

OS *Because of the size of some exhaust items, additional shipping charges will be incurred.*

6 Cylinder Single Exhaust Systems

1948-52 F1 thru F3 & P3 & 1953 F100 thru F350 & P350

48-53	Clamp, muffler inlet	E743	1.95
48-53	Clamp, muffler outlet	E677	1.95
48-52	OS Tailpipe, rear, F1, **except** panel truck	8C-5255	51.95
1953	OS Tailpipe, rear, F100, **except** panel truck	E2048	36.95

1954-55 F100 to F350 & P350

54-55	Gasket, manifold to front exhaust pipe, right	E039	1.95
54-55	OS Exhaust pipe, front, right, **except** P350	E6142	35.95

Relined Front & Rear Brake Shoes

Always measure your drum diameter & brake shoe width to make sure you get the correct set of shoes. We use an experienced & trusted brake shoe rebuilder to be able to provide our customers with high quality relined brake shoes, for reliable braking performance. Replace all the brakes on your car at once, for consistent results at every wheel. The brake shoes listed below are sold on an exchange basis. Your rebuildable core must be returned in the same box that the relined shoes arrived in. The $30.00 core charge will be refunded if an acceptable core is received within 90 days of purchase date.

Before you install new brake shoes be sure to check the condition of the grease seals. It's good insurance to replace them now & save yourself the trouble later. Call us, we have them in stock & ready for delivery!

There is a $30.00 core fee for all brake shoes.

Front

48-66	11" x 2", F1 & F100	B8S-2200-ST	34.95 set
1967	11" x 2", F100	C8TZ-2001-ST	29.95 set
52-73	12-1/8" x 2", F2 & F250	D3TZ-2001-ST	31.95 set
66-73	12" x 2-1/2", F250	D1TZ-2001-ST	39.95 set

Rear

48-66	11" x 1-3/4", F1 & F100	B5S-2200-ST	34.95 set
1967	11" x 1-3/4", F100	C8TZ-2200-ST	29.95 set
68-72	11" x 2-1/4", F100	C5AZ-2200-ST	34.95 set
52-73	12-1/8" x 2", F2 & F250	D3TZ-2001-ST	31.95 set
66-73	12" x 2-1/2", F250	D1TZ-2001-ST	39.95 set
73-79	11" x 2-1/4" brakes, F100 thru F150	C5AZ-2200-ST	34.95 set

Brake Lining & Rivet Tool

48-66	Molded lining, enough for 4 wheels (8 pieces & rivets) 13-1/4" x 1-3/4"	91A-2007-M	39.95 set
48-66	Woven lining, enough for 4 wheels (8 pieces & rivets) 13-1/4" x 1-3/4"	91A-2007-W	87.00 set
48-66	Brake lining riveting tool, used to install new linings on your old shoes, makes a tough job easier	X2018	25.00

Replace the brakes on only one side of your car at a time. That way you can double check where every spring, clip & other small part goes, by looking at the other side.

Brake Disc Pad Set

68-72	Front, F250, **no core fee required**	D2TZ-2001-ST	23.95 set

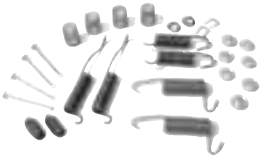
Rear Brake Hardware Kit

The springs, clips & other parts that operate your brake shoes are subject to tremendous heat, corrosion & other elements, which tend to weaken them severely. Replace all springs, adjusters & other hardware while you're doing your brake job to ensure proper performance. These brake shoe adjusting spring kits contain adjusting springs for 1 axle (2 wheels). Not all kit contents are available separately at this time.



68-72 NEW For 1 axle, F100 . . . . . C8TZ-2065-KT 10.95 kit
73-79 For 1 axle, F100 thru F750 . . . . . C8TZ-2065-KT 10.95 kit

Brake Shoe Hold Down Kits

These brake shoe hold down kits contain hold down springs, cups, nails, "C" clips & dust covers for 1 axle (2 wheels). "C" clips sold separately: order 91A-2106, listed below. No other kit components are available separately at this time.

48-62	Front or rear, all size brake shoes, F1 & F100 *(2 kits required)* (shown)	B2A-2068-KT	9.95 kit
51-55	Front or rear, all size brake shoes, F2 & F250 *(2 kits required)*	C3SZ-2068-KT	5.95 kit
56-60	Front, all size brake shoes, F250	C3SZ-2068-KT	5.95 kit
56-60	Rear, all size brake shoes, F250	A9A-2068-KT	9.95 kit
57-72	Front or rear, 12" x 2" brake shoes, F250 *(2 kits required)*	C3SZ-2068-KT	5.95 kit
69-72	Front, all size brake shoes, F100	C1AZ-2068-KT	9.95 kit
68-72	Rear, all size brake shoes, F100	B5A-2068-KT	9.95 kit

53-60 5-1/4" long TAAA-2472-A 5.95

Brake & Clutch Pedal Pads

Ask an old used car salesman & they will tell you that one of their favorite tricks for determining the condition of any used car is to look at the foot pedal pads. Worn brake pedal or gas pedal pads are quick tip-offs to worn-out cars. By contrast, brand new pedal pads tend to add to the "new car" look of any interior. Take a look at our low, low prices & be assured that our quality is high. Dress up your interior one more way—call & order new pedal pads today. Go for it!

48-56 Rubber bonded to metal base, F1, F2, F100 & F250 *(2 required)* 11A-2454 5.50

Power Brake Booster & Master Cylinder Assemblies

Since there is a shortage of cores, you will have to send your original unit in for us to rebuild. We will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 2 to 3 weeks from the date we receive your rebuildable unit. Our power brake booster assemblies are intended for replacement of defective units only. They are not intended for conversion from manual to power systems.

Master Cylinders, New

These master cylinders are brand new! That's right, new castings & internals! These will fit & perform as well or better than the original, but, in some cases, might not look exactly like your original. If you are building your car for judged competition then by all means rebuild your master cylinder with one of our handy rebuild kits listed on the next page, but for those of you out there that are more interested in driving your classic, step right up to the ultimate in reliability with one of our brand new master cylinders.

Ford emergency brake systems are relatively simple & generally reliable. But when corrosion, wear, non-usage & time take their toll, the emergency (or parking) brake system can let you down. Carefully examine the components on your classic Ford, if they seem corroded, worn, or just plain reluctant to move freely, replace them immediately. MAC's has the parts you need. Call now!

57-60 Shackle bushing, rear of front spring, F100 & F250 *(2 required)* C1TT-5348-B 6.95

57-60 Shackle stud, F100 & F250 *(2 required)* B7TZ-5465-A 2.95

61-62 Shackle inner bar, F350 thru F700 *(2 required)* C1TT-5468-D 11.95

61-64 Shackle inner bar, F100 & F250 4x4 with 120" wheelbase *(2 required)* C1TT-5468-D 11.95

61-64 Shackle bushing, upper front of spring, F100 & F250 *(2 required)* C1TT-5348-B 6.95

61-64 Shackle bushing, lower front of spring, F100 & F250 *(2 required)* C1TT-5781-D 10.95

61-64 Shackle bushing, rear of spring, F100 & F250, 2 wheel drive *(2 required)* . .C1TZ-5348-A 5.95

63-64 Shackle inner bar, F350 *(2 required)* C1TT-5468-D 11.95

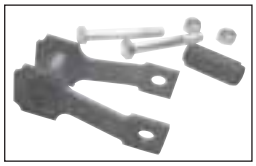
Spring Anti-Squeak Pad *(4 required)*

48-52 Use front or rear 11A-5599 1.95

Rear Leaf Springs *(2 required)*

48-52 F100 (shown) 21C-5560-B 224.95
53-54 8 leaf, F100 . . . . . TAAA-5560 204.95
55-56 9 leaf, F100 . . . . . B5C-5560 204.95
55-56 10 leaf, F100 . . . . . B5C-5560-10 204.95

Rear Spring Shackle Kits



48-56 Front & rear of rear spring, includes 6 large pins & bushings & 6 small pins & bushings, enough for both rear springs, F1, F100 *(1 required)* . . . . . 7C-5630-KT 57.95 kit
57-64 For rear of rear spring, F100 *(2 required)* (shown left) . . . . . B7TZ-5630-A 44.95 kit
67-72 Front of rear spring, F100, without Flex-O-Matic spring *(2 required)* . . . B7C-5630-A 11.95 kit
67-72 Front of rear spring, F100, with Flex-O-Matic spring *(2 required)* (shown center). . . . . C8TZ-5630-B 16.95 kit
68-72 Rear of rear spring, F100 & F250 *(2 required)* . . . . . C8TZ-5630-A 67.95 kit
68-72 Front of rear spring, F250 *(2 required)*. . . . . C8TZ-5630-C 16.95 kit
73-79 Front or rear of rear spring, 2 wheel drive, consists of 1 shackle bushing, bolt & nut, F100 thru F150 *(2 required)* (shown right) . . . . . D3TZ-5630-KT 13.95 kit

Rear Leaf Spring Parts

48-52 Hanger bracket, F1 *(4 required)* 21C-5775 29.75
48-52 Hanger, F2 *(2 required)*. 01Y-5785 34.00
48-52 Swing hanger, F1 *(2 required)* 21C-5776 27.50

48-56 Hanger pin, rear, F2, F3, F250 & F350 *(6 required)* 59Y-5780 14.75

48-60 Bushing, main leaf, F2, F3, F250 & F350 *(2 required)* 59Y-5781 8.95
48-56 Swing hanger bushing, F1 & F100 *(2 required)* 21C-5791 6.55
48-56 Bushing for rear spring shackle hanger, F2 & F250 *(4 required)* 61-5791 3.50

48-56 "U" bolt, F1 & F100 *(4 required)* 21C-5701-B 5.75

48-56 Shackle pin, 3-1/2" long, F1 & F100 *(6 required)* 21C-5780 5.85
48-56 Shackle bolt lock pin, F1 *(6 required)* . . . 82Y-5782 1.95
48-56 Spring bushing for spring eyes, F1 & F100 *(4 required)* 21C-5781 7.70

53-56 Swing hanger, F100 *(2 required)* . . . TAAA-5776-A 34.95
53-56 Swing hanger, F250 thru F350 *(2 required)* TBAA-5776-A 30.95
57-60 Shackle bracket for rear of rear spring, F350 *(2 required)* C1TT-5776-A 32.95
57-60 Spring bushing, F100 *(4 required)* . . . B7C-5781-A 8.95
57-60 Bolt for rear bushings *(4 required)* 359242-S2 5.95
57-64 Bolt for front bushings *(4 required)* 359242-S2 5.95
64-66 Spring bushing, front & rear of rear spring, F250 4 wheel drive *(4 required)*, '66 F350 *(2 required)* C5TZ-5781-A 10.95
65-66 Shackle bracket, rear of rear spring, F250 2 or 4 wheel drive, F350 *(2 required)* C5TZ-5776-D 64.95
65-72 Shackle bracket, rear of rear spring, F100 4 wheel drive *(2 required)* . . C5TZ-5776-D 64.95
67-72 Spring bushing, front & rear of rear spring, without Flex-O-Matic spring, F100 *(4 required)* B7C-5781-A 8.95
67-72 Spring eye & shackle bolt, front & rear of spring, without Flex-O-Matic spring, F100 *(6 required)* 379668-S 4.95
68-72 Shackle bushing, rear of rear spring, without Flex-O-Matic spring *(2 required)* B7C-5781-A 8.95
73-79 Shackle bushing, rear, 2 wheel drive, F100 thru F150 *(2 required)* D3TZ-5781-A 21.95
73-79 "U" bolt locking nut *(8 required)* 382484-S 2.95
73-79 Bracket, bolts to frame, 2 wheel drive, F100 thru F150 ***Genuine Ford*** *(2 required)* D3TZ-5775-C 70.95
73-79 Bushing, 2 wheel drive, F100 thru F150 *(4 required)* D3TZ-5781-A 21.95

Rear Spring Bolts

73-79 Bolt, 2 wheel drive, rear spring front, F100 thru F150, ***Genuine Ford*** *(2 required)* 56217-S 14.95
73-79 Bolt, 2 wheel drive, rear spring rear, F100 thru F150, ***Genuine Ford*** *(2 required)* 56217-S 14.95
73-79 Bolt, 2 wheel drive, rear spring shackle, F100 thru F150, ***Genuine Ford*** *(2 required)* 56217-S 14.95

Leaf Spring Tool

53-56 Tool for removing front leaf spring bushings 5310-T 10.95

73-79	Gas charged, heavy-duty, ***Monroe-Magnum***, F100 thru F150	C6TZ-18125-MB	36.95

Steering Gearbox, Rebuilt

We can rebuild almost any gearbox. Send us your complete rebuildable core & we'll have it completely disassembled, cleaned, inspected & repair any problems. Include your daytime phone number so we can contact you if necessary. The usual turnaround time is 3 to 4 weeks from the date we receive your gearbox. The rebuilding estimated price shown below assumes you have a useable sector shaft & the housing is not cracked or broken. If we have to supply a sector shaft, the additional cost will be between $45.00 & $75.00, depending on the model & availability. A cracked or broken housing might be repairable or replaceable & will result in additional charges. If for any reason, after disassembly & inspection, you decide not to proceed promptly with the rebuilding, only the return shipping costs will be charged.

48-60	Any steering gearbox	3504-EST	650.95 +/-
61-64	Manual steering, includes steering shaft	350486164	554.95 +/-

Steering Wheels

The following are exact reproductions of the originals right down to the original material. ***NOTE:*** *We have horn buttons galore for all years see page 173.*

48-52	F1 thru F6	8T-3600	199.95
53-55	F100 thru F600 (shown)	TAAA-3600-A	174.95
56-60	Black	B6C-3600-B	194.95
61-70	Gloss black (shown)	CODZ-3600-A	174.95

71-77	Black 2 spoke design, F100 thru F350 without cruise control, manufactured with original tooling.	D4TZ-3600-A	249.95
78-79	2 spoke design, for power steering	D8TZ-3600-B	244.95

Steering Wheel Nut

48-62	NEW F100 thru F600	B3610	0.45

Steering Column Bearing Sleeves & Springs

49-60	Spring for upper steering column bearing.	8M-3520	2.95
50-72	Steering column upper or lower bearing sleeve, 0.98" OD, ***Genuine Ford*** *(2 required)* (shown)	B1AZ-3518-A	8.95
64-72	Steering column upper bearing spring, F100 thru F350 2 wheel drive	C3DZ-3520-A	5.95
1966	Steering column upper bearing spring, F100 4 wheel drive	C3DZ-3520-A	5.95
1973	Steering column upper or lower bearing sleeve, 2 wheel drive, before serial #540,001, F100 thru F350, ***Genuine Ford*** *(2 required)*	B1AZ-3518-A	8.95

Steering Column Lower Bearing Seal & Retainer

65-72	1-5/16" OD x 3/8" thick	DOTZ-3510-A	5.95

Steering Column Bracket Anti-Squeak Pads

48-52	F1	7C-3679-S	2.95
53-56		TAAA-3693	2.95

Steering Column Collar Parts

65-72	Steering column tube flange, below collar, manual transmission with column shift, F100 thru F250 (shown)	C5DZ-3511-A	29.95
73-77	Steering column collar, automatic transmission, from serial #540,001, fits between steering wheel & shift collar, F100 thru F350	D3TZ-3511-D	22.95

Steering Column Shaft Lower Bushings

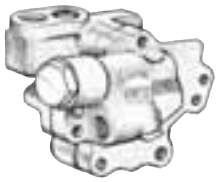
73-77	2 wheel drive, from serial #540,001, F100 thru F350	D9TZ-3C773-B	5.95
1979	Fixed column only, F100 thru F350.	D9TZ-3C773-B	5.95

Power Steering Pumps & Parts

The pumps below are sold on an exchange basis & have a core charge. If an acceptable core has not been received prior to shipping, you will be charged a core fee. Ship us your acceptable core in the rebuilder's original package within 90 days of receiving your rebuilt pump from us.

Power Steering Pumps

EATON PUMP NOTE: *When returning your Eaton pump core, do not send the reservoir. Your remanufactured pump will NOT include a reservoir. Only the pump is being remanufactured. This only pertains to Eaton pumps. The remanufactured Ford pump DOES come with a reservoir. Also, Eaton pumps were made in two styles, "front mount" & "rear mount". These are not interchangeable. Match up your pump to the illustration to the right.*



58-65	Eaton pump, front-mount type, see Eaton pump note above, **$150 core fee** (shown)	COAZ-3A674-FM	159.95
65-72	Ford pump, replacement, **$75 core fee** (shown)	D3AZ-3A674-A	94.95
73-77	Ford pump, 6 & 8 cylinder with reservoir, F100 thru F350, **$50 core fee**	C9TZ-3A674-D	80.95
78-79	Ford pump, 6 & 8 cylinder with reservoir, F100 thru F350, **$25 core fee**	D8AZ-3A674-A	75.95

Eaton Reservoir Parts

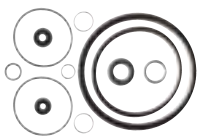
58-60	NEW Lid seal, for reservoir mounted on top of the pump	COAA-3A642-B	2.95
58-60	NEW Lid seal, for reservoir mounted remotely	COAA-3A642-C	2.95

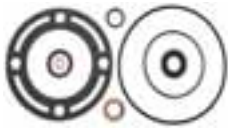
Power Steering Pump Filters

This filter fits inside the power steering pump reservoir. There is a little confusion about the correct years of application. Please refer to the dimensions listed to get the size you need.

1958	3" OD x 1" ID x 1-3/8" high	AE-33538-A	10.95
58-65	Aftermarket replacement, 2-1/2" OD x 1" ID x 1-1/2" high, this is the same size as the original Ford filter but it doesn't have the cork pads on top & bottom that the original has.	B7A-33538-AR	19.95

Power Steering Pump Seal Kits





58-65	Eaton pump	C2SZ-3B584-KT	14.95 kit
65-72	Ford pump	D1AZ-3B584-KT	9.95 kit
73-77	Ford pump, F100 thru F350	D1AZ-3B584-KT	9.95 kit
78-79	Ford pump, F100 thru F350, ***Genuine Ford*** (not shown)	E1AZ-3B584-KT	10.95 kit

Power Steering Return Line Clamp

58-79		B5A-2344-A	1.95

Power Steering Pump to Control Valve Return Lines

67-69	V-8, 352, 360 & 390, with Ford gear	RL-92170	15.95
67-72	V-8, 302	RL-92184	22.95
70-72	V-8, 360 & 390	RL-92170	15.95

Power Steering Pump to Steering Gear Return Lines, 2 Wheel Drive

73-76	V-8 302, 360 & 390	RL-92184	22.95
73-77	V-8 460	RL-93428	9.95
1977	6 & 8 cylinders 302, 351M, 400	RL-93428	9.95
78-79	6 & 8 cylinders	RL-93446	9.95

Power Steering Pump to Control Valve Pressure Lines

65-69	6 cylinder, with Ford gearbox	PL-174	18.95
67-69	V-8, 352, 360 & 390, with Bendix gear	PL-185	18.95
67-69	V-8, 352, 360 & 390, with Ford gear	PL-178	18.95
67-72	V-8, 302	PL-174	18.95
70-72	V-8, 360 & 390	PL-178	18.95

Power Steering Pump to Steering Gear Pressure Line, 2 Wheel Drive

73-77	V-8, 302, 360 & 390	PL-178	18.95

Steering Linkage Parts

Center Links or Drag Links

48-56	Drag link, F1 & F100 thru F2 & F250.	TAAA-3305-A	89.95
48-52	Drag link, F3	TAAA-3305-A	89.95
58-64	Center link or drag link, manual steering, F100	C1TT-3304-M	76.95
65-71	Center link or drag link, from pitman arm to steering arm, before serial #M00,001, F100 thru 250	C5TZ-3304-C	83.95
71-72	Center link or drag link, from pitman arm to steering arm, from serial #M00,001, F100	D2TZ-3304-C	100.95
73-79	Center link or drag link, from pitman arm to steering arm, studs facing in same direction, 40-3/8" long, 2 wheel drive, F100 thru F150, or 73-74 2 wheel drive with 6200 LB GVW, F250	D3TZ-3304-B	63.95
75-79	Center link or drag link, from pitman arm to steering arm, studs facing in same direction, 40-3/8" long, regular cab, 2 wheel drive with 6200 or 6900 LB GVW & single piston disc brakes, F250	D3TZ-3304-B	63.95

Drag Link End Repair Kits *(2 required)*

48-52	F3	A8TZ-3A533-A	14.95 kit
48-56	F1 & F100 thru F2 & F250	A8TZ-3A533-A	14.95 kit
48-56	NEW For 2 ton trucks	B5TZ-3333-S2	30.50 kit

Drag Link Sleeve *(2 required)*

48-56	Rubber sleeve for drag link	7RC-7336	3.95

Pitman Arms

48-52	F1 & F2	8C-3590	59.95
53-56	F100 & F250	TAAA-3590-A	72.95
53-56	F350	TCAA-3590	63.95

Tie Rod Connecting Sleeve

65-79	NEW Clamp, for the end of the sleeve	48-3287	2.45
65-79	F100, 73-79 2 wheel drive, F100 thru F150 (not shown)	C5TZ-3310-A	11.95

Center Tie Rods

48-52	F1, F2 & F3	21A-3283	44.25
53-60	F100 & F250, without power steering	TAAA-3281-A	51.95

Tie Rods

Don't forget to grease your tie rods after installation.

To verify thread side, place flat on the table with nut upwards: If the thread ANGLES TO THE LEFT, the tie rod is RIGHT THREADED (11A-3270). If the thread ANGLES TO THE RIGHT, the tie rod is LEFT THREADED (11A-3271).

48-57	Right treaded, manual or power steering, F1 & F100 (shown)	11A-3270	13.75
48-57	Left threaded, manual or power steering, F1 & F100	11A-3271	13.75
53-56	NEW F350, right	7RT-3270	14.95
53-56	NEW F350, left (shown)	7RT-3271	14.95
58-64	Right treaded, manual or power steering, F100	11A-3270	13.75
58-60	Left threaded, manual steering, F100	11A-3271	13.75
61-64	Left threaded, manual or power steering, F100	11A-3271	13.75
65-71	Outer, manual or power steering, F100, before serial #M00,001	C5TZ-3A131-A	39.95
65-71	Inner, manual or power steering, F100, before serial #M00,001	C5TZ-3A130-A	39.95
71-72	Outer, manual or power steering, F100, from serial #M00,001	D2TZ-3A131-B	83.95
71-72	Inner, manual or power steering, F100, from serial #M00,001	D2TZ-3A130-B	13.95
73-79	Left inner, 2 wheel drive, manual or power steering, F100 thru F150	D2TZ-3A130-B	13.95
73-79	Left inner, 2 wheel drive, single piston brake caliper, 6200 & 6900 LB GVW, F250.	D2TZ-3A130-B	13.95
73-79	Left outer, 2 wheel drive, manual or power steering, F100 thru F150.	D3TZ-3A131-A	35.95
73-79	Left outer, 2 wheel drive, single piston brake caliper, 6200 & 6900 LB GVW, F250	D3TZ-3A131-A	35.95

Tie Rod End Cup Sets

48-56	NEW Rubber, 4 pieces, F1 & F100	48-3332-ST	5.95 set
48-70	Rubber, 4 pieces, F500 thru F600	48-3332-ST	5.95 set
53-70	NEW Rubber, 4 pieces, F350	48-3332-ST	5.95 set

King Pin & Bushing Sets *(1 set does both wheels)*

48-52	Metal bushings, F1, F2 & F3 (shown)	21A-3111	39.75 set
53-56	Metal bushings, F100	B3C-3111-A	41.95 set
57-64	Metal bushings, F100	B7C-3111-A	41.95 set
1965	Nylon bushings, F100	C5TZ-3111-C	46.95 set
66-74	Nylon bushings, F100	C8TZ-3111-A	52.95 set
66-74	Metal bushings, F100	D2TZ-3111-A	56.95 set
75-79	Nylon bushings, F100 thru F150	D5TZ-3111-B	57.95 set
75-79	Metal bushings, F100 thru F150	D5TZ-3111-A	56.95 set

Royal Spindle Bolt (King Pin) Set

Components are all stainless steel or chrome plated. Includes needle bearings, which eliminate steering wear the original brass bushings caused, making this kit a must for the serious driver. An installation tool is included.

48-52	NEW	F1, F2 & F3	21A-3111-R	295.00 set

I-Beam Pivot Bushing *(2 required)*

65-79	F100 thru F250, 2 wheel drive	C5TZ-3B177-A	14.95

Radius Arm Bushings for 2 Wheel Drive

65-72	Front & rear, F350 *(4 required)*	C7TZ-3B203-A	6.95
65-72	Front, F100 thru F250 *(2 required)*	C5TZ-3B203-C	6.95
65-72	Rear, F100 thru F250 *(2 required)*	C5TZ-3B203-B	6.95
73-75	Front, F100 thru F350 *(2 required)*	C5TZ-3B203-C	6.95
73-75	Rear, F100 thru F350 *(2 required)*	C5TZ-3B203-B	6.95
76-79	Front, F100 thru F350, before 2/1/79 *(2 required)*	D5TZ-3B203-B	6.95
76-79	Rear, F100 thru F350, before 2/1/79 *(2 required)*	D5TZ-3B203-A	6.95
1979	Front, F100 thru F150, from 2/1/79, *(2 required)*	EOTZ-3B203-A	10.95
1979	Rear, F100 thru F250, 2 wheel drive, from 2/1/79 *(2 required)*	D9TZ-3B203-A	6.95

Radius Arm Bushings for 4 Wheel Drive

67-72	Save	Radius arm bushing kit, F100, includes: (4) C6TZ-3B203-A & (4) C5TZ-3B203-C	D2TZ-3B203-KT	49.95 kit
67-72		Radius arm bushing, on frame end, F100 *(4 required)*	C5TZ-3B203-C	6.95
67-75		Radius arm bushing, on axle end, F100 *(4 required)*	C6TZ-3B203-A	6.95
78-79	NEW	Radius arm bushing, at frame end, F150 4 wheel drive *(4 required)*	D8TZ-3B203-A	6.95
78-79	NEW Save	Radius arm bushing kit, F150 4 wheel drive	D8TZ-3B203-KT	49.95 kit
78-79	NEW	Radius arm bushing, on axle end *(4 required)*	C6TZ-3B203-A	6.95

Radius Arm Bushing Washer *(2 required)*

73-79	Used as rear radius arm bushing retainer, flat, 13/16" ID x 2-3/8" OD x 3/16" thick, 2 wheel drive, F100 thru F350, ***Genuine Ford***	379572-S2	4.95

Radius Arm Bushing Retainer *(2 required)*

75-79	2 wheel drive, F100 thru F350, ***Genuine Ford***	EOTZ-3B186-B	4.95

Radius Rod & Axle Pivot Bushing Kits

65-75	Save	Includes 2 of each of the following: C5TZ-3B177-A, C5TZ-3B203-B & C5TZ-3B203-C, F100 thru F250, 2 wheel drive	C5TZ-3B203-KT	49.95 kit
76-78	Save	Includes 2 of each of the following: C5TZ-3B177-A, D5TZ-3B203-A & D5TZ-3B203-B, F100 thru F250, 2 wheel drive	D5TZ-3B203-KT	49.95 kit
1979	Save	Includes 2 of each of the following: C5TZ-3B177-A, D9TZ-3B203-A & EOTZ-3B203, F100 thru F150, 2 wheel drive	D9TZ-3B203-KT	49.95 kit

Front Wheel Bearings, Races & Parts

48-56	Save	Inner bearing & race, F1, F2, F100 & F250 *(2 sets required)*	01Y-1201-ST	23.25 set
48-56		Inner bearing, F1, F2, F100 & F250 *(2 required)*	01Y-1201	17.50
48-56		Inner bearing race, F1, F2, F100 & F250 *(2 required)*	01Y-1202	7.75
48-56		Outer bearing & race, F1, F2, F100 & F250 *(2 sets required)*	8A-1216-ST	17.95 set
57-67		Outer bearing & race, F1, F2, F100 & F250 *(2 sets required)*	B5A-1216-ST	15.95 set
57-72		Inner bearing & race, F100 & F250 *(2 sets required)* (shown)	B7C-1201-ST	15.95 set
68-72		Outer bearing & race, F1, F2, F100 & F250 *(2 sets required)*	C3SZ-1216-ST	9.95 set
73-79	NEW	Inner bearing & race, disc brakes, F100 thru F150 *(2 sets required)*	DOAZ-1201-ST	15.95 set
73-79		Outer bearing & race, disc brakes F100 thru F150 *(2 sets required)*	DOAZ-1216-ST	15.95 set
73-79		Spindle nut, 3/4"-16, F100 thru F150, ***Genuine Ford*** *(2 required)*	374504-S	2.95
73-79		Spindle retainer nut, F100 thru F150, ***Genuine Ford*** *(2 required)*	374536-S	0.95
73-79		Cotter pin, F100 thru F150 *(2 required)*	CP9	0.10
ALL		Locknut for outer wheel bearing adjustment *(2 required)*	D8TZ-1197-B	6.95

Front Stabilizer Bar Parts

75-79		Front stabilizer bar end-link bushing kit, does both sides, F100 thru F350	D8TZ-5A486-KT	9.95 kit
75-79		Front stabilizer bar end link, F100 thru F350, 2 wheel drive (not shown)	D5TZ-5K483-A	14.95
78-79	NEW	Front stabilizer bar to frame, bushing, 4 wheel drive, regular cab, ***Genuine Ford*** *(2 required)* (not shown)	D8TZ-5493-A	8.95
78-79	NEW	Front stabilizer bar end link, F150 regular cab 4 wheel drive, ***Genuine Ford*** *(2 required)*	D8TZ-5K483-A	40.95

Front Axle

Upper Ball Joint *(2 required)*

73-79	F100 thru F150 4 x 4	D3TZ-3049-A	14.95

Front Axle Rubber Bumpers

48-56	F1, F2, F3, F100, F250 & F350 *(2 required)*	7RC-3020	6.95
57-60	F100 thru F350 *(2 required)*	B7C-3020	5.95

67-79	2 wheel drive, F100 thru F350 *(2 required)*	C5TZ-3020-A	16.95
77-79	F150 thru F250, 4 wheel drive	D7TZ-3020-A	9.95

Front Wheel Grease Seals *(2 required)*

48-54	Front wheel grease seal washer, truck with 122" wheelbase	B1195	1.00
48-56	Front wheel grease seal, 2.75" OD, F1, F2, F100 & F250	01Y-1190	4.85
48-56	Front wheel grease seal, 3.31" OD, 1 ton truck, **except** 122" wheelbase	91T-1190	5.50
48-56	Front wheel grease seal, P3 & P350	8J-1190	11.95
53-56	Front wheel grease seal, F350	8J-1190	11.95
57-64	Front wheel grease seal, F100	B7C-1190-A	5.95
67-72	Front wheel grease seal, F100	C7TZ-1190-D	8.95

Front Hub Grease Caps *(2 required)*

48-56	1-15/16" OD, without threads, F1, F2, F100 & F250	51A-1139	3.95
48-52	1-15/16" OD, without threads, F3	51A-1139	3.95
57-64	1-25/32" OD, F100 & F250	B5A-1131-A	5.95
65-68	1-25/32" OD, F100	B5A-1131-A	5.95
65-72	1-31/32" OD, F250, ***Genuine Ford*** (not shown)	LF-1131-A	3.95
68-72	1-31/32" OD, F100, ***Genuine Ford***	LF-1131-A	3.95
73-79	1-31/32" OD, F100 thru 250, ***Genuine Ford***	LF-1131-A	3.95

Rear Axle

Rear Wheel Bearings *(2 required)*

48-72	Up to 3300 lb axle, F1 & F100 (shown)	C1SZ-1225-B	29.95
48-51	Outer, F3 (shown)	61-1240	40.25
48-55	NEW Race, outer, F4 & F6	BB-1239	18.75
48-55	NEW Bearing, outer, F4 & F6	BB-1240	30.75
70-73	3.6M axle, 3-9/64" OD x 1-5/8" ID x 1-5/64" thick, F100	DOTZ-1225-A	65.95
73-79	Ball bearing type, 3.3M axle, **except** Dana, 3-9/64" OD x 1-17/32" ID x 1-5/64" thick, F100 thru F150	C1SZ-1225-B	29.95
74-79	Tapered roller bearing type, 3.3M axle, **except** Dana, 3-5/32" OD x 1-9/16" ID x 25/32" thick, includes seal & retainer, F100 thru 150	D4AZ-1225-A	38.95

Rear Wheel Bearing Gaskets *(2 required)*

48-66	NEW Bearing retainer gasket	8M-2245	2.95
48-66	NEW Axle housing to backing plate gasket (shown)	8M-2245-A	2.95

Rear Axle Housing Gaskets

48-50	Rear axle housing gasket, F1	8M-4035	6.95
51-56	Rear axle housing gasket, F1 & F100	1M-4035	4.95
57-62	Rear axle housing gasket, F100	B7A-4035-A	3.95
73-79	Rear axle housing gasket, 9" Ford gears, F100 thru F150	B7A-4035-A	3.95

Rear Axle Pinion Pilot Bearing & Retainer

1948	Rear axle pinion bearing	18-4625-A	36.95
1948	Rear axle pinion bearing retainer	18-4629	2.35

Rear Axle Bearing Gasket *(2 required)*

48-56	F1 & F100	8M-1144	1.95

Rear Wheel Inner Bearings *(2 required)*

53-56 Stamped 387A, F350 . . . . . TCAA-1244-A 17.95
57-66 Stamped 387A, with 13" x 2-1/2" brake shoes, F350, P350 & P400 . . . . . TCAA-1244-A 17.95

Rear Wheel Inner Bearing Cups *(2 required)*

53-56 Stamped 382A, F350 . . . . . TCAA-1243-A 13.95
57-66 Stamped 382A, with 13" x 2-1/2" brake shoes, F350, P350, & P400 . . . . . TCAA-1243-A 13.95

Rear Outer Wheel Bearings *(2 required)*

51-52 Stamped 18780, F2 & F3 conventional & parcel truck 8D-1240 42.95
53-66 Stamped 18780, F250. . . . . 8D-1240 42.95
59-65 Stamped 18780, F250 4 wheel drive 8D-1240 42.95

Rear Outer Wheel Bearing Race *(2 required)*

53-56 Stamped 2924, 1-13/16" ID x 3-11/32" OD, F350. . . . . TCAA-1239-A 22.95

Rear Wheel Bearing Nut Lock Washers *(2 required)*

48-55 2.76" OD, F4 conventional pickup, F6 conventional pick-up & cab-over truck 01T-1124 5.95
48-56 2.76" OD, F5 conventional pickup & cab-over truck, P500 . . . . . 01T-1124 5.95

Differential Ring & Pinions

48-50 Differential ring & pinion gear, 4.55 ratio, F1 . . . . . 8M-4209-C 362.95
57-79 Differential ring & pinion gear, 9", 3.25 ratio, F100 thru F150 . . . . . B8AZ-4209-C 362.95

Differential Spider Shaft

73-79 9" gears, non-locking 2 & 4 pinion, long shaft, includes 1/4" x 1-3/8" pin, F100 thru F150, ***Genuine Ford*** . . B7AZ-4211-A 27.95

Differential Gear Spider

48-50 Differential gear spider, 2 ton truck, **except** 122" wheelbase, with single speed rear axle 79-4211 24.75

Differential Spider Gear & Thrust Washers

48-56 Differential spider gear, F1 & F100 *(2 required)* (shown) 8M-4215 37.95
48-56 Differential spider shaft thrust washer, F1 & F100, ***Genuine Ford*** *(2 required)* 8M-4230 2.95
73-79 Differential spider gear thrust washer, 9" gear, non-locking, F100 thru F150, ***Genuine Ford*** *(2 or 4 required)* DOAZ-4230-B 2.95

Differential Bearing & Race Sets

48-52	Differential bearing & race set, Ford rear end, F1 *(2 sets required)*	8M-4221	36.95 set
53-56	Differential bearing & race set, Spicer rear end, F1 & F100 *(2 sets required)*	8M-4221	36.95 set
57-60	Differential bearing & race set, Ford rear end, F100 *(2 sets required)*	B7A-4221-B	19.95 set
59-62	Differential bearing & race set, Spicer 44.1 locking rear end, F100 *(2 sets required)* (shown)	B7A-4221-A	19.95 set
61-63	Differential bearing & race set, Ford non-locking rear end, medium bearing, F100 *(2 sets required)*	B7A-4221-A	19.95 set
61-63	Differential bearing & race set, Ford non-locking rear end, large bearing, F100 *(2 sets required)*	B7A-4221-A	19.95 set
73-79	Differential case bearing & race set, 9" gears, also serviced in differential case, F100 thru F150 *(2 sets required)*	C9AZ-4221-A	17.95 set

48-52	Tapered shim for worm axle shaft, prevents the drum from rubbing the backing plate *(2 required)*	B4235SH	0.85

Grease

Premium Timken brand wheel grease in a 1 lb. tub with special additives to prevent rust & reduce wear. A must have for installing new bearings & cups!

ALL	1 lb. container	GREASE	5.50

Bearing Grease Packer Kit

Applies fresh grease evenly to virtually any bearing. The old grease is forced out onto the cone for easy clean up.

ALL	NEW Universal, 4-1/2" diameter cone	X6150	9.50 kit

Seal Puller

Use on any oil or grease seal. Place the tip behind the seal, press & pull.

ALL	NEW Universal, two tip sizes fit almost all applications	X1175	9.50

Rear Wheel Grease Seals

When you are replacing the grease seals it's the perfect time to check those wheel bearings.

48-51	3.48" OD, 3/4 ton truck with 122" wheelbase *(2 required)* (shown)	91D-1175	7.75
48-51	3.60" OD, 1 ton truck with 122" wheelbase *(2 required)* (shown)	61-1175	7.75

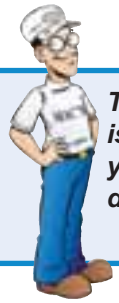
73-79	Lock washer, F100 thru F150 *(4 required)*	WL1	0.15

Driveshaft Parts

56-64	Driveshaft center support, F100	B5TZ-4826-S	33.95
73-79	Driveshaft center support & bearing assembly, F100 thru F150.	D4TZ-4800-A	22.95



This chart shows the codes used to identify each transmission type. Your factory transmission type is indicated on the warranty (factory ID) plate, originally located in one of four areas, depending on year & model: the left front hinge pillar, the left front door by the latch mechanism, the glove box door, or the right side of the dash. Because your transmission might not be the factory original, an alternative method of identifying the basic type is by the transmission oil pan shape.

Overdrive Manual Control Cable Assembly

48-72 Includes 80" cable, chrome plated die-cast handle with ***"OVERDRIVE"*** lettering, aluminum end sleeve, crimping tool & shortening instructions A9AZ-7A650-A 49.95

Overdrive Kickdown Switch & Cable Grommet

49-56 NEW Fits under accelerator pedal A9AZ-7A652-A 35.95
51-56 NEW For firewall 1A-7001694 4.95
67-71 NEW For firewall 1A-7001694 4.95

Input Shaft Bearing Retainer & Oil Seal

48-52 NEW Cast iron bearing retainer, 3 speed 78-7050 33.50
48-52 NEW Oil seal, fits into above bearing retainer, 3 speed 78-7052 3.95

Transmission Gasket Sets

48-52 NEW 3 speed transmission . . . . . .B-7153 10.75 set

53-56 3 speed or overdrive, F100 (shown) . . B8AZ-7153-A 14.95 set
57-65 NEW Warner T-86 with overdrive. . 7153-WT86 19.95 set

63-79 3 speed, F100 thru F350 (shown). . .C3AZ-7153-F 6.95 set
73-79 4 speed, New Process, F100 thru F350 . . . . . .D5TZ-7153-A 12.95 set
78-79 Ford 4 speed overdrive, F100 thru F250 . . . . . .D9TZ-7153-A 6.95 set

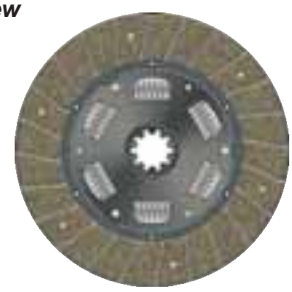
Clutch Discs

New

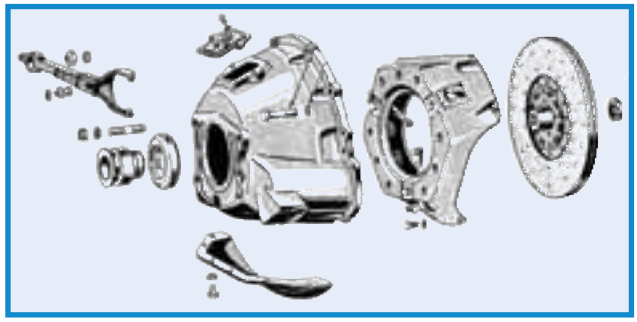


48-56	6 & 8 cylinder, 10" diameter, 10 spline	29A-7550	49.00
65-72	6 & 8 cylinder, 11" diameter, 10 spline	C6AZ-7550-A	55.95
73-76	V-8, 302, 11" diameter, 10 spline, F100	C6AZ-7550-A	55.95
73-76	V-8, 360, 11" diameter, 10 spline, F100 thru F350	C6AZ-7550-A	55.95

Remanufactured

This remanufactured clutch disc is sold on an exchange basis. A core fee of $35.00 will be charged if your core is not received before the shipping date. The core fee will be refunded if an acceptable core is received within 90 days of the purchase date.

48-64	6 & 8 cylinder, 11", **core fee of $35.00**	81T-7550	50.00



Clutch Pressure Plates

48-55	6 & 8 cylinder, 10"	19A-7563	91.50
48-64	6 & 8 cylinder, 11"	51-7563	105.00
66-72	6 cylinder, 240, 10"	19A-7563	91.50
77-79	V-8, 351M, 11" diameter, lever type, F100 thru F350	B8A-7563-B	110.95

Clutch Pilot Bushings

48-63	6 & 8 cylinder	A7600	4.25
48-64	Bronze Oillite bearing, 6 & 8 cylinder	70-7600	4.15
65-67	6 cylinder, 240 & 300	C2OZ-7600-A	5.95
70-72	Bronze Oillite bearing, V-8, 302	70-7600	4.15
73-79	6 cylinder 240 & 300, V-8 302, 351M & 400, needle type, F100 thru F350, (not shown)	D8TZ-7600-A	8.95

Clutch Throwout Bearings & Bearing Hubs

48-52	Throwout bearing & hub set, bearing must be pressed into hub, all engines	48-7561-SET	38.75 set
48-52	Throwout bearing hub only, all engines	48-7561	19.95
48-52	Throwout bearing hub spring	48-7562	1.25

48-64	Throwout bearing, 6 & 8 cylinder (shown)	B7580	14.75
48-64	Same as above, **except** top quality	B7580T	21.95
53-63	Throwout bearing & hub set, 6 & 8 cylinder (shown)	B3TZ-7561-SET	25.95 set
1964	Throwout bearing & hub set, 6 cylinder, 223 & 262	B3TZ-7561-SET	25.95 set
65-72	Throwout bearing & hub set, V-8 (shown)	MB-7561-SET	27.95 set
65-72	Throwout bearing & hub set, 6 cylinder, 240, 10" clutch	MB-7561-SET	27.95 set
73-79	Throwout bearing & hub set, F100 thru F350	MB-7561-SET	27.95 set

Clutch Master Cylinder & Repair Kits

57-60	Clutch master cylinder	B8TZ-7A542-A	81.95
57-60	Clutch master cylinder repair kit, includes piston, cup, spring, snap ring & boot	B7C-7578-KT	11.95 kit

Clutch Slave Cylinder & Repair Kit

57-60	Clutch slave cylinder	C3TZ-7A508-D	32.95

57-60	Clutch slave cylinder repair kit, includes piston, cup, spring, retainer & boot	B7C-7560-KT	12.95 kit

Clutch Pedal Parts

48-52	Clutch pedal return spring	7RT-7523	4.95
53-56	Clutch pedal return spring	TAAA-7523-A	5.95
57-60	Clutch pedal return spring	B7C-7523-A	4.95

48-52	Clutch & brake pedal bushing *(2 required)* (shown)	B-7526	3.10
48-56	Bumper for clutch pedal arm	7C-2473	3.95
53-56	Clutch & brake pedal bracket-to-shaft bushing *(2 required)*	7EQ-5344-A	5.95

57-66	Clutch pedal arm bumper	MA-7583-A	2.95
68-72	Clutch pedal arm bumper, F100 thru F350	D1TZ-7583-A	9.95
73-79	Clutch pedal arm bumper (not shown)	D3TZ-7583-A	5.95

Clutch Pedal Shaft & Parts

48-52	Clutch release shaft	01A-7510	34.75

48-51	Clutch release shaft bushing, column shaft *(2 required)*	51A-7508	4.95
1952	NEW Clutch release shaft bushing, light-duty 3 speed *(2 required)*	40-7508	2.75
48-52	Clutch release shaft bushing, heavy-duty 3 speed & 4 speed transmission *(2 required)*	40-7508	2.75

48-52	Clutch pedal shaft release pin	352581-S	0.55

Clutch Pedal to Idler Lever Rod & Bushings

68-77	Clutch pedal to idler lever rod, before serial #080,001, 17-5/8" long x 3/8" diameter rod, F100 thru F350	C8TZ-7521-D	24.95

61-78	Bushings, clutch pedal to idler lever rod, before serial #BA0,001, 3/8" inner diameter nylon, F100 thru F500	COAZ-7526-BR	2.95 pair

Clutch Forks

48-52	F1 thru F6 (shown)	B7515	17.00
53-56	F1 thru F6	TAAA-7515-B	55.95
65-70	6 cylinder & V-8, F100 thru F350 before serial #G30,001 (shown)	C3AZ-7515-C	51.95
65-70	6 cylinder & V-8, **except** 390, F100 thru F350 before serial #G30,001	C3AZ-7515-C	51.95
68-71	NEW V-8 390, F100 thru F350 before serial #L40,001	C3AZ-7515-C	51.95
73-76	V-8 360 & 390, F100 thru F350	DOTZ-7515-A	51.95
73-79	6 cylinder 300, F100 thru F350	DOTZ-7515-A	51.95
73-79	V-8 302, F100 thru F350	DOTZ-7515-A	51.95
73-79	V-8 351M & 400, before serial #DG0,001, F100 thru F350	DOTZ-7515-A	51.95

Clutch Fork to Bell Housing Seal

48-52	Clutch fork to bell housing seal (shown)	8A-7996	1.95
77-79	V-8, 351 & 400 only	D7TZ-7513-A	14.95

Clutch Fork Trunnion (Pivot)

53-64	F100 thru F600, ***Genuine Ford***	TAAA-7522-A	20.95
65-72	F100 thru F600 (shown)	B9AZ-7522-A	16.95

Clutch Fork Dust Boots

73-79	3 & 4 speed manual transmission, 6 cylinder, F100 thru F350	C5TZ-7513-A	14.95
73-76	3 & 4 speed manual transmission, V-8, F100 thru F350	C5TZ-7513-A	14.95
77-79	3 & 4 speed manual transmission, V-8, 302, F100 thru F150	C5TZ-7513-A	14.95

Clutch Release Equalizer Shaft Parts

48-52	Bushing (shown)	01A-7517	4.25 pair
61-64	Bushing *(2 pair required)*	01A-7517	4.25 pair
65-79	Bushing, nylon ball type *(2 required)*	C1AA-7543-AR	2.95
73-77	Bushings, F100 thru F500 *(2 pair required)*	01A-7517	4.25 pair

ORDER LINE: (800) 777-0948
24 Hour Fax Line: (716) 210-1370
Prices are each, unless otherwise noted.
Prices subject to change without notice.

48-52	Release equalizer shaft washer	01A-7539-A	0.95
48-52	Release equalizer shaft spring	01A-7545	1.45
48-52	Release equalizer ball & bracket	01Y-7507	18.95

Equalizer Bar Pivot Brackets

65-72	Engine mounted, 2-9/16" long, 9/16"-12 thread on end, 5/8" diameter pivot shaft other end, 6 cylinder, 3 & 4 speed, F100 thru F350	C5TZ-7A535-A	24.95
69-79	Engine mounted, 2-9/16" long, 1/2"-13 thread on end, 5/8" diameter pivot shaft other end, V-8, 302, 3 speed transmission, F100 thru F350	C8UZ-7A535-A	15.95

Equalizer Bar Pivot Bushings

73-79	Equalizer bar plastic ball snap ring, F100 thru F500 *(2 required)*, ***Genuine Ford***	97474-S	1.95

Clutch Pedal to Idler Lever Rods & Bushings

61-63	17-3/4" long, F100 thru F250, **except** 4 wheel drive	C1TZ-7521-B	23.95
1964	17-1/4" long, F100 thru F250, **except** 4 wheel drive	C4TZ-7521-B	23.95
65-66	18-7/8" long, F100 thru F250, **except** 4 wheel drive	C5TZ-7521-B	23.95

1967	18-7/8" long, F100 thru F350	C7TZ-7521-A	23.95

Clutch Adjusting Rods

53-56	Clutch adjusting rod	TAAA-7521-A	7.95
69-72	Clutch release lever rod, adjustable (shown)	DOTZ-7521-C	17.95
73-76	Clutch release lever rod, adjustable replacement, F100 thru F350 (shown)	D3TZ-7521-A	15.95
1977	Clutch release lever rod, 6 cylinder 300, from serial #Z00,001, 7-21/32" long, F100 thru F350, ***Genuine Ford***	D8TZ-7521-A	35.95
77-79	Clutch release lever rod, V-8 302, from serial #Z00,001, 7-21/32" long, F100 thru F350, ***Genuine Ford***	D8TZ-7521-A	35.95
78-79	Clutch release lever rod, 7-21/32" long, all engines, F100 thru F350, ***Genuine Ford***	D8TZ-7521-A	35.95

Clevis

48-52	For clutch adjusting rod	B-7532	9.75

Clutch Rod to Floor Seals

65-67	Molded with metal insert	C5TZ-7A533-A	28.95
68-71	Rubber & metal, before serial #M00,001	C8TZ-7A533-A	22.95
71-72	Rubber, from serial #M00,001	D2TZ-7A533-C	18.95
73-79	Rubber, F100 thru F350	D2TZ-7A533-C	18.95

Flywheel Housing Cover Seals

48-52	V-8, metal	8RT-6410-S	12.95
1953	V-8, rubber (shown)	8BA-6411-B	20.95

Starter to Flywheel Housing Seal

54-64	Starter to flywheel housing seal, V-8, 239, 272 & 292 with 11" clutch	C2AZ-6436-A	10.95

Flywheel Ring Gears

48-51	114 teeth, 6 cylinder, 226	8HA-6384	71.95
48-53	112 teeth, V-8, 239 flathead, with manual transmission & overdrive	8BA-6384-A	39.95
52-57	152 teeth, V-8, 279, 302 & 332	EAM-6384-A	29.95
52-64	146 teeth, 6 cylinder, 215 & 223, with manual transmission & overdrive	EAA-6384-A	20.95
54-64	146 teeth, V-8, 239 overhead valve, 272 & 292, with manual transmission & overdrive	EAA-6384-A	20.95
64-72	184 teeth, V-8, 302, with manual transmission	C5AZ-6384-D	21.95
65-67	184 teeth, V-8, 352, with manual transmission	C5AZ-6384-A	21.95
65-72	184 teeth, 6 cylinder, 300, with manual transmission	C5AZ-6384-A	21.95
65-72	164 teeth, 6 cylinder, 300, with manual transmission	C5AZ-6384-D	21.95
68-72	184 teeth, V-8, 360 & 390, with manual transmission	C5AZ-6384-A	21.95
73-74	164 teeth, 6 cylinder, 240, manual transmission	C5AZ-6384-D	21.95
73-76	184 teeth, V-8, 360 & 390, manual transmission	C5AZ-6384-A	21.95
73-79	164 teeth, 6 cylinder, 300, V-8 302, manual transmission	C5AZ-6384-D	21.95
77-79	180 teeth, V-8, 351M, manual transmission	D7TZ-6384-A	46.95
77-79	180 teeth, V-8, 400, manual transmission	D7TZ-6384-A	46.95

Automatic Transmission Gear Selector Dials & Parts

53-58 Gear selector dial, Ford-O-Matic, clear plastic with silver letters BAAA-15805 21.95
59-63 Gear selector dial, Cruise-O-Matic, clear plastic with red letters. B9C-15805 22.95

67-72 Gear selector dial, before serial #M60,001 . . . . . C7TZ-7B033-E 16.95
73-77 Gear selector dial D4TZ-7B033-AR 21.95

78-79 Gear selector dial, without tilt wheel D8TZ-7B033-A 16.95
78-79 Selector dial, with tilt wheel, F100 thru F350 . . . . . .D8TZ-7A213-A 39.95

66-77 Thrust washer, for column shift arms. C5TZ-7D363-B 2.95

Heater & Air Conditioner Blower Motors

48-55 Heater motor, single speed, 6 volt, aftermarket 18527-1741 87.95

56-67 Heater motor, non-vented, 2 speed, aftermarket B6A-18527-B 124.95

68-72 Heater motor, non-vented, single speed, aftermarket 18527-1773 58.95

68-72 Heater blower motor mounting gasket C1UF-18583-A 5.95

73-79 Air conditioner blower motor, with balanced wheel, integral air conditioning, F100 thru F350 . . . D3TZ-19805-A 59.95

77-79 Air conditioner blower motor, with balanced wheel, "Hi-Lo" vent, from serial #020,000, F100 thru F350 . . . . . D3TZ-19805-A 59.95

Heater Blower Motor Resistor

Heater switches rarely go bad - resistors burn out! If your blower motor isn't working, be sure to check this resistor - it could be the cause.

73-79 Heater blower motor resistor, ***Genuine Ford*** C9AZ-18591-A 28.95

Heater Cores

73-79 "Hi-Ouput" heater, 5/8" inlet & outlet, 7-3/4" x 6" x 2" thick, F100 thru F350 . . . . . C6OZ-18476-B 37.95

73-79 With factory air conditioning or "Hi-Lo" vent system, 5/8" inlet & outlet, 7-3/4" x 6" x 2" thick, F100 thru F350 . . . . . C5DZ-18476-A 32.95

Heater Hot Water Control Valves

48-63 Heater hot water valve, located on engine, F1 thru F3 & F100 thru F350 . . . FDA-18495-D 19.95

65-66 Heater hot water valve, used with economy "fresh air" heater, F100 thru F350 (not shown) C5TZ-18495-A 17.95

65-72 Heater hot water valve, used with deluxe "fresh air" heater, F100 thru F350, ***Motorcraft*** (shown) . . C3UZ-18495-A 30.95

73-74 Heater water control valve, in-line, double vacuum lines before serial #U40,001, F100 thru F350 . . . . . DODZ-18495-A 46.95

74-79 Heater water control valve, single vacuum line, from serial #U40,001, F100 thru F350, ***Motorcraft*** D4AZ-18495-A 20.95

Hot Water Heater Kits

This early accessory was created for vehicles that did not have a heater installed at the factory. Installation will be quick & easy as each kit includes detailed instructions to help with your installation, the heater box assembly, hose & clamps, the proper fitting, a water shut-off valve & a blower switch. Now available for both 6 & 12 volt electrical systems, so call us today & get some heat for your feet!

ALL Each 6 volt kit includes the heater box assembly, hose & clamps, the proper fittings, a water shut-off valve, a blower switch & complete instructions . . 18-13018-6KT 265.00 kit

ALL Each 12 volt kit includes the heater box assembly, hose & clamps, the proper fittings, a water shut-off valve, a blower switch & complete instructions . . . 18-13018-KT 270.00 kit

ORDER LINE: (800) 777-0948 24 Hour Fax Line: (716) 210-1370

Prices are each, unless otherwise noted.

Swan Neck Outside Rearview Mirror Assemblies

While not original, these swan neck mirrors are a beautiful addition to any truck. Choose from the round head style, or the unique oval head, both created in stainless steel & then polished to a high gloss. Attached to that is the lustrous chrome plated swan neck arm. All the mounting hardware is included as is a beaded rubber mounting pad. Give us a call & we'll send one your way! . . . . . .

IMPORTANT INSTALLATION INFORMATION:

All stereo equipment on this page requires a 12 volt negative ground. Use of any other ground will destroy the radio. All of these radios are engineered to fit the original dash opening with no cutting, grinding or snipping; in fact, no modifications at all. All brackets, wiring & plugs, mounting hardware, a chrome bezel & original-looking chrome knobs along with installation instructions complete the package. All of our radios carry the manufacturer's 12-month limited warranty.

PLAY CD'S IN YOUR CLASSIC CAR!

This 10-disc CD/CDR & CD-RW changer fits easily under your seat or in the trunk (11-3/8" wide x 2-7/8" high x 7-5/8" deep). It can be mounted horizontally or vertically. It's a simple one cable hook-up to a USA-5 & the radio controls all of the functions of the CD changer.

ALL USA-CD10. . . . . 318.95

Its standard features include:

- *** 16 bit twin D/A converter**
- *** 3 beam laser tracking**
- *** 8x oversampling digital filter**
- *** Advanced anti-vibration system**
- ***Includes 16' of cable & all required mounting accessories**

HUGE SAVINGS!

Our *USA-CD10* 10-disc changer plus any of our *USA-5* model radios.

SECRET AUDIO

This SA-2 model is perfect for the show enthusiast. It allows you to leave the original radio in the dash & still get digital quality sound at the touch of a button. The main receiver is hidden under the seat, or wherever you choose to put it, while the remote controlled LCD screen is flush-mounted or swivel-mounted (optional) out of sight. Being only 3/4" thick allows you to mount it almost anywhere, such as the glove box, ashtray, sun visor or console.

The SA-2 (140 watts, with radio frequency remote control) features: AM, FM stereo; 4-way fader; separate bass & treble; seek & scan tuning; flush remote mounted LCD bezel; optional swivel mount for LC control unit; dual RCA pre-out; 12 AM, 18 FM pre-set stations; CD changer controlled by wireless remote (not included) or remote mounted LCD panel.

ALL Includes remote. SA-2 254.95

SA-2

Dual Front Speaker Assemblies

Since you don't want to cut holes in your doors or kick panels for speakers, we have the perfect solution: two speakers mounted to a bracket that drop into your original dash speaker opening with no modifications at all! These assemblies are pre-wired to "plug-in" instantly to our radios. Want the best possible sound from your original speaker location? Upgrade to our dual voice coil speakers. They have 70% more cone area than our standard speakers & that gets you better bass response & 140-watt power handling capability. Each speaker has dual tweeters for crisp clear highs to make your favorite radio sound like it should. Give us a call & step up to dual voice coil speakers today.

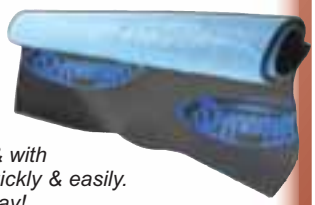
Dynamat® Sound Insulation

For years, we have been selling the original Dynamat & can boast hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat &, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!



ALL NEW Dynamat® Xtreme, each piece is 18" x 32" *(as required)* DYNAMAT-0433 29.95

Undercover Stealthspeaker

If you want dual speakers for your classic but don't know where to mount them, we offer two excellent solutions. The original design Stealthspeaker, with its 5-1/2" woofer & single Piezo tweeter, can handle 120 watts. Housed in an ABS enclosure that is only 3" high x 8.25" wide x 11.25" deep, they will fit virtually anywhere. For those who want the deepest full bass sound, upgrade to our new Stealthspeaker2. A bit larger at 2.95" high x 11" wide x 12.5" deep, it is able to handle up to 200 watts. This version adds a second Piezo tweeter for cleaner, crisper highs plus a larger 8" woofer for greater bass response. Whichever you choose, remember that both are designed specifically for under seat or horizontal "wall" installations to give you a myriad of options as to where you can place them. Call us today to give your favorite music full stereo sound with the original Stealthspeaker or even greater clarity & definition with the new Stealthspeaker2!

Dash/Cowl Wiring Harnesses

Commonly called dash wiring, this harness sits in the cowl area behind the dash & is the nerve center of your vehicle. Most of the major wiring harnesses connect to this as their functions are controlled by switches on the dash.

Ignition Switch Harnesses

The most common arrangement for ignition switches was to the right of the headlight switch.

48-50	Right of headlight switch, 6 cylinder (shown)	8HC-14401-C	189.95
48-50	Left of headlight switch, 6 cylinder	8HC-14401-A	204.95

Door Storage Compartments

Storage space is always a problem in the cab of a pickup truck. Here's an easy solution - a storage compartment that fits into the lower part of the doors. This reproduction of a great Ford accessory features a beautiful chrome surround & correct mounting screws. It's big - a full 3" deep x 12" high & 20.5" long - enough space for maps, CD's or anything else that you don't want sliding around on the seat. Call for yours today!

61-66	Door storage compartment, black vinyl skin with heavy-duty zipper, includes chrome plated bezel & mounting screws	C5TZ-8120130-PR	194.95 pair

Chrome Air Cleaners

We have found that many of our customers are doing some hot rodding on their pickups. A great place to start is under the hood with a little chrome. We offer a variety of nostalgic custom air cleaners that are chrome plated & best of all, they are very reasonably priced. If you are running a 6 cylinder with a one barrel, a V-8 with a 2 barrel or a 4 barrel, we have an air cleaner that will fit & function while it looks good. We even carry an old school style chrome plated carb scoop & a high tech air filter that recreates that unique '50s look. Any of these air cleaners are guaranteed to bring a smile to your face & the faces of your friends & fellow hot rodders, so make your choices & give us a call today!

2-5/8" air cleaners fit Holley 94 & Stromberg 97s among others.

2-5/16" air cleaners are for one barrel carbs.

Please measure the top diameter of your carb to ensure receiving an air cleaner that will fit.

ALL	Smooth for 2-5/8" throat carburetors (shown)	HR9600S1	9.75
ALL	Smooth for 2-5/16" throat carburetors.	HR9600S2	9.75
ALL	With functional louvers, for 2-5/8" throat carburetors (shown)	HR9600L1	9.75
ALL	With functional louvers, for 2-5/16" throat carburetors	HR9600L2	9.75

ALL	Paper element for above filters	HR9600PF	4.50
ALL	Carburetor scoop, for Stromberg 97s or any carb with a 2-5/8" throat.	HR9600SC	21.95
ALL	NEW Filter, for carburetor scoop listed above, with red outer ring	HR9600SCF1	15.00
ALL	NEW Filter, for carburetor scoop listed above, with black outer ring	HR9600SCF2	15.00

ALL	Bullet type, chrome, 2-5/8" throat (shown)	HR9600B1	9.75
ALL	Bullet type, chrome, 2-5/16" throat	HR9600B2	9.75
ALL	NEW Helmet style, 2-5/8" throat, 7-1/2" diameter	HR9600H1	72.25

We also have the Helmet style for the 4 barrel carbs most often found on Ford V-8 engines. These air cleaners fit the Ford Autolite 4100 that was used from 1957 on & the Holley 4150 4 barrel that was a popular replacement carb.

ALL	NEW Helmet style, 5-1/8" throat, 7-1/2" diameter (shown)	HR9600H2	72.25
ALL	NEW Helmet style, 5-1/8" throat, 11-1/2" diameter	HR9600H3	88.00

Automatic Battery Charger

AccuMate is an advanced fully automatic battery charger & maintainer for all 6 & 12 volt lead-acid batteries. It will bring your battery to a full charge & then go into "stand-by" mode. If your battery goes below a pre-determined level, the charging process is immediately restarted. Uses normal 110 volt household current outlet.

ALL AccuMate® power-charge system, 6 or 12 volt electrical system 10655-TEND 64.95

Power Inverter & Booster

Our power inverter converts a circuit of 6, 8 or 12 volt positive ground systems to 12 volt negative ground to allow operation of 12 volt negative ground accessories such as car stereos, citizen's band radios, cell phones, etc. The unit is a 1-3/4" cube & comes with a 1-year factory warranty.

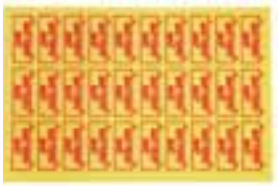
28-48 High output power inverter, positive ground, converts 6, 8 or 12 volt positive ground systems to 12 volt negative, 2.1 to 2.5 amps, 1-3/4" cube, with instructions. A10700AH 99.50
28-48 High output power booster/ boosts 6 or 8 volt negative ground systems to a 12 volt negative, output is 3.7 amps to 5 amps A10700BH 99.50

ALL NEW Battery disconnect switch, attach to the battery post, unscrew the knob when you leave the car A14300C 12.85
ALL NEW Battery disconnect switch, installs in frame or floorboards, heavy-duty, good safety item that disconnects electrical current eliminating theft, battery drain & fires A14300D 24.75

ALL NEW Battery disconnect switch mounting bracket, for switch listed above. A14300DB 7.50
ALL NEW Battery washers, for top post or side post battery terminals, prevent corrosion & help improve battery efficiency . . . . . C1AZ-10A717-B 2.95 pair

Battery Mat

Great protective accessory, absorbs & neutralizes battery acid & vapors.



ALL NEW 8" x 12", trim to fit . . . . . .BATMAT 5.95

Insulation Sheet

A well-insulated firewall, transmission tunnel & floor pans are a must for any restoration or street rod. The V700770X insulation sheet, with its space-age reflective foil bonded on both sides, is rated R18.3 (700° F heat resistance). Can also be used in kick panels, inside door panels & under carpeting.

ALL Insulation sheet, 48" x 72" x 5/16" V700770X 32.00

MAC's has an incredible library of automotive books.

From shop manuals & parts books to how-to restoration books, we've got what you need.

Check out our selection beginning on page 284.

Icon Descriptions

We have added these icons throughout our catalog where necessary & are used to denote any additional information you need about our parts.

We want your ordering experience with us to be as pleasant as possible.

NEW — These items are new to this year's catalog.

OS — Because of size or weight, the freight charges will be higher on these oversized items.

Because of size or weight, these items can only be shipped by truck.

Our resident expert, Mac, offers helpful hints & sound advice.

Do You Own Another Classic Ford or Mercury? Get Your FREE Fully Illustrated Catalog Today!

Seat Covers & Foam

Has your Bronco interior suffered? Restore it with MAC's seat covers & foam sets. Available in parchment or black, these new covers will do wonders for the look of your truck. If the foam is torn up or torn away, we have brand-new foam to give that "like new" feel.

68-77 OS Seat covers, front bucket seats, parchment. . . . . UB-74 289.95 pair
68-77 OS Seat covers, front bucket seats, black . . . . . UB-75 289.95 pair

If the back seat cover is a mess, replace it with MAC's new 2 piece seat cover, available in parchment or black.

66-77 OS Seat cover, rear bench seat, parchment UB-41 166.95
66-77 OS Seat cover, rear bench seat, black UB-42 166.95

1966 OS Seat foam, includes one cushion & one seatback *(2 required)* U12SSF 60.95

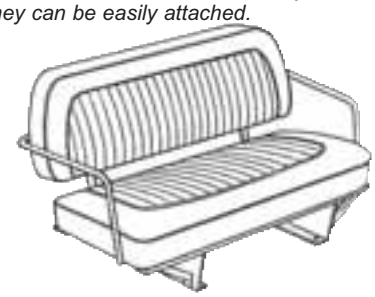
68-77 Injection molded plastic with correct surface texture, 4 pieces, white . . . . . C8ZZ-6561692-WHT 31.95 set

Rear Bench Seats

Need to seat more than two? Take a look at our complete backseat. Made using a higher density foam, it will smooth out more of the bumps in the road for the back seat rider. No need to modify, as it bolts into the original holes in the floor! The only thing it lacks are the molded armrests & if you have a pair of originals, they can be easily attached.



66-77 OS Rear bench seat, parchment UB-81 439.95
66-77 OS Rear bench seat, black UB-82 439.95

Rear Seat Parts

Door Trim Panels

MAC's 68-77 door trim panels are plastic replacements for your original vinyl-covered cardboard panels. Two styles are available: an original-looking pleated design & the basic flat design. Both can be dyed the color of your choice & feature a molded-in door handle cup.

68-77	Pleated design, black (shown) . .	C8TZ-23942-BLK	119.95 pair
68-77	Flat design, black	C9TZ-23942-BLK	119.95 pair
68-77	Watershields, fits behind door panel (*2 required*)	D1BZ-23942-ALL	8.95

Our 78 & 79 door trim panels are made of molded plastic just like the originals. Included are holes for the door handle & window crank, as well as the slots for the optional door mounted speakers.

78-79	Black, right	D8TZ-1023942-F9A	99.95
78-79	Black, left.	D8TZ-1023943-F9A	99.95

78-79	Red, left.	D8TZ-1023943-F5D	99.95

If you are restoring an XLT model you are in luck! MAC's carries door panels for this top of the line model. They feature a chrome lower grille & include the matching armrest & plastic clips required for installation. The finger cups (sold separately) & the upper vinyl or woodgrain panel (not available) are not included.

78-79	Black with chrome grille, right .	D8TZ-1023942-J9A	114.95

Bronco Carpets

MAC's premium carpet sets are simply the finest carpets money can buy. Made with only the highest quality materials, they are just like the O.E.M. carpets installed at the factory. These color-fast carpets are a top quality loop pile or 100% nylon cut pile for originality & providing superior wear resistance & durability. Flip the carpet over & you'll find 36 oz. Jute backing is applied to keep down road noise & help insulate your interior. A color coordinated heel pad is standard & since the dimmer switch wasn't always in the exact same place, an easy to install dimmer switch grommet is provided separately. Unlike the originals, our carpets cover the entire cab floor so you get a more finished look.

66-77	Front floor carpet only 6677-BRONCO-FRT	154.95	
78-79	Front floor carpet only 7879-BRONCO-FRT	189.95	
66-79	Rear cargo area, includes wheel wells 6679-BRONCO-REAR	149.95	
66-77	Includes front floor & rear cargo area with wheel wells 6677-BRONCO-SET	254.95 set	
78-79	Includes front floor & rear cargo area with wheel wells 7879-BRONCO-SET	279.95 set	
ALL	NEW 05 We now offer carpet by the yard, choose from any color listed to match your interior & be sure to specify if you want loop or cut pile. 72" wide . . CARPETYARD	44.95	

When ordering carpets we will need the following information

1. The year, make, and model of your Bronco
2. Is your transmission automatic or manual, is it column or floorshift
3. Is it 2 wheel or 4 wheel drive
4. If it's a 1966–1979 with 2 wheel drive & automatic transmission, does it have a C-6 transmission
5. Which color you need

Vinyl Flooring *(all OS)*

If you want the ultimate in easy to clean, long lasting flooring, go vinyl. These 1/8" thick vinyl mats are molded to the floor exactly like our carpets & since they cover the floor from door to door & firewall to back wall you have complete interior protection. Pre-cut 36 oz. jute fiber is included for the passenger area to increase the amount of insulation against heat, cold & road noise. Remember, vinyl is much more resistant to temperature changes & moisture than rubber, so these mats will last & last. Call us to order yours today!

Insulation

MAC's carries insulation for every budget & level of restoration. We have several types sold in bulk pieces that are perfect for the economy minded restorer. They must be cut to fit, but can be used in most any application. The next steps up are sound deadener & heat shield die-cut kits. Being pre-cut, these kits greatly simplify the installation process. Finally, for the ultimate in insulation, the absolute best at damping road noise, all sold in kits that are pre-cut for every application, we have AcoustiSHIELD.

Jute Backing

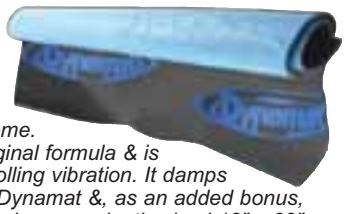
This very popular item is used under the floor mat & other locations.

ALL 1/2" thick x 36" wide x 72" long. B13000 15.95

MAC's recommends the using this adhesive for attaching jute padding to metal or plastic.

ALL General trim adhesive, 18.1 oz. spray can, 3M brand . . . . . RSP29 * 14.75

Dynamat® Sound Insulation



For years, we have been selling the original Dynamat & can boast hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat &, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!

ALL Dynamat® Xtreme, each piece is 18" x 32" *(as required)* DYNAMAT-0433 29.95

Body Insulation Sheeting

ALL Tar coated, original in style, for doors, trunk lid, etc., 36" x 96" x 1/16" piece . . V5010F 7.75

Undercoating

To fill in the gaps between sound deadener sheets or firewall insulation, use this under coat. Its rubberized formula will protect, seal & insulate.

ALL Under Coat, 17 oz. spray . . . . . RSP49 * 9.95

Firewall Insulation

A well-insulated firewall, transmission tunnel & floor pans are a must for any restoration or street rod. The V700770X insulation sheet, with its space-age reflective foil bonded on both sides, is rated R18.3 (700° F heat resistance). Can also be used in kick panels, inside door panels & under carpeting.

ALL 48" x 72" x 5/16" . . . . . V700770X 32.00 roll

Sound Deadener & Heat Shield Kits

Make your vehicle quieter with our Sound Deadener Kit. Keep it warmer in the cool months & cooler in the hotter months with our Heat Shield Kit, or combine both for a great one-two punch for your interior.

66-79 Sound Deadener Kit, die-cut, made from that asphalt based material (Ethyl Vinyl Acetate - EVA) used by OE manufacturers on the floor pans of new cars & trucks. It reduces road noise & vibrations efficiently & it is very easy to apply . . . . . .6679-SOUND-KT 64.95 kit
66-79 Heat Shield Kit, die-cut, 1/4" thick, 24 oz. jute padding on one side to insulate against heat & cold & the other side is two layers of fiber reinforced aluminum foil . . . . . .6679-HEAT-KT 64.95 kit

FIREWALL

Firewall Covers

This does not pretend to be "just like the original" because it is far superior! Constructed of molded ABS plastic & backed with fiberglass, this fits like the original but does a far better job of controlling the heat & dampening outside noise. Shipping & handling charge of $30.00 in the continental U.S.

66-77 OS Requires (6) 48-7001670-A, listed below C6TZ-9601670-B 178.95

DASH

Dash Pads

Every time you get into your Bronco, do you look out over a faded & cracked dash pad? We have the solution to that dilemma – new factory fresh dash pads. Made just like the original, these vinyl covered, foam backed beauties will make your day! Available now in 3 factory colors & of course, any of them can be dyed if necessary. Call for yours today.

78-79 OS Black (shown) D3TZ-1004282-CR 199.95
78-79 OS Blue D3TZ-1004282-A 337.95
78-79 OS Red D6TZ-1004282-A 337.95

Dash Pad Covers

This is the quick, easy & less expensive way to replace that cracked & faded dash pad. Made to fit right over the existing pad, it will make your interior look 150% better for an hour of work. The holes for the radio speaker & defroster vents are already there so no cutting is required. To make this a complete installation kit, silicone adhesive is included.

To help get your seals & weatherstripping separated from the glass, use this! Loosen up tough, hardened old glue & weatherstrip adhesive, with this terrific quick release agent. It makes quick & easy work out of an otherwise miserable job. Your new weatherstripping will have a better fit when the buildup of old glue is removed. Get rid of that old glue the easy way, with quick release agent from MAC's Antique Auto Parts.

ALL 14 oz. spray can . . . . . .RSP958 * 10.95

* ***HAZARDOUS MATERIAL*** *- can only be shipped by ground within the U.S. because of government safety regulations.*

Hood

This hood is shipped in a special box to avoid damage. It is too large to be shipped by U.P.S. & must be shipped by truck directly from the factory. There is a special boxing charge of $10.00 per hood. The truck delivery charges are C.O.D., which means you must pay truck delivery charges to the driver when delivered. However, the hood itself & the special boxing charge must be pre-paid. Boxing charges apply whether shipped or picked up at our store. Truck rates begin at a 100-pound minimum & increase depending on weight & distance from MAC's to your "ship-to" address. Minimum charges are $100.00 & high charges could be $125.00 or more. Trucking companies also charge about $25.00 for a residential delivery & about $25.00 more to notify you by telephone about your delivery, if you request notification.

78-79 Hood D8TZ-16612-AR 373.95

Door Handle Shaft Assemblies

Also known as the door handle pivot, this fits behind your door panel & links the latch to the inside handle. Over time the internal spring might break or the spline gets worn. In either case it becomes increasingly difficult to open your door from the inside. This brand new reproduction will give you years of trouble-free service, so call us & put one on order today!

Custom Fender Emblems *(as required)*

Recognizing that many Bronco owners change engines for more power & modern reliability, we are now offering fender ornaments that state what resides under your hood today. These beautifully chromed, accurately die-cast emblems feature perfectly painted details, from the black ribbing on the "V" emblems, to the lettering & checkered flag effect on the Hi-Po badges, to the red dot on the five-oh emblem, they will enhance the look of your truck & add a cool custom touch. Call for yours today! None of the below were ever used on the Bronco originally.

66-77 Although this was never used on the Bronco, if you have "enhanced" your 289, you might want to clue the public in with this proclamation of ***"High Performance"***, chrome with a black painted checkered flag effect this fits perfectly behind the 289 or 302 "V" emblem, requires (1) 375480-S to install C5ZZ-16228-B 13.95

66-77 ***"High Output"***, since the modern high performance 302 is referred to as ***"High Output"*** this variation of the original Hi-Po emblem was created, it's chrome with a black painted checkered flag effect just like the original & fits behind the 289 or 302 "V" emblem, requires (1) 375480-S to install C5ZZ-16228-HO 15.95

66-77 With many a Bronco getting a later year motor installed, a ***"302"*** emblem has been created that mimics the original 289 badge with its black painted ribbing & chromed "V" shape, requires (2) 375480-S to install C3OZ-16228-302 14.95

66-77 NEW ***"351"***, chrome plated die-cast, blue background with white letters, includes 2 pal nuts to attach (shown) . . . C9GZ-16228-A 29.95

66-77 NEW ***"351"***, chrome plated die-cast, red background with white letters, includes 2 pal nuts to attach C9GZ-16228-R 29.95

66-77 If you have installed a late model 5.0 engine we have an emblem for you as well! The original "V" shape again is used with brilliant chrome ***"5.0"*** up top. It even has the red painted dot between the numbers, requires (2) 375480-S to install C3OZ-16228-50 15.95

66-77 This is a copy of the fender emblem used on Mustangs starting in 1979. It's a ***"5.0"*** with an easy-to-apply adhesive backing . . D9ZZ-16228-A 11.95

Emblem Barrel Clips (as required)

ALL Pin diameter range 0.128" to 0.190" (large) 375480-S 0.75

ALL Pin diameter range 0.120" to 0.130" (medium) 375890-S 0.60

ALL Pin diameter approximately 0.062" (small) 378362-S 0.50

Body Side Moulding Sets

Upper side 1-1/4" wide moulding sets include: left & right front fender, both doors, left & right quarter panels & the tailgate. All fasteners are included.

Race Track Mouldings

Beginning in 1978, Ford created a moulding package that combined the wide, upper vinyl insert mouldings with thinner lower mouldings & dubbed it "Race Track" mouldings. MAC's is proud to offer the upper mouldings. All are newly manufactured using original Ford tooling so final quality is assured. All mouldings listed below include the installation clips.

78-79	Save OS 6 pieces, includes: • (1) D3TZ-16003-C, • (1) D3TZ-16004-C, • (1) D3TZ-1020938-B, • (1) D3TZ-1020939-B, • (1) D8TZ-9820938-B, • (1) D8TZ-9820939-B, plus all the moulding clips	D8TZ-9821048-BST	524.95 set

Today's motor oil is formulated for new cars & their roller rocker arms. The additive ZDDP has been reduced over the years to where using it in a flat tappet equipped engine can cause excessive wear on a camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL	NEW	4 oz. bottle	ZDDPLUS	9.95

78-79 351M & 400, ***Motorcraft*** D1AZ-6766-A 23.95

Oil Breather Hose

66-68 V-8, 289, from 5-2-66, from oil breather cap to air cleaner C6AZ-6A664-P 18.95

STARTER

Starter Motors, Remanufactured

The remanufactured starter motors listed below are sold on an exchange basis. Your rebuildable core must be returned in the rebuilder's original package. The core charge of $20.00 will be refunded if an acceptable core is received within 90 days of purchase date.

66-72	2 bolt mount, 6 cylinder 170	C6OZ-11002-A	59.95
66-72	2 bolt mount, V-8 289 & 302	C5TZ-11002-D	59.95
73-74	3 bolt mount, 6 cylinder 200 with automatic transmission, (shown)	C3OZ-11002-C	79.95
73-74	2 bolt mount, 6 cylinder 200 with manual transmission	C6OZ-11002-A	59.95
73-77	2 bolt mount, V-8 302 with automatic transmission, (shown)	C2OZ-11002-B	59.95
73-77	2 bolt mount, V-8 302 with manual transmission	C5TZ-11002-D	59.95

Starter Bolts

66-67	For 289, these bolts use the 1/2" wrench size required because of the tight fitting 289 starter, also includes an integral split lock-washer, silver finish	C5ZL-1409	3.95 pair
68-73	For 302, these bolts use the 1/2" wrench size required because of the tight fitting 302 starter, also includes an integral split lock-washer, yellow zinc finish	C8ZL-1410	3.95 pair

Starter Drives

66-68	Fits 4-1/2" diameter starter	C6VY-11350-A	31.95
69-77	All engines	C6VY-11350-A	31.95

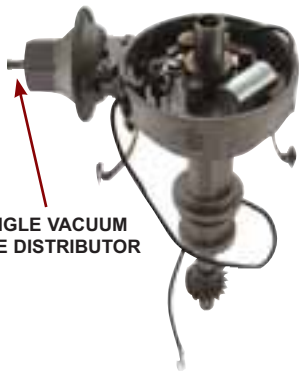
Starter Relay

66-79	Replacement style	B6A-11450-A	11.95

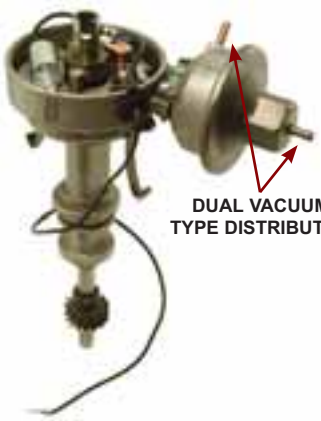
IGNITION

Distributors, Remanufactured

*There is a **$50.00 core fee** (unless otherwise noted) on all the distributors listed below.*



SINGLE VACUUM TYPE DISTRIBUTOR



DUAL VACUUM TYPE DISTRIBUTOR

66-67	Single vacuum, 6 cylinder, 170 with smog equipment	12127-2914	64.95
66-67	6 cylinder, 170 without smog equipment	12127-2913	61.95
73-74	6 cylinder, single vacuum, 200	12127-2914	64.95
73-74	6 cylinder, dual vacuum, 200	12127-2983	57.95
69-77	V-8, single vacuum, 302, includes points & condenser (shown)	12127-2100	69.95
69-77	V-8, dual vacuum, 302, 6 cylinder 170 & 200 with thermactor emissions (shown)	12127-2180	57.95

Distributor Vacuum Advances

68-71	289 & 302 V-8	C8AZ-12370-A	28.95
75-77	For all 302 V-8 with transistorized ignition	D7TZ-12370-C	16.95

Distributor Tune Up Kits

Save money-buy the kit! All you need to tune up your distributor in one package at one low, low price. Our tune-up kits include points, condenser & rotor. Individual kit components are available in the next listings.

1966	Save 6 cylinder 170 without thermactor emissions, kit includes: (1) FAA-12171-A, (1) 7RA-12300-C & (1) 59A-12200 (not shown)	A7A-12000-BKT	9.95 kit
67-74	Save 6 cylinder 170 & 200 with thermactor emissions, 240 & 300, kit includes: (1) FAA-12171-A, (1) B9AZ-12300-A, & (1) C5TZ-12200-B	C5AZ-12000-DKT	14.95 kit
66-77	Save V-8 289 & 302, kit includes: (1) A12151CPT, (1) B9AZ-12300-A & (1) B7A-12200-A (shown)	COTZ-12000-AKT	17.95 kit

Prices subject to change without notice.

Ignition Coils & Parts

66-74	All black, replacement type	B6A-12029-B	21.95
66-74	Black body with mustard top, as original	B6A-12029-MT	53.95
75-79	Aftermarket replacement (not shown)	D5AZ-12029-A	24.95

Coil Bracket

66-77	Painted black, includes zinc plated hex head bolt & nut	C4DZ-12043-A	12.95
66-77	Stainless steel, includes zinc plated hex head bolt & nut	C4DZ-12043-SS	17.95

"Flame Thrower" Ignition Coils

The "Flame Thrower" is a high-performance 40,000 volt ignition coil-it is the best coil to use with our Pertronix Ignitor breakerless points & condenser replacements.

66-77	1.5 ohm resistance, 8 cylinder, black	12029-40011	34.95
66-77	1.5 ohm resistance, 8 cylinder, chrome	12029-40001	38.95
66-77	NEW 6 cylinder, 3 ohm resistance, chrome	12029-40501	38.95
66-77	NEW 6 cylinder, 3 ohm resistance, black	12029-40511	34.95

"The Ignitor", Points & Condenser Replacements

Never fight with another set of points again! Install "The Ignitor" by Pertronix, the breakerless electronic ignition module. Get longer plug life, better fuel economy & increased horse-power! For optimum results, use with "Flame Thrower" ignition coils listed above.

66-75	Ignitor, all 6 cylinder engines	12127-1261	77.95
66-74	Ignitor, all V-8 engines, **except** dual point distributors	12127-1281	75.95

Distributor Caps

66-74	6 cylinder, 170 & 200 (shown)	7HA-12106	6.85
66-77	V-8, 289 & 302 (shown)	B7A-12106-A	8.95
66-77	V-8, 289 & 302, with correct brass contacts	B7A-12106-EARLY	12.95
78-79		E6TZ-12106-A	31.95

Vacuum Spark Advance Control

69-72	Ported vacuum switch, 6 cylinder, 170	C8AZ-12A091-A	20.95

Distributor Point Sets

66-74	6 cylinder, 170 & 200	FAA-12171-A	4.95 set
66-77	V-8, 289 & 302	A12151CPT	3.40 set

Distributor Rotors

Script Battery

Here's a battery that looks original but packs a whole lot of modern technology. Inside the reproduction case is a maintainance-free sealed unit. Gone are the days when you had to add electrolyte & then charge the battery before attempting to use it. This battery goes from the shipping carton to your car, no acid, no charging, just connect the cables, start your engine & head down the road.

Shipping charges apply whether shipped to you or picked up at our store & batteries can only be shipped in the continental U.S.

66-77 12 volt, 65 amp hours, group 24, ***"AUTOLITE Sta-Ful"*** embossed on top & front, 10-3/4" long x 6-3/4" wide x 9" high, molded case, **$45 shipping fee** 24F-AUTOLITE 328.95

68-77 NEW Switch bezel C8TZ-10852-B 16.95
68-77 NEW Switch bezel nut C1TZ-9A389-A 7.95

Fuel Stabilizer

The ideal formulation to add to the gas tank when storing vehicles for extended periods. It not only prevents varnish & tank corrosion, it has a no alcohol formula & will not attack rubber lines or diaphragms as many other fuel stabilizers do.

ALL 1 quart can, 1 oz. of this product will keep 3 gallons of fuel fresh for at least 3 years . . . . . RSP101 * 28.95 quart

* ***HAZARDOUS MATERIAL*** *- can only be shipped by ground within the U.S. because of safety regulations.*

Which is worse on a carburetor ... years of rough service, or sitting around a garage while old gas turns to varnish in tiny jets, ports & orifices? Who knows? But we do know that our top quality rebuilt carburetors will eliminate all of those typical carburetor problems & provide you with smooth, reliable performance for years.

Custom Rebuilt Carburetors

We have looked for years for a high-quality rebuilder to come forward & stand behind their craftsmanship & we've finally found exactly that! Send us your current carburetor & your unit will return live-engine tested & restored to an O.E.M. appearance & include:

- *Master rebuild kits installed*
- *Fuel filters (when originally equipped)*
- *Floats*
- *Choke cover*
- *Needle & seat*
- *Gaskets*

NOTE: *Since we have no cores available we must rebuild your original carburetor. Send us your complete rebuildable unit & we will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 3 to 4 weeks from the date we receive your core. The rebuilding price listed below assumes the entire assembly is intact & in decent condition. If any major parts are missing, if the unit is not rebuildable, or if the cost will be greater than the prices listed below, we will advise you.*

1 or 2 bbl Carburetors

66-79 Any 1 or 2 bbl carburetor, rebuilt as described above 9510-1/2BBL 229.95

6 Cylinder Single Exhaust

Important Exhaust System Note
Please Read Carefully

While not meant to be "concours-correct", modern replacement-style exhaust systems are serviceable replacements as complete systems, made from the Huth patterns. Trying to repair an exhaust system using individual parts from more than one manufacturer might require modification of the parts involved. Because of manufacturing & assembly variations between the factory installation & later replacement parts, it might be that several aftermarket parts are required to replace one original factory part. This method also allows us to ship all exhaust components by economical UPS or USPS rather than by truck which is much more expensive. Parts modified for any reason cannot be returned, exchanged, or refunded.

The exhaust components listed in this catalog are designed for stock applications. Performance applications are not available.

1966

1966	Gasket, manifold to front exhaust pipe, right	E6249	2.95
1966	OS Exhaust pipe, front, right	E98918	46.95
1966	Muffler, right, customer must size outlet mating pipe to fit	E19393	51.95
1966	Clamp, muffler inlet	E743	1.95
1966	Clamp, muffler outlet	E677	1.95
1966	OS Tailpipe, rear, right	E86016	35.95

1967-1972

67-72	Gasket, manifold to front exhaust pipe, right	E6249	2.95
67-72	OS Exhaust pipe, front, right	E98918	46.95
67-72	Muffler, right, customer must size outlet mating pipe to fit	E19393	51.95
67-72	Clamp, muffler inlet	E743	1.95
67-72	Clamp, muffler outlet	E677	1.95
67-72	OS Tailpipe, rear, right	E08992	35.95

1973-1974

73-74	Gasket, manifold to front exhaust pipe, right	E466	1.95
73-74	OS Exhaust pipe, front, right	E09434	38.95
73-74	Muffler, right	E19393	51.95

Genuine Ford B1AZ-3518-A 8.95

Steering Gearbox, Rebuilds

We can rebuild almost any gearbox. Send us your complete rebuildable core & we'll have it completely disassembled, cleaned, inspected & repair any problems. Include your daytime phone number so we can contact you if necessary. The usual turnaround time is 3 to 4 weeks from the date we receive your gearbox. The rebuilding estimated price shown below assumes you have a useable sector shaft & the housing is not cracked or broken. If we have to supply a sector shaft, the additional cost will be between $45.00 & $75.00, depending on the model & availability. A cracked or broken housing might be repairable or replaceable & will result in additional charges. If for any reason, after disassembly & inspection, you decide not to proceed promptly with the rebuilding, only the return shipping costs will be charged.

USA-1
AM/FM Cassette Stereo Radio

Our "standard" radio has more than just "standard" features. With 200 watts of power, a chrome nosepiece & reproduction knobs. Get today's sound out of your original dash! Standard features include:

- **Electronic Tuning**
- **Auto Reverse**
- **30 Station Presets** ***(12 AM, 18 FM)***
- **Preset Memory Scan**
- **Digital Clock**
- **Power Antenna Lead**
- **Dual RCA Pre-out**
- **Front To Rear Fader**
- **Fast Forward & Rewind**
- **Seek & Scan**
- **Separate Bass & Treble**
- **Left & Right Balance Control**

68-77	C8BZ-18806-CA1	222.95
78-79	D3TZ-18806-CA1	222.95

Best Of All, They Fit Your Factory Original Dash Opening!

All of these radios are engineered to fit the original dash opening with no cutting, grinding or snipping. In fact, no modifications at all. All brackets, wiring, plugs, mounting hardware, chrome bezel, original-looking chrome knobs & installation instructions complete the package. All of our radios carry the manufacturer's 12 month limited warranty.

USA-5
AM/FM Cassette Stereo Radio

This radio is equipped with all the features of the USA-1, plus 240 (4 x 60) watts of power. You also get 6 more station presets, a CD changer control & metal tape capability.

68-77	C8BZ-18806-CA5	302.95
78-79	D3TZ-18806-CA5	302.95

IMPORTANT INSTALLATION INFORMATION:

All stereo equipment on this page requires a 12 volt negative ground. Use of any other ground will destroy the radio. All of these radios are engineered to fit the original dash opening with no cutting, grinding or snipping; in fact, no modifications at all. All brackets, wiring & plugs, mounting hardware, a chrome bezel & original-looking chrome knobs along with installation instructions complete the package. All of our radios carry the manufacturer's 12-month limited warranty.

PLAY CD'S IN YOUR CLASSIC CAR!

This 10-disc CD/CDR & CD-RW changer fits easily under your seat or in the trunk (11-3/8" wide x 2-7/8" high x 7-5/8" deep). It can be mounted horizontally or vertically. It's a simple one cable hook-up to a USA-5 & the radio controls all of the functions of the CD changer.

ALL	USA-CD10	318.95

Its standard features include:

- *** 16 bit twin D/A converter**
- *** 3 beam laser tracking**
- *** 8x oversampling digital filter**
- *** Advanced anti-vibration system**
- ***Includes 16' of cable & all required mounting accessories**

HUGE SAVINGS!

Our *USA-CD10* 10-disc changer plus any of our *USA-5* model radios.

SECRET AUDIO

This SA-2 model is perfect for the show enthusiast. It allows you to leave the original radio in the dash & still get digital quality sound at the touch of a button. The main receiver is hidden under the seat, or wherever you choose to put it, while the remote controlled LCD screen is flush-mounted or swivel-mounted (optional) out of sight. Being only 3/4" thick allows you to mount it almost anywhere, such as the glove box, ashtray, sun visor or console.

The SA-2 (140 watts, with radio frequency remote control) features: AM, FM stereo; 4-way fader; separate bass & treble; seek & scan tuning; flush remote mounted LCD bezel; optional swivel mount for LC control unit; dual RCA pre-out; 12 AM, 18 FM pre-set stations; CD changer controlled by wireless remote (not included) or remote mounted LCD panel.

ALL	Includes remote. SA-2		254.95

SA-2

Dual Front Speaker Assemblies

Since you don't want to cut holes in your doors or kick panels for speakers, we have the perfect solution: two speakers mounted to a bracket that drop into your original dash speaker opening with no modifications at all! These assemblies are pre-wired to "plug-in" instantly to our radios. Want the best possible sound from your original speaker location? Upgrade to our dual voice coil speakers. They have 70% more cone area than our standard speakers & that gets you better bass response & 140-watt power handling capability. Each speaker has dual tweeters for crisp clear highs to make your favorite radio sound like it should. Give us a call & step up to dual voice coil speakers today.

Dual Front Speaker Assembly

68-77	Tuning or volume, with flat pin	C8TZ-18817-A	12.95

Undercover Stealthspeaker

If you want dual speakers for your classic but don't know where to mount them, we offer two excellent solutions. The original design Stealthspeaker, with its 5-1/2" woofer & single Piezo tweeter, can handle 120 watts. Housed in an ABS enclosure that is only 3" high x 8.25" wide x 11.25" deep, they will fit virtually anywhere. For those who want the deepest full bass sound, upgrade to our new Stealthspeaker2. A bit larger at 2.95" high x 11" wide x 12.5" deep, it is able to handle up to 200 watts. This version adds a second Piezo tweeter for cleaner, crisper highs plus a larger 8" woofer for greater bass response. Whichever you choose, remember that both are designed specifically for under seat or horizontal "wall" installations to give you a myriad of options as to where you can place them. Call us today to give your favorite music full stereo sound with the original Stealthspeaker or even greater clarity & definition with the new Stealthspeaker2.

Interior Trim

Floor Mat & Insulation

Front Floor Mat

These US-made rubber mats are the original design & have openings cut into them to fit pedals.

***NOTE:** Over time the original molds have developed small flaws. Currently the sole manufacturer will not make new molds. The padding underneath is not included, but is sold seperately & is listed below. MAC's will accept any returns, but unfortunately has nothing different to offer at this time.*

TOP SELLER

61-67 Black, rubber C1UZ-8913010-A 97.95

Sound Deadener

The mats listed above do not have any underlayment of any kind. We offer 3 types for your comfort & convenience. Jute padding is the most common type used from the factory. For the top-of-the-line in insulation we carry jute padding with a reflective foil bonded to both sides. For the ultimate in sound deadener, we carry only the best—Dynamat Xtreme. Make your choice & call us today!

Jute Backing Padding

ALL Jute padding, use under the floor mat to provide some cushioning to the mat, it also is good at damping the outside sounds & keeping heat out, 1/2" thick x 36" wide x 72" long, must be cut to fit B13000 15.95

Heat-Resistant Waterproof Padding

ALL This heat-resistant, waterproof backing is an excellent sound deadener. It can be installed under carpeting or floor mats, headliner & door panels to keep heat & noise where it should be—outside! Made of jute padding with space-age reflective foil bonded on both sides, rated to 700° heat resistance. 5/16" x 48" x 72", must be cut to fit . . . V700770X 32.00

Dynamat® Xtreme

For years, we have been selling the original Dynamat & can boast hundreds of satisfied customers. We are now proud to offer the next generation of Dynamat sound deadeners: Xtreme. Xtreme is a step up from the original formula & is Dynamat's best product at controlling vibration. It damps 4 times as much as the original Dynamat &, as an added bonus, it weighs 50% less. It is available in conveniently sized 18" x 32" sheets & with peel & stick application; it goes on quickly & easily. Do yourself a favor & order some today!

ALL Dynamat® Xtreme, each piece is 18" x 32" *(as required)* DYNAMAT-0433 29.95

61-67 Seal between side door glass & back corner *(2 required)*, see 3 below . . C1UB-89305A28-C 37.95

Rear/Side Door Glass Seals-with Fixed Window

NOTE: "With notch" & "without notch" refer to the rubber seal type required to go over the factory metal trim. The type without a notch was only used on vans built in October & November of 1960. After that, all vans had an inside curved weather seal retainer lip that required the seals to have a notch. See illustration for both types. One pair does 2 doors, fits both rear & side doors

1961 Fixed window without notch, van *(2 pair required)*, W/O, see 2 below . . . . . C2UZ-8941954-C 53.95 pair

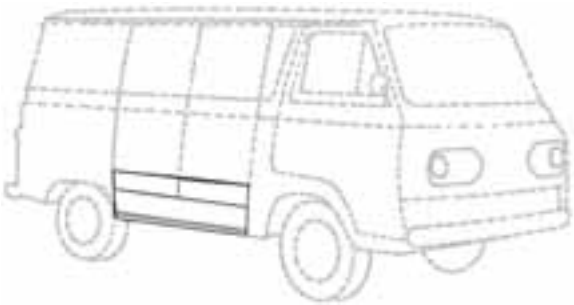
Sheet Metal

Patch panels are stamped from 19 to 20 gauge cold rolled steel. Some sheet metal parts listed have multiple applications & might require easily-accomplished cutting or modification to accommodate your particular vehicle. All sheet metal requires "fitting" for proper placing & welding to accomplish installation. Painted or otherwise modified sheet metal is not returnable regardless of the reason.

Side & Door Panels



61-67 OS Body side patch panel, 55" long x 21" high, right or left. .27841-67117-L 86.95

Which is worse on a carburetor...years of rough service, or sitting around a garage while old gas turns to varnish in tiny jets, ports & orifices? Who knows? But we do know that these top quality remanufactured carburetors will eliminate all of those typical carburetor problems & provide you with smooth, reliable performance for years.

Custom Rebuilt Carburetors

We have looked for years for a high-quality rebuilder to come forward & stand behind their craftsmanship & we've finally found exactly that! Send us your current carburetor & your unit will return live-engine tested & restored to an O.E.M. appearance & include:

- *Master rebuild kits installed*
- *Gaskets*
- *Floats*
- *Choke cover*
- *Needle & seat*
- *Fuel filters (when originally equipped)*

NOTE: *Since we have no cores available we must rebuild your exact carburetor. Send us your complete rebuildable unit & we will completely clean, inspect & rebuild it. Include your daytime phone number so we can contact you if necessary. Usual turnaround time is 3 to 4 weeks from the date we receive your core. The rebuilding price listed below assumes the entire assembly is intact & in decent condition. If any major parts are missing, if the unit is not rebuildable, or if the cost will be greater than the prices listed below, we will advise you.*

1 or 2 bbl Carburetors

61-67 Any 1 or 2 bbl carburetor, rebuilt as described above 9510-1/2BBL 229.95

Carburetor Cleaner

ALL Carburetor cleaner, eliminates varnish & gum, great for old cars, 12.5 oz. spray can. . . . . .RSP14 * 4.95

* ***HAZARDOUS MATERIAL*** *- Can only be shipped by ground/surface within the U.S. because of government regulations.*

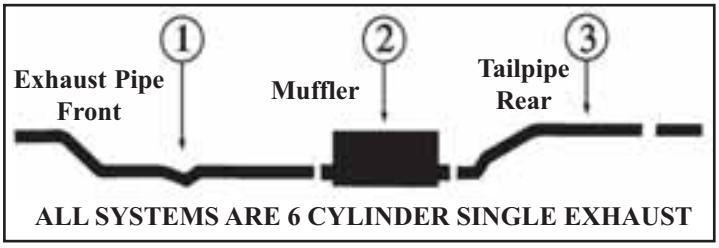
65-67 Intake & exhaust manifold gasket set, 6 cylinder, 240 . . . . . C5AZ-9433-A 14.95 set

Important exhaust system notes. Please read carefully. These exhaust components are aftermarket replacement parts made from the Huth replacement pattern system. In many cases they are close to original, but are not exact duplicates. Because of manufacturing & assembly variations between the factory installation & later replacement installation, it might be that several aftermarket parts are required to replace one original factory part. This method also allows us to ship all exhaust components by economical UPS or USPS, rather than by truck which is much more expensive. Custom or modified exhaust is not available.



The exhaust components listed in this catalog are designed for stock applications & are not to be used for performance applications. In order to lower shipping costs, some long pipes might have to be cut into two pieces.

Exhaust Components

1961-64

61-64 Gasket, manifold to front exhaust pipe, right E6075 2.95
61-64 OS Exhaust pipe, front, right E86048 32.95

Rebuild Steering Gearbox

MAC's can rebuild most gearboxes. Send us your complete rebuildable core & we will completely disassemble, clean, inspect & repair any problems. Include your daytime phone number so that we can contact you if necessary. Usual turnaround time is 3 weeks from the date we receive your rebuildable gearbox. The estimated rebuilding price shown in this catalog assumes you have a useable sector shaft & its housing is not cracked or broken. If we have to supply a sector shaft, the additional cost will be between $45.00 & $75.00, depending on the model & availability.A cracked or broken housing might be repairable or replaceable & will result in additional charges. If, after disassembly & inspection, you decide for any reason not to proceed promptly with the rebuilding, only the return shipping costs will be charged.

61-67 See note below . . . . . C3UZ-3504-RR 490.95 +

NOTE: *Because of the nature of the Econoline's nearly upright steering column, it is impossible to know the condition of your steering gearbox. Therefore, we are unable to supply an exact rebuild price. However, the price range is $350.00 to over $600.00. MAC's can supply you with an exact cost only after receiving, disassembling & inspecting your unit.*

CLUTCH

Always check the condition of your flywheel & ring gear when your clutch assembly is removed. If the surface of your flywheel is scorched with "hot spots", take it to a reliable machine shop to have it milled, or replace it with a brand new unit. Worn teeth on your ring gear might cause starter problems. Also, check your clutch pilot bushing in the end of the crankshaft. If in doubt, replace it!

Parts Books

The following books are reprints of the original parts books that every Ford truck dealer had in its Parts Department. If a parts man didn't know what a particular part was, he looked it up in the illustrations book. This book has exploded views of virtually all the parts on the truck. These are broken down into sections covering different areas, like steering, brakes, rear axle, transmission, etc. The text lists which part numbers belong on which truck. Both the 48-56 & the 57-63 text & illustrations are bound catalogs. For 64-72, only loose-leaf pages are available.

48-56	Parts Text, 790 pages, bound catalog, covers 48-56 chassis & 53-56 body parts	BK89464	112.95
48-56	Parts Illustrations, 396 pages, bound catalog covers 48-56 chassis & 53-56 body	BK89465	112.95
57-63	Parts Text, bound catalog, 2 volume set, 1993 pages, covers 57-63 chassis & body parts	BK87697	112.95
57-63	Parts Illustration, bound catalog, 944 pages, covers 57-63 chassis & body	BK87698	112.95

Ford Products Engine Equipment Assembly Manuals

The ideal companion to your shop manual! These books are officially licensed collections of Ford Technical Illustrations of external engine components (alternator, choke lines, emission components-almost anything that mounts to the outside of the block). Reprinted from original Ford Assembly manuals. These books are incredibly helpful to anyone working on a Ford engine.

Ford Road Series

The "FORD ROAD SERIES" books by Ray Miller are absolutely fantastic for restorers, collectors & even people who just love to look at beautiful photos of old Fords. Each volume traces its particular model thru from drawing board, to the factory, to the showroom & finally to the customer. Every book is overflowing with excellent black & white photos of the cars, including many highly detailed close-ups of individual components (excellent for showing you what is "correct" for your model). The photos document styling, trim & equipment changes from year to year & demonstrate the differences in various trim levels.

The "FORD ROAD SERIES" is the most thoroughly informative, most intensely illustrated reference collection available for these cars. With the masterful color photography featured on the covers, these books are also perfect for the coffee table, or for your Concours display.

09-27 ***From Here to Obscurity***, 293 pages, 950 pictures, hardbound, the final word on Henry's Model T 128 34.00

Oil Cap Parts

62-68 Oil cap, chrome 6766-AC 6.95
62-68 Oil cap, chrome, with tube 6766-TAC 6.95

62-68 Oil cap grommet 6766-G 2.95
62-68 PCV grommet 6A892-A 2.95

Valve Covers

These aftermarket valve covers are gorgeous chrome. Since they are slightly different than the originals you'll need to use the grommets & oil caps that are listed below.

62-68 Chrome, 6 cylinder, 200 . . . . . C3DZ-6582-CH 39.95
66-77 Chrome, 260, 289 302 & 351W V-8s (not shown) . . . . . C5AZ-6582-CH 35.95 pair
66-69 Chrome, 8 cylinder, 390 . . . . . C6OZ-6582-CH 39.95 pair

The black wrinkle finish powder coated valve cover shouts hi-performance. Pressure cast from 383-3 aluminum alloy, they are fitted with a cadmium plated oil filler tube to resist corrosion. They even have an improved oil baffle design for use with high lift camshafts. Spark plug wire brackets & the PCV grommet are included.

66-77 289 V-8, ***"289 POWERED BY FORD"*** . 6A582-289 164.95 pair
66-77 351W V-8, ***"351 POWERED BY FORD"*** . . . . . .6A582-351 164.95 pair

66-77 289, 302 & 351W V-8s, Bronco, ***"POWERED BY FORD"*** . . . . 6A582-BRONCO 175.95 pair

68-71 V-8, ***"302 POWERED BY FORD"*** cast into the top. . . . . .6A582-302 164.95 pair

If you need "concours correct", you will find these are completely accurate down to the last detail.

Traffic Light Finders

If you have ever driven a vehicle with a chopped top or a classic that has a windshield visor, you'll know what this little prism is all about. It allows you to see a traffic light without craning your neck to see out of your windshield. Two versions are available; the deluxe version has a chrome base with a pivoting threaded arm so you can mount it wherever is best for you. Our economy version is perhaps more versatile as it has a rubber suction cup that allows it to be mounted virtually anywhere.

ALL Suction cup mount, plastic prism A18300 11.95
ALL Stud mount, glass prism, chrome A18300D 16.95

Voltage Reducers

Now you can run 12 volts under the hood & still retain your factory 6 volt gauges. Just add our 12 to 6 volt reducer & your gauges will perform like they always have.

MAC's is here to help you get ready for long term or winter storage!

Up here in the north, we put our toys away for the winter so they stay looking as good as possible. MAC's can provide you with all the products that will make that as easy as 1 - 2 - 3! At the top of the list is Fuel Stabilizer to keep that precious fuel from getting gummy over the winter. Next, keep that battery at full charge with our Accumate Power Charger. Also, if you want to be able to roll your prized possession around without having to get inside it, we now carry Wheel Dollies.

Fuel Stabilizer

The ideal formulation to add to the gas tank when storing vehicles for extended periods. It not only prevents varnish & tank corrosion, it has a no alcohol formula & will not attack rubber lines or diaphragms, as many other fuel stabilizers do. This is the best product on the market & our customers swear by it. Call & order yours today!

ALL One quart bottle, one ounce of this product will keep 3 gallons of fuel fresh for at least 3 years. . . . . RSP101 * 28.95 quart

* ***HAZARDOUS MATERIAL*** *- can only be shipped by ground within the U.S. because of safety regulations.*

AccuMate® Power Charger

Nothing is worse than pulling your car out of storage & finding out your battery is dead. MAC's has a way to keep that from ever happening again, our AccuMate® Power Charger. AccuMate® is an advanced fully automatic battery charger & maintainer for all 6 & 12 volt lead-acid batteries. It will bring your battery up to a full charge & then go into standby mode. If your battery goes below a pre-determined level, the charging process is immediately restarted. Since it operates on normal 110 volt household current & only costs pennies to operate, plug it in & forget about it. From now on, your battery will always be ready.

ALL Accumate Power Charger, 2-year factory backed warranty 10655-TEND 64.95

Wheel Dolly Set

Have you ever wanted to push a car sideways to get it out of the way? If that car was on one of our new Auto Dolly sets, you could! Each Auto Dolly is constructed from 1/4" thick steel for extra durability & long life. The tough polyurethane casters turn on top-quality ball bearings to make for smooth rolling, even on rough surfaces. With each dolly carrying a load rating of 1500 lbs., you can move a 6000 lb. car or truck easily & safely. This is a "tool" every restorer should have, call for yours today!

ALL 4-piece set, 12" wide, red painted finish . . . . . ACC-DOLLY-12 159.95 set

Fender Covers

MAC's presents the ultimate in a fender cover, The Fender Gripper. Created to solve the problem of fender covers sliding off the car, it is made up of a non-slip, soft & pliable yet strong, PVC material. It is fully washable & impervious to motor oil, gasoline, carb cleaner & transmission, power steering & brake fluids. Its size, 22" x 34", is perfect for your fenders. The grippy surface keeps your tools in place too! Call us today to place your order.

Let MAC's take you back with these retro cruise items. Whether it's for your classic ride, or the one parked next to it, these timeless toys will liven up your next '50s night out.

Wolf Whistle

"Imitates the Famous Sexy Whistle!"

This "Blast From The Past" produces the "famous" wolf call that never fails to attract attention. Simply attach it to a source of vacuum & you are on your way to laughs from your friends & catcalls from your "new" acquaintances.

- All Metal
- Hi-grade Die Casting
- Hammer Tone Finish

Great for Cruise Night!

WOLF 49.75

Novelty Mug

"Stromberg 97 Mug"

It's a ceramic replica of the famous Stromberg 97 carburetor. The originals leaked but ours won't! Put pencils in it, use it as a vase, heck, you can even drink from it! A great conversation piece for your desk.

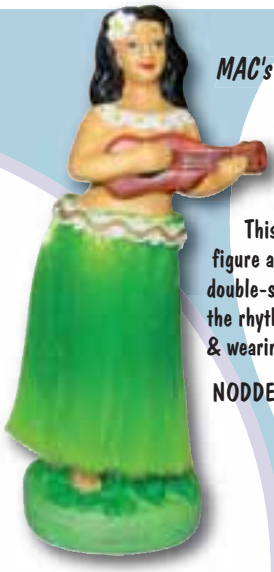
Nodders

MAC's has a great assortment of nodders & toppers. Spice up your next ride or cruise night by adding one of our friends to the interior or exterior of your car.



NODDER-HULAGIRL

Hula Girl—7½"

This attractive 7-1/2" tall ceramic Hula figure attaches to the dashboard of your car with double-sided foam tape—her hips swaying to the rhythm of the road. She's playing a ukulele & wearing a bright flowing skirt.

NODDER-HULAGIRL 9.95

NODDER-HULAGIRL2

Hula Girl 2—5¼"

Here's an affordable, hard vinyl version of our swaying Hula Girl. She stands 5-1/4" tall, with a flowing "grass" skirt & spring action hips. Double-sided foam tape is included for attachment to your dashboard.

NODDER-HULAGIRL2 . . . . . 5.95

Antenna Toppers

The "hottest" antenna toppers around! Durable, plastic construction, rubber inserts & wind resistant vinyl flames make these guys look great on any classic ride. Our Tiki & Rat Fink even have glow-in-the-dark eyes!

Car Covers

We understand how much time & money goes into making your Ford or Mercury look its best. So why buy a one-size-fits-all cover that doesn't REALLY fit anything? To better protect your investment from the elements we offer custom-fit covers, specifically made for your year & body style. With a choice of Poly-Cotton, Technalon-2 or Tan Flannel you can get the one best suited for your storage facility & your budget. Custom car covers & logo car covers are not returnable.

POLY-COTTON

GOOD - This cover is best for protecting cars for a short time in a slightly protected area.

This is a durable blend of polyester for sun & water resistance & cotton to assure a soft touch to any paint finish. Available in gray. If you don't see your car listed, please order CC-CUSTOM-PD & we will make it exactly for your vehicle. 90 day warranty.

Seatbelts

If you haven't already installed seat belts in your classic ride, we highly recommend it. Our universal style seat belts feature a chrome lift latch & are available in 10 colors to match almost any interior. Sold per passenger, each belt includes washers, bolts, nuts & basic instructions on how to install. The 60" size is standard, for a little extra breathing room, order the 74" length. These seat belts do not include instructions on where to mount. Proper installation is at the risk & responsibility of the customer.

ALL Detail paint, argent (silver), 12 oz. spray can, ***Motorcraft***. . . . . RSP84 * 13.95

ALL Manifold & exhaust paint, black, high-temp, 12 oz. spray can, dries in five minutes! .RSP8 * 7.50

ALL Chrome paint, perfect for re-conditioning the reflector inside your parking & tail lights, 12 oz. spray can . . . . . RSP24 * 5.95

ALL Black lacquer, fast-drying automotive high-gloss, 12 oz. spray can . . . . . RSP7 * 6.50

* ***HAZARDOUS MATERIAL*** *- can only be shipped by ground within the U.S. because of safety regulations.*

Today's readily available motor oil is formulated specifically for new cars & their roller rocker arms. An additive, ZDDP, has been reduced over the years to a level now where using it in a flat tappet equipped engine can cause excessive wear on your camshaft. ZDDPlus restores ZDDP to the level that existed when your classic car engine was designed. Adding a 4 oz. bottle each time you change your oil will significantly reduce camshaft wear. It's compatible with all the new formula, high quality oil, so add ZDDPlus to your oil change routine & give your engine the protection it deserves.

ALL NEW 4 oz. bottle . . . . . ZDDPLUS 9.95

STOP RUST PERMANENTLY!

These products are designed to work as a complete system. When used together, these products provide a coating that will not only stop rust, but will prevent it from returning.

Here's How it Works...

Step 1—Degrease & Clean

Marine Clean™ degreaser/cleaner will remove dirt, grease, wax & other contaminants that could interfere with the restoration. Before you apply ANY rust preventive paint or coating, you MUST remove any oily film or residue!

Step 2—Neutralize Rust

METAL READY™ provides the best adhesion on any surface including aluminum & shiny polished metal surfaces. While neutralizing rust, it etches metal, creating an ideal anchor pattern for coatings such as POR-15®, while leaving a zinc phosphate film to promote chemical bonding of paint & steel.

Step 3—Stop Rust Permanently

POR-15® is designed to be coated right onto rusty surfaces. It leaves a beautiful, rock-hard finish that won't crack, chip or peel & stops rust PERMANENTLY! The secret is in its nonporous surface. It doesn't let moisture reach the surface of the painted metal, so no rust can form. POR-15® is also flexible, so it can withstand twisting without cracking, but is has a tougher finish than ordinary paint, so it can survive what no paint can.

Auto | Farm | Marine | Industrial | Home

Paint Right Over Rust!

All POR-15 products are considered hazardous material & can only be shipped by ground /surface within the U.S. because of government regulations.

Step #	Description	Item #	Price

---	Solvent	POR-402	11.95 quart

Still Skeptical?

Try one of our Super Starter Kits for only $19.95. They include everything you'll need to test out these incredible products. Each kit contains: One half pint of MARINE CLEAN™, one half pint of METAL-READY™, a 4 oz. can of POR-15®, two wooden handle paint brushes & a pair of special high dexterity surgical latex gloves.

POR-15 Solvent

No more hard cleanup! This solvent is specially formulated by the makers of the entire POR line to make for easy cleanup or thinning of POR-15®.

Always wear gloves when working with these products!

Topcoats

These topcoats are specially formulated to work with POR-15®. They are non-UV sensitive, highly flexible, nonporous & extremely scratch & chip resistant, just like POR-15®.

CHASSIS COAT BLACK™ top coat dries to a satiny semi-gloss that is correct for most 1950's & newer car & truck frame & suspension pieces.

BLACKCOTE™ top coat is the glossy black used on car or truck frame & suspension pieces in the early fifties & before.

METAL MASK™ top coat is a super tough coating that looks just like bare metal. Now you can protect your steering box, spindle, leaf springs, coil springs, master cylinder & anything that requires a bare metal finish.

Primer

If you choose to use a non POR topcoat over your POR-15®, it is recommended that you first apply TIE-COAT PRIMER™. No need to rough up or de-gloss the POR-15® surface. Apply the TIE-COAT PRIMER™ & you are ready for the paint of your choice.

Vinyl Protectant

Lasts for months, not days!

POR-15® has developed a vinyl protectant that outperforms all the rest, BOSS GLOSS™. The key to the difference is a greater percentage of solids in this formula. They make it work better & last longer than those popular national brands. You'll only have to use this product once to see the difference.

High Temperature Topcoats

We carry high-tech coatings that can withstand high temperatures from 1200° to 1400° F. They resist cracking, chipping & peeling & won't burn off. They can be brushed or sprayed on.

No Burning or Discoloration

Steering Wheel Restoration

You can bring that cracked steering wheel back to its original beauty with our new POR-15® Steering Wheel Restoration Kit. We give you everything you need to get the job done.

Each kit includes the following:

- Marine Clean Spray Cleaner
- Contoured Sanding Block
- Red Scuff Pad (360–400 grade)
- High Gloss Polishing Compound
- Polyester Primer & Surfacer With Hardener
- Spray Bottle/Cartridge for Primer & Enamel
- Gray (600–800) Scuff Pad Sandpaper
- Detailed, Illustrated Instruction Book
- Steering Wheel Sanding Board
- POR Epoxy Putty
- Surgical Latex Gloves
- Saw, File & Drill Bit
- Tack Cloth

A Must for Restorers

Seam Sealer

This is the ultimate filler & seam sealer! POR-PATCH™ is a highly concentrated paste form of POR-15, available in a tube. It dries hard as a rock, but remarkably remains flexible. Once dry it is totally impervious to fuels & solvents. With its applicator tube & thick consistency, it's perfect for seams & holes. Its incredible formula allows you to bond steel to plastic, wood or concrete!

International Orders by Air Mail Estimated

	Air
Up to $20.00	$24.00
$20.01 to $30.00	$32.00
$30.01 to $40.00	$36.00
$40.01 to $60.00	$40.00
$60.01 to $100.00	$44.00
Over $100.00	51%

All payments must be made in U.S. funds. We cannot accept international personal checks. All credit card numbers are computer authorized.

Air Mail is default when not stated. International boxing fee add $3.00 or 5%, whichever is greater. See details on International Information page in catalog.

Parts Total	
Minimum Order Fee Applies to orders less than $20.00 (does not include shipping fees)	**$2.00**
Estimated Shipping See chart at left	
Special Boxing Fee Sheet metal & some parts have extra fees See catalog	
UPS C.O.D. Fee C.O.D. orders only	**$9.00**
Sales Tax NY residents & walk-in orders	
TOTAL PAYMENT	

These are estimated amounts. Published shipping & calculated processing fee will be charged. Any shortage will be billed. Any excess will be refunded.
Orders are shipped by the most economical means based on size, value and destination. All packages (including back orders) will incur individual shipping charges.

International Ordering Information

Ordering:
Manera de engargar: Pour commander un ordre:
We will accept orders for parts that are listed in our catalog. Orders should be filled out completely on our regular mail order form, mailed, faxed or phoned in. Fill in all the information requested.

Shipping:
Embarque: Pour expediér L'embarquement:
Parts can be sent air mail. Also see "Alternate Shipping Information" below.

Weight:
Peso: Le poids:
In general, almost all countries will accept individual packages weighing up to 22 pounds. Many countries will accept packages up to 44 pounds. We will package your order in the required number of containers to meet these requirements.

Size:
Dimensiones: La dimension:
The size limits are determined by the U.S. Postal Service, not the customer's country. In general, the greatest length cannot exceed 42 inches. The total length & girth combined cannot exceed 79 inches.

Insurance:
Seguros: L'assurance:
Air Mail Insurance is available for most countries. Individual countries have different maximum insurance limits. Insurance limits apply to each individual package, not the total order if in more than one package. All packages are automatically insured for the value of the contents where insurance is available.

Customs:
Derechos de aduana: Bureaux des douanes:
Customs forms are required for all packages being sent from the U.S. We will automatically fill out & attach the required forms. The customer is responsible for paying all duties, fees & taxes levied by their country. Values will not be altered on Customs documents.

Postage:
Derechos de correo: Frais de poste:
All postage fees charged by the Postal Service are based on actual weight. As a means of estimating the postage required, we have devised the chart below. These are estimated amounts. Actual postage will be charged. Any shortage will be billed. Any excess will be held as a credit to apply to a future order—we do not give refunds on international orders.

Estimated International Postage Charges

	Air		Air
Up to $20.00	$24.00	$40.01 to $60.00	$40.00
$20.01 to $30.00	$32.00	$60.01 to $100.00	$44.00
$30.01 to $40.00	$36.00	Over $100.00	51%

Be sure to include extra postage for heavy or bulky items.

Other Charges:
Derechos adicionales:
Les honoraires supplementaires:
In addition to the postage charges above, there are two other charges, which are explained below.

Boxing Fee:
Derechos de empaquetar mercanciâ:
Les honoraires pour l'empaquetage:
International shipments require special boxing & wrapping, as well as the preparation of customs documents. To simplify things, we have established a minimum fee of $3.00 or 5%, whichever is greater. Please add this to the above postage charges. Also include special fees for parts listed in the catalog.

Bank Collection Fees:
Derechos de banco:
La collection des honoraires par la banque:
If your form of payment does not meet the Banking Requirements listed in the Payments Section, our bank will charge a collection fee. This fee is explained in the Payments Section. The fee is the exact amount of the bank collection fee. These fees are normally between $15.00 & $30.00.

Payments:
Maneras de pagar: Les paiments:
All payments must be in U.S. dollars. Cash, in the form of U.S. dollars, is sent at the customer's risk. All checks, money orders or drafts must be payable on an U.S. bank & have U.S. Federal Reserve Routing Numbers. These are special numbers used by the U.S. Banking System. If you cannot obtain this type of check from your bank, please include the Bank Collection Fee listed above in the "Other Charges" section. Full payment, including postage & other charges, must be included with your order. There are no open accounts or credit extended.

Credit Cards:
Cartas de crédito: Les comptes crédites:
We accept Visa, MasterCard, American Express, Discover & Diner's Club. Please check to be sure the cost of your order does not exceed your credit card limits. All card charges are computer authorized prior to shipping. Shipment will not be made if authorization cannot be obtained.

Address:
Direccion: L'adresse:
Please be sure you have included your complete address on the order form. It must include everything required for delivery in your country, including your postal code. Anything that will help insure delivery should be included. If you have a telephone, the inclusion of its complete number is required. Also include the name of the nearest international airport.

Alternate Shipping Information:
Otras maneras de embarque: L'information relativement à autre expédition:
Upon special request, small packages will be shipped by Express Mail. Double the shipping rate amounts shown in the Postage Chart if you want your package sent Express Mail. The fee schedule is quite expensive & should be considered only if speed is essential or the ordered items are too big for Air Mail. UPS Air Service is also available; rates vary greatly by destination.

The fee schedule for Air Freight is too complex to provide estimates. The fee is based on a combination of weight, volume & destination. We DO NOT ship by Ocean Freight. Crating costs, shipping costs & other problems preclude the offering of this service.

Catalog Requests:
Any request for a catalog not accompanied by an order requires $5.00 per catalog to cover postage costs. If the catalog is requested with an order, it will be included in the package at no charge.

MAC's ANTIQUE AUTO PARTS

2008-2009 1932–48 V-8 Catalog

GENERAL INFORMATION – All items in this catalog are good quality new, rebuilt or new old stock (N.O.S.).

MINIMUM ORDER – While there is no minimum order, on orders totaling less than $20.00 in parts prior to shipping & handling, there is a $2.00 minimum order fee. This minimum order fee attempts to cover some of the costs that we—and all suppliers—incur when processing/handling your lower-dollar order. Even with advancements in direct shipping from the manufacturer or their warehouse, there is still extensive paperwork and follow-up involved.

ORDERING INSTRUCTIONS – All orders are shipped by United Parcel Service (UPS). Parcel Post shipping in the U.S. is by request only or to addresses without street addresses. Oversize orders shipped by truck will be shipped Freight Collect. On all orders outside the U.S., please see the International Information (on page 242). UPS weight limit in the U.S. is 150 lbs. Parcel Post weight limit in the U.S. is 70 lbs. C.O.D., MasterCard, Visa, Discover, American Express/Diner's Club and mail orders accepted. C.O.D. orders in U.S. only! C.O.D. ORDERS ARE BY CERTIFIED CHECK, BANK CHECK, OR POSTAL MONEY ORDER ONLY UNLESS PRIOR ARRANGEMENTS ARE MADE. UPS WILL NO LONGER ACCEPT CASH C.O.D. PAYMENTS. On credit card orders, we need your card number and expiration date. NEVER PHONE IN AN ORDER FOR WHICH YOU WILL BE MAILING A CHECK. Any returned check is subject to a $35.00 fee.

INTERNATIONAL SHIPPING – All shipping outside continental U.S. is made by Air Parcel Post. Weight and size limits vary depending on the destination. Express mail and air freight can be used by request if available. Customs forms are required on all shipments, and all customs documents require full declared values. All payments must be payable to a U.S. bank. See International Information (on page 242) for further details. We do not ship by ocean freight.

PRICES – All prices in the catalog are subject to change without notice. We try to keep our prices as low as possible and hold price changes to a minimum. Prices given over the phone are current prices at the time of the request and are not to be considered quotes.

BACK ORDERS – All items are shipped promptly, **except** where noted "Special Order" or "Exchange Only." We will back order if the item is not in stock but is expected within 21 days. Anything can be back ordered by request. It is the customer's responsibility to keep track of back orders. The shipping charges remain the responsibility of the customer for any duplicated back orders or orders refused because they are no longer needed. If a back order is no longer needed, be sure to cancel it and avoid unnecessary shipping charges. All packages (including back orders) will incur individual shipping charges.

RETURNED GOODS – Parts may be returned with a valid reason within 30 days. Please write, call or email us BEFORE returning anything and state your reason for return. On any returned items that are not damaged or defective, a 12% restocking fee may be charged. When returning an item, please be sure to ENCLOSE A COPY OF THE ORIGINAL SALES INVOICE. Returns will not be processed without a copy of the invoice. All returned items must be prepaid. Our liability is limited to the purchased price paid with no liability for consequential damage or losses. For no reason will returns be accepted after one year.

DAMAGED/MISSING GOODS – If merchandise was damaged in shipping or parts are missing, immediately notify the carrier and file a claim. DO NOT DISCARD THE SHIPPING CONTAINER OR THE MERCHANDISE. Following this, call or write MAC's for further instructions.

PAYABLE TO – Money orders, bank drafts and checks should be made payable to MAC's Antique Auto Parts. U.S. funds only. New York State residents must include proper sales tax applicable to your city or county. We cannot accept international personal checks.

TOLL FREE PHONE ORDER INSTRUCTIONS – Before calling, completely fill out the Order Form and have all your order information ready and organized.

TOLL FREE PHONE & PHONE HOURS – Toll Free Phone 800-777-0948 (within U.S. and Canada) is personally answered between 8:00 a.m. & 11:00 p.m. Eastern Standard Time Monday through Friday, and 8:00 a.m. - 5:00 p.m. Eastern Time on Saturday. After hours, our phone system will take your order for a catalog or parts. There is no charge to you for this call and you can get your parts faster at less cost. The MAC's Fax Line 716-210-1370 is open 24 hours a day. Also, our Website (www.macsautoparts.com) is always available. For local calls and calls from outside the U.S., please call 716-210-1340. BE PREPARED WHEN PHONING IN YOUR ORDER. We need the part number, description, quantity desired and all the needed customer information.

REFUNDS – All refunds are issued approximately 7 days after shipping unless items are back ordered, in which case the refund, if any, will be issued approximately 7 days from the processing of the last back ordered item. Checks must be cashed within 6 months. A replacement fee of $10.00 will apply to all uncashed or lost checks.

BOXING FEE – There is a $2.00 boxing fee added to each order.

SHIPPING FEES – These are shown in the chart on the Order Form. They are estimated only, and actual charges will depend upon weight and destination. ALWAYS INCLUDE EXTRA SHIPPING FOR HEAVY OR BULKY ITEMS. Excess amounts will be refunded. See International Information (on page 242) for details on foreign shipping costs.

NEW YORK STATE SALES TAX – All parts picked up at our store or delivered in N.Y. State are subject to the N.Y. State Sales Tax regardless of where you live, unless you have a N.Y. Resale # or Exempt # ON FILE at MAC's. Tax is calculated on the total of your order, including boxing and shipping.

MAILING ADDRESS – MAC's Antique Auto Parts, P.O. Box 238, Lockport, New York 14095-0238.

SHIPPING ADDRESS – MAC's Antique Auto Parts, 6150 Donner Road, Lockport, New York 14094.

Are You Worried About Leaking Gas?

No one wants to be stranded on the side of the road because of a rusting, leaky fuel tank. Replace your problematic tank with a quality stamped steel gas tank from MAC's. **See page 119.**
