## Greetings metalheads and Napalm maniacs!

Just in time to kick off the sultry summer season, Napalm Records delivers all the hot new releases you will ever need to get you riled up for the up and coming festival revelry!

Symphonic metal masters **EDENBRIDGE** give us "Solitaire", undoubtedly their most masterful offering to date. The sombre and philosophical Swedes, **NOX AUREA**, follow with a gothic doom metal album that is sure to cast a cooling shadow over any hot summer day.

August will welcome the gothic metal pioneers **TRISTANIA**, as they celebrate their return to Napalm Records with the release of "Rubicon", while Leaves' Eyes' own **LIV KRISTINE** presents her third solo album "Skintight". As the month fades away, gothic rockers **SHADOWGARDEN**, featuring Draconian's mastermind Johan Ericson, will supply melodic tracks to slowly bid the summer farewell.

In September, true headbangers and traditionalists will have many reasons to celebrate! Metal legend **GRAVE DIGGER** will commemorate their 30th anniversary with a new studio release, while **IRON FIRE** and **REVOLUTION RENAISSANCE** will also deliver new works. **ATROCITY FEAT. YASMIN**'s unique brand of ethnic metal will sooth our ears and surpass all our expectations, while England's **JALDABOATH** creates an entire new genre to be hailed as heraldic Templar metal.

In October, space lord Dave Wyndorf will cause the ground to rumble and the earth to shake with a new **MONSTER MAGNET** release. Fans favoring good music, should definitely keep their eyes and ears open for this one!

In appreciation for your continued loyalty and support, we are once again extending our metallic gratitude in the form of our latest compilation CD. "**With Us or Against Us, Vol. XII**" will offer a preview of the exciting releases scheduled to grace the world of Napalm Records in the coming months. Get ready for a sneak attack with new tracks by Monster Magnet, Grave Digger, Tristania, Edenbridge, and many more! The Napalm Records compilation is as always included free with your order and only available while supplies last, so be sure not to miss out on the fun!
