NUOVO RETE!

CORSO MULTIMEDIALE DI ITALIANO PER STRANIERI

MARCO MEZZADRI AND PAOLO E. BALBONI

This new and updated version of **Rete!** will be available in 5 levels, covering false beginners to advanced students. Improvements and additions have been made to the course following teachers' feedback and new research on language education. Each volume now consists of 8 units, which are subdivided into 3 lessons plus sections on culture and civilization, an end of unit test, and a revision worksheet which replaces the 'Libro di casa.' The appendix includes notes on grammar and phonetics plus a glossary. **Nuovo Rete!** also has its own website where you can access further activities, translations in 20 languages of the glossary and appendix, and the audio clips in mp3 format.

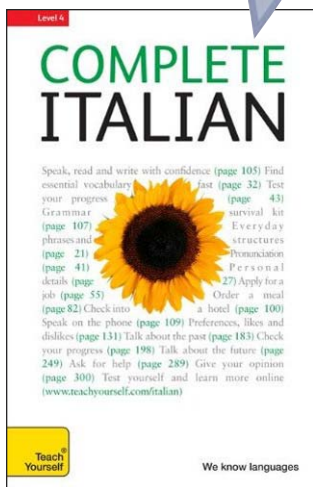

This series takes an inductive approach to language learning, asking the students to deduce for themselves from the examples given to them, the rules and patterns of Italian. Furthermore, emphasis is placed on learning Italian so as to be able to perform specific tasks and meet everyday needs.

COMPLETE ITALIAN

A TEACH YOURSELF GUIDE

LYDIA VELLACCIO AND MAURICE ELSTON

Complete Italian provides you with a clear and comprehensive approach to Italian, so you can progress quickly from the basics to understanding, speaking, and writing Italian with confidence.

Within each of the 25 thematic chapters, important language structures are introduced through life-like dialogues. You'll learn grammar in a gradual manner so you won't be overwhelmed by this tricky subject. Exercises accompany the texts and reinforce learning in listening, speaking, reading, and writing. This program also features current cultural information boxes that reflect recent changes in society. The accompanying audio CDs include audio exercises—performed by native speakers—that reinforce communicative skills.

FAST-TRACK ITALIAN

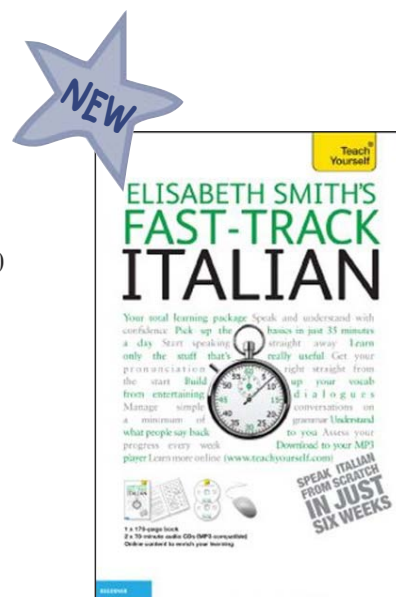

ELISABETH SMITH

In **Fast-Track Italian**, the author uses her wide teaching experience to create a course that covers just the vocabulary and the grammar that you really need. This day-by-day program is easy to follow and fun to do. At the end of six weeks, you will have the confidence and knowledge to tackle all the situations you need to know about, such as shopping, eating out and getting around. With fewer than 400 words to learn, and flashcards at the back of the book to help learn you, progress is fast and enjoyable.

Features

- ◆ A personal introduction from the author.
- ◆ One-, five- and ten-minute summaries of the topic.
- ◆ A ten-question diagnostic test at the end of each chapter or the ten most important things for you to remember.
- ◆ Two 60-minute audio CDs provide more practice in pronunciation and speaking.

CHIARO!

CORSO DI ITALIANO

GIULIA DE SAVORGNANI & BEATRICE BERGERO

Chiaro! is an Italian language course in three volumes, covering A1, A2 and B1 levels, that aims at making students able to learn and to quickly communicate in real life situation.

Chiaro! is based on an action based didactic approach, in line with the Common European Framework of Reference for Languages, and it develops activities focused on interaction and cooperation among students in communicative contexts based on authentic situations and language.

Through a soft and gradual progression, clear learning objectives, and a modern graphic structure, **Chiaro!** is also excellent to students who study a foreign language for the first time.

Each level of **Chiaro!** includes a student book (with exercises and a CD-ROM) with 10 didactic units with intercultural activities sections and self evaluation and learning strategies sections; 10 chapters of exercises; audio tracks that relate to the exercise section; 10 phonetics sections; 3 review units and 3 self evaluation tests; and a grammar section. An audio CD (with the tracks for class activities) and an instructor's guide are also available.

DOMANI

CARLO GUASTALLA AND CIRO MASIMO NADDEO

Domani is an Italian language and culture course for foreigners that allows students to quickly communicate with ease and confidence in real life situations. While emphasizing structural elements of the language, **Domani** strongly focuses on pragmatic, conversational, lexical and sociocultural aspects. Through motivating inputs, creative exercises and real life-based activities, students become immediately involved in an active and stimulating learning process.

Domani is structured in three levels low-beggining to low-intermediate. Each level is divided into five thematic sections (Geography, Arts, Society, History, Language) and aims to make students fully knowledgeable with all cultural and linguistic aspects of contemporary Italy.

The student book (with exercises) contains 16 didactic units (in 6 sections), 6 evaluation and self evaluation tests, a graphic novel and a grammar section.

The DVD (provided with the student book) includes audio tracks that relate to the exercise section, novel, plus a song; a short feature film with didactic activities; glossaries and keys.

An audio CD (with the tracks for class activities) and an instructor 's guide are also available.

VIVA L'ITALIANO

AN ITALIAN LANGUAGE TEXT FOR CHILDREN

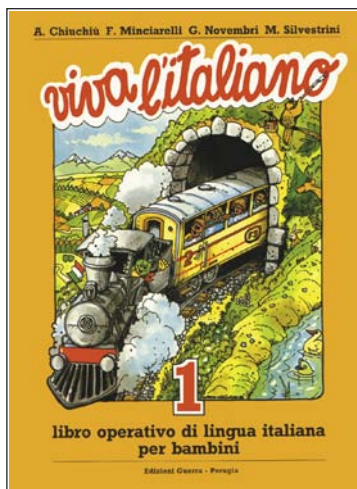

ANGELO CHIUCHIÙ, FAUSTO MINCIARELLI, GRAZIELLA NOVEMBRI AND MARCELLO SILVESTRINI

The communicative functions of **Viva l'italiano** focus on themes such as playing, home, family, school, friends, animals, weather, etc., and simulate an exchange with peers, adults, and teachers who use the language in daily situations. Children are involved in activities such as coloring, cutting and pasting, reading, role-playing, etc. The lively and bright colors highlight the characters presented in dynamic situations. The vocabulary is based in a minimum of words and presented in a cumulative manner.

Viva l'italiano may be used with any size class because of its varied activities.

The course covers approximately 90-hours of instruction and activity with a fun element integrated into each unit, allowing kids to become involved in many communicative situations.

STUDIO ITALIANO
AN ITALIAN COURSE FOR BEGINNERS

MARIA RITA FRANCIA BIASIN

The aim of this book is to give students a strong basis for learning to speak, understand, read and write modern Italian while at the same time introducing them to the Italian culture. The student learns the language through nursery rhymes, reviews, conversation, games and well-known fables, as well as, through regular readings and grammar exercises. In particular, repetition and review are emphasized as essential tools for learning a new language. There are four readings for each regular chapter: an introductory dialogue (a love story between two students, one Italian and the other American), a Prima Lettura, a Seconda Lettura and L'Italia in miniatura. At the beginning the Letture are just simple dialogues or fables. In the last chapters they gradually become more difficult and, at times, are taken from works of Italian writers. The textbook also includes an appendix with a list of the regular/irregular verbs, an Italian—English/English—Italian vocabulary list and an index. The workbook complements the student book by providing students with additional written and oral exercises. The answers to all the exercises are found at the back of the workbook, while the answers to all the oral questions are given on the CDs.

MAGARI!

ALESSANDRO DE GIULI, CARLO GUASTALLA, AND CIRO MASSIMO NADDEO

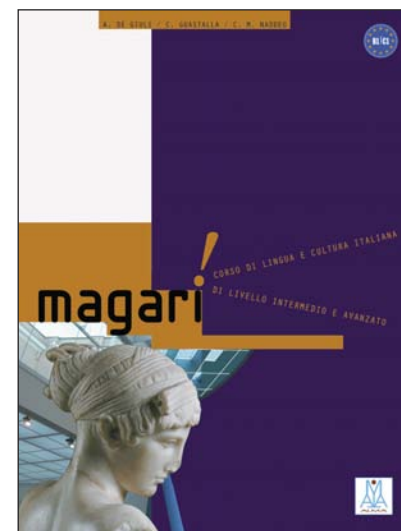

Magari! is a language course of Italian as a foreign language for students of intermediated to advanced level. It is particularly useful for those students who know Italian pretty well and want to brush up and perfect their language skills in order to get to a higher level.

Magari! deals with the study of forms, syntax, and style that belong to Italian but are hardly ever dealt with in Italian course books. It also offers a new approach to the study of more elementary materials and develops them in a stimulating way.

The course book is characterized by a strong cultural approach. The didactic units are divided into four thematic macro-areas (Society, Arts, Language, History), through which a rich profile of Italy is outlined in order to illustrate the most significant socio-cultural phenomena, ideas, tendencies, and the most recent trends in life style.

The design of the book offers readers articles, information boxes, images, and charts, all of which give **Magari!** a unique outline in the panorama of course books of Italian as a foreign language.

The audio CDs include authentic spoken language tracks and exercises to do in class. The teacher's guide has an introduction that illustrates the method of the course, detailed indications for the preparation of the lessons, answer keys to the activities in the student book, and scripts of the listening materials on the CD.

THE ITALIAN PROJECT

TELIS MARIN & SANDRO MAGNELLI

The Italian Project is the new English-speakers version of **Nuovo Progetto Italiano**. This 4-level multimedia language and civilization course combines a variety of activities with easy-to-follow grammar tables, modern illustrations and authentic Italian material. Communication and grammar are given equal emphasis throughout. The student book and workbook are in one volume, and come with a CD-ROM. The teacher's guide and audio CD from **Nuovo Progetto Italiano** can also be used with this program.

Features

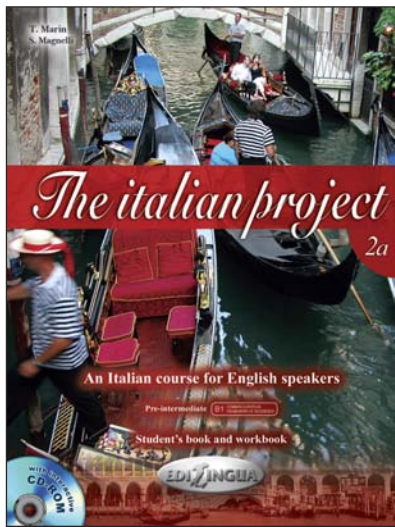

- ◆ Pre-reading and pre-listening activities to enhance student motivation and introduce each unit's subject matter
- ◆ Use of modern language through original, spontaneous and pleasant situations and dialogues
- ◆ Balance between communicative elements and grammar, presented in a way that is easy-to-understand
- ◆ Communicative activities that enhance learning
- ◆ Systematic work on the 4 language skills—reading, writing, listening and speaking
- ◆ Self-evaluation exercises at the end of each unit to provide both the student and the teacher with an up-to-date picture of progress
- ◆ Presentation of Italian socio-cultural real life through the use of authentic material and brief passages for written comprehension
- ◆ Systematic review of structures and vocabulary
- ◆ Direct correspondence and vocabulary coherence between the student book and the workbook
- ◆ Modern graphic layout that is clear, pleasant and appealing
- ◆ Easy to use for students of different nationalities

NUOVO PROGETTO ITALIANO
CORSO MULTIMEDIALE DI LINGUA E CIVILTÀ ITALIANA

TELIS MARIN AND SANDRO MAGNELLI

The **Nuovo Progetto Italiano** program is composed of:

- ◆ Student book with interactive CD-ROM, articulated in 11 units and 1 introductory unit
- ◆ Workbook, with final tests, crosswords, listening tests for each unit and review tests every 3 units
- ◆ Teacher’s guide with ideas and suggestions for better use of the book, games and activities, tests and other material that can be photocopied
- ◆ Audio CD with the dialogues of the units and the texts for oral understanding and pronunciation
- ◆ Glossary & Grammar—Suplemento per studenti anglofoni—consists of the translation of all the words and expressions of both the student book and workbook for Level 1; grammar notes that explain in a simple way, the grammar points in every unit; and a glossary in alphabetical order that references where each word appears and is translated according to its context

There is also a video-course of Italian language and civilization for the beginning and intermediate levels. Each DVD is about 90 minutes and includes:

- ◆ 11 episodes of an “educational sitcom” by professional actors
- ◆ 11 original interviews with ordinary people
- ◆ 11 episodes of a TV Quiz

Nuovo Progetto Italiano 3 is the third and highest level of the series. It can be used independently from the first two levels and is ideal for AP preparation. Suitable for teenagers and adult students, it provides about 100—120 hours of classroom lessons. Each of the 32 units includes a wide variety of activities regarding: pre-reading, reading comprehension, searching for words and expressions, building vocabulary, text gap-filling, listening, writing, and language curiosities.

PROGETTO ITALIANO JUNIOR

T. MARIN & A. ALBANO

Progetto Italiano Junior is a course designed for students pre-adolescents and adolescents (11–16 years) as beginners or false beginners.

Progetto Italiano Junior is not merely a copy of **Nuovo Progetto Italiano**. Although it is based on its structure, this course designed for younger learners and respects the learning needs of this age group. Each unit contains a comic story that develops the topic of the unit and tells the story of five young players who accompany the students in the three volumes of this language course. **Progetto Italiano Junior** addresses issues and themes that are familiar to students by exposing them to everyday language and socio-cultural Italian presented through exciting stories in comics. The characters are 5 Italian children, with whom students can identify because they have the same interests, face the same problems, have their own issues and experiences—all seen with realism and the necessary dose of humor.

Features

- ◆ 6 units—each of which is divided into two sub-units for a more gradual learning experience
- ◆ A balance between communicative and grammatical elements introduced in easy-to-understand lessons
- ◆ The sections on Italian civilization are entirely new, lighter and structured as a youth magazine, with news and information on aspects of the Italian most affecting adolescents
- ◆ The exercises are new, the Quaderno section is in color and includes an exercise in phonetic units
- ◆ The contents of the units (parties, music, school, friends, technology, etc.) are adapted to the new and young audience at which it is addressed
- ◆ Communicative functions and colloquial expressions in the dialogues are repeated by specific re-use
- ◆ At the end of each unit “Progettiamo!” invites students to put into practice what is learned
- ◆ There are quizzes and games to explore issues and aspects of the lives of young people and to enhance and reuse frequently used vocabulary
- ◆ A full grammar appendix at the end of each volume addresses all aspects of studied grammar

There is also bilingual version of of student book 1. All instructions and grammatical notes are in English and there is also an English glossary included in the book. The content and structure of the course is identical to the the monolingual version, and includes exercise chapters and a CD.

THAT'S ALLEGRO
ITALIAN COURSE FOR ENGLISH SPEAKERS

TELIS MARIN

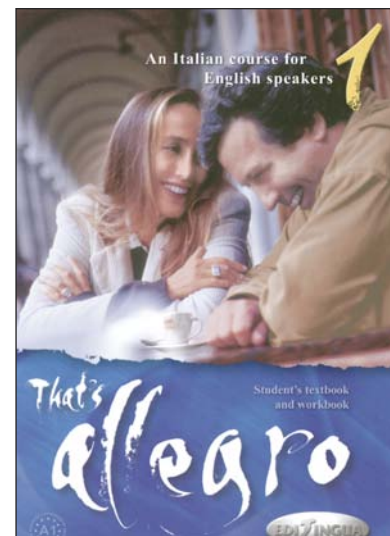

That's Allegro 1 is the English version of **Alegro 1**, the first of a three-level Italian course. It is designed for children and adults who want to learn the language and know about contemporary Italian life and culture in a stimulating way. It develops students communication competence with review and reinforcement of already learned structures.

That's Allegro offers a combined student textbook and workbook in one volume to make study more practical and effective; a clear systematic structure in 12 units (including 4 review units); a grammar summary and review of newly presented communicative structures; a wide variety of exercises; and an Italian—English glossary at the end of the book. Throughout, the focus is on spoken competence using motivating games and activities that stimulate the learning process.

A comprehensive teacher's guide simplifies the teachers work with practical ideas, supplementary material that can be photocopied, transcripts of the listening passages and the key to the grammar exercises.

The only difference between **Alegro** and **That's Allegro** lies in the language of instruction. Both books could be used in the same classroom. Each level will include a student book/workbook/audio CD package (with dialogues, listening activities and pronunciation exercises), supplementary exercises and self-tests, and a teacher's guide.

ESPRESSO

CORSO DI ITALIANO PER STRANIERI; UPDATED EDITION

LUCIANA ZIBLIO AND GIOVANNA RIZZO

Espresso's new updated edition has been enriched with the following sections:

- ◆ Cultural insight (for the development of intercultural abilities) and self assessment of one's abilities and learning strategies
- ◆ Activities focused on task-based language use
- ◆ "Qualcosa in più" section includes new texts and activities

Espresso is a three-level Italian Language course based on a modern and innovative methodology that results in students being able to quickly communicate with ease and confidence in real situations. Particular attention is given to communication skills, stimulated through the use of exciting, involving and highly motivating activities centered on a variety of real situations for class interaction.

Espresso is also rich in information on Italian life and culture.

- ◆ The student book contains 10 didactic units, 10 chapters of exercises, and 4 units of educational games for revision.
- ◆ The workbook consolidates structures and vocabulary from the student book and allows students to assess the progress made. The exercises are designed for individual work and the answer key provided in the appendix gives students the opportunity to check their answers.
- ◆ The activity and game book offers the teacher new ideas for lesson plans and allows students to put into practice the structures learned in Espresso 1 and 2 while avoiding repetition. The order of the activities follows the grammatical and syntactic progression of the lessons in the course book, but the book can also be used as supplementary material for revision courses. The book contains a wide range of activities including competitive games (card games, board games, dominoes, bingo, puzzles, crosswords, etc.) and more communicative activities with oral and written production and role-playing.
- ◆ The audio CDs contain authentic excerpts of spoken language and exercises on intonation and pronunciation.
- ◆ The teacher's guide contains explanations on methodology, indications for lesson development, and test material.

------	---------------	---------

PIAZZA ITALIA

SILVIA CONSONNO AND ELENA ROSSIN

Piazza Italia contains a series of articles on the life, society, culture and habits of Italians. The articles are all taken from daily newspapers, magazines, web sites, blogs and are organized in progressively difficult teaching units.

The units contain interactive, communicative and game-like class activities; exercises (with answers) for the review of vocabulary, morphology and syntax for self-learning; and numerous teaching activities which build and develop the capacity to read, speak and write in Italian. .

Piazza Italia is suitable for high-beginning and intermediate students and is recommended as a useful tool for gaining an in-depth understanding of real Italian life and, at the same time, refining language comprehension.

Book 1	9788861820999\$29.60
Book 2	9788861821002\$29.60

ITALIANO FACILE PER BAMBINI

The **Italiano Facile per bambini** collection, for 6-11 years old children, presents a series of original and motivating stories that allow foreign students to discover the pleasure and joy of reading in Italian.

Trough attractive illustrations, the books present stories that motivate the students and allow them to have fun while exploring the Italian language.

Each story comes with comprehension tests, exercises and teaching activities.

The audio CD contains the dramatized reading of each of the texts. The realistic and lively style of the acting makes the story pleasant to listen to and particularly useful for students and self-learners.

Level 1 — C'era una volta un gatto

When Allegra, the babysitter with green hair, comes to their home there is always some nice surprise for Paolo and Lisa! What is she bringing them today? A cat? A plate? Definitely the magic of words.

Book & Audio CD	9788861821620\$15.60
----------------------------------	----------------------	---------------------

Level 2 — La Signora Pipistrello

Who is Lady Bat? Who lives in the pink farm? What happened to Nuvola, the dog? Jamal, Antonio, Yeha and Maria Luz will bravely reveal the mystery, and they will discover a secret and special place.

Book & Audio CD	9788861821781\$15.60
----------------------------------	----------------------	---------------------

Level 2 — Lorenzo e l'albero magico

Lorenzo lives happily with his mother, his father and his grandfather. His grandpa's death changes his life, but a mysterious and magic fact will bring back joy to him.

Book & Audio CD	9788861821811\$15.60
----------------------------------	----------------------	---------------------

ITALIANO FACILE PER RAGAZZI

PRIME LETTURE PER STRANIERI

The **Italiano Facile per ragazzi** collection, for 11–14 years old students, presents a series of original and motivating stories that allow foreigners students to discover the pleasure and joy of reading in Italian.

The variety of genres (crime, historical, detective, adventure etc.) offers the reader the opportunity to choose topics that are close to their interests and to approach the language in a pleasant and attractive way. Each story comes with comprehension tests, exercises and teaching activities.

The audio CD contains the dramatized reading of the texts. The realistic and lively style of the acting makes the story pleasant to listen to and particularly useful for students and self-learners.

Level 1 — Un'avventura a Venezia

Federico is a bored and unhappy boy. One day he runs away from home, he takes the train and arrives in Venice. In the city on the water he will live an adventure that will change his life.

MOSAICO ITALIA

PERCORSI NELLA CULTURA E NELLA CIVILTÀ ITALIANA

M. DEBIASIO AND P. GAROFALO

Mosaico Italia, for upper–intermediate to advanced level students, offers six units that are divided into smaller chapters. It covers the most essential and characteristic topics of Italy, ranging from cuisine, to sports, to media, to themes related to customs and special issues. Each topic is analyzed in–depth through texts, authentic audio extracts, and photos. The book contains activities to increase the student's knowledge of Italian culture and civilization.

EASY ITALIAN READERS

The **Italiano Facile** collection presents a series of original stories that are easy to read. Each story comes complete with comprehension tests, exercises and teaching activities. These stories, arranged in five levels according to vocabulary and grammatical difficulty, allow students of Italian as a foreign language to discover the joy of reading in Italian, while refining their knowledge of the language. Each title is available with an audio CD containing a dramatized reading of the story. Using a lively and enthralling style, the stories in the collection offer the reader the opportunity to get in touch with the living language, outside the usual criteria for learning.

RACCONTARE IL NOVECENTO

PATRIZIA BROGINI, ANTONELLA FILIPPONE AND ALESSANDRA MUZZI

Raccontare il Novecento is a didactic journey in Italian literature. Four stories from each author (Buzzati, Calvino, Ginzburg, Moravia) have been chosen from a linguistic and cultural point of view, representative of their style.

The book supplies numerous linguistic and cultural stimuli that develop the creativity of the student; it motivates the student to compare the linguistic complexity of the texts and it encourages him/her to get used to the "metalinguistic" reflection.

SPEAK ITALIAN WITH CONFIDENCE
A TEACH YOURSELF GUIDE

MARIA GUARNIERI AND FEDERICA STURANI

Finally an entertaining, non-intimidating way for you to build speaking proficiency! This Italian course covers 10 key situations—from greetings and buying food and drink to shopping, asking for directions, and visiting locals—and includes two dialogues per topic. The explanations and instructions are simple and bite-size, making this a very accessible program for your on-the-go lifestyle. You can also visit teachyourself.com for tests, extension articles and a vibrant community of like-minded learners. And if you don't have much time, don't worry—this book gives you one-, five-, and 10-minute bites of learning to get you started.

ESSENTIAL ITALIAN VOCABULARY
A TEACH YOURSELF GUIDE

MARK ZOLLO

Unlike a phrasebook or a dictionary, **Essential Italian Vocabulary** will take your existing knowledge and build on it systematically and organically, so you increase your vocabulary and at the same time expand your range of expression. At the beginning of the book there is a section to help you with your pronunciation, followed by a short and simple grammar summary. The main part of the book is arranged in topics, such as work, travel and accommodations and food and drink, and concentrates on the vital and most current words and expressions, listing those which you might already know and then extending the coverage to teach you those you probably do not know.

This is an ideal companion if you are a language student or if you are wanting a systematic, easy-to-use tool to increase the range of your vocabulary and improve your ability to express yourself in a wide variety of situations, either on holiday or on a business trip.

Paperback9780071736817\$12.95

DIAMO UN'OCCHIATA

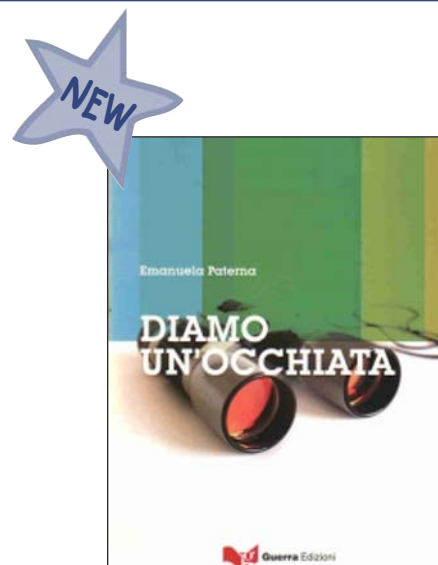

EMANUELA PATERNA

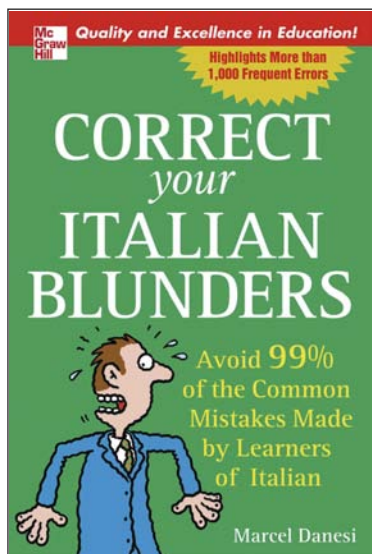

This text uses photographs as a stimulus for lively discussions and a means to introduce students to aspects of Italian culture. Each photograph is followed by

- ◆ Questions testing comprehension
- ◆ Incentives for personal interpretation
- ◆ Activities which encourage memorizing vocabulary
- ◆ Suggestions for reflection on cultural elements
- ◆ Grammatical charts
- ◆ Ideas on how to develop writing exercises

The text is composed of 18 units and can be used alongside any Italian course to fill spare moments during lessons in a productive and efficient way.

CORRECT YOUR ITALIAN BLUNDERS

AVOID 99% OF THE COMMON MISTAKES MADE BY LEARNERS OF ITALIAN

MARCEL DANESI

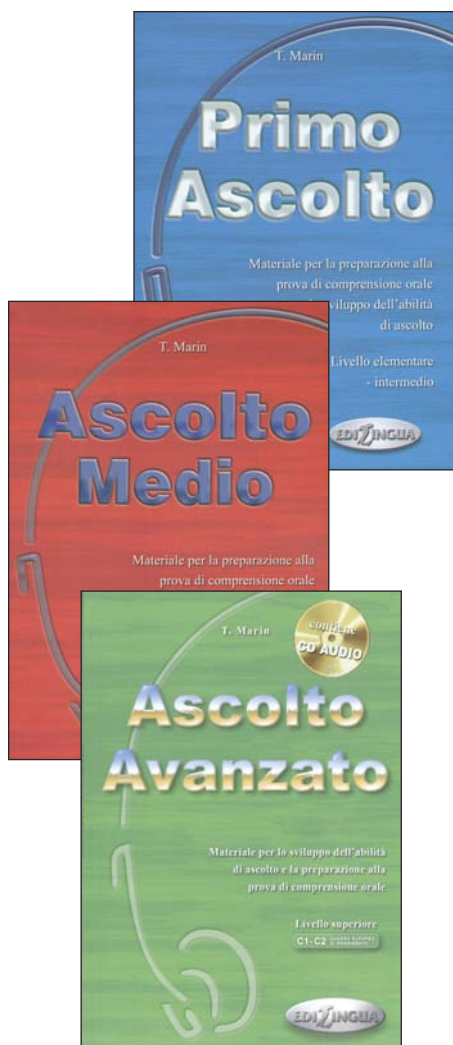

Tired of making the same old mistakes of switching your genders, confusing your tenses, and mixing up your idioms? Break the bad habits that leave those you talk to scratching their heads. **Correct Your Italian Blunders** warns you of hundreds of typical errors learners make and explains the reasons behind the mistakes, so you can correct yourself in the future.

Improve your Italian skills with this fun and comprehensive guide and avoid all the common pitfalls, such as:

- ◆ Mispronunciation and misspelling
- ◆ Applying English grammar patterns to Italian
- ◆ Putting verbs in the wrong tense
- ◆ Using incorrect prepositions in expressions
- ◆ Forgetting agreements in gender and number
- ◆ Hanging out with falsi amici (false cognates)

Correct Your Italian Blunders contains exercises covering all parts of grammar and wraps it all up with review passages to check that you are blunder-free. Soon, biting your nails will be your only bad habit!

ASCOLTO (PRIMO, MEDIO, AVANZATO)

MATERIALE PER LA PREPARAZIONE ALLA PROVA DI COMPrensIONE ORALE

TELIS MARIN

Primo Ascolto is the first level of a course designed to develop listening comprehension skills in Italian. It contains 40 texts, the last 10 of which are authentic. **Ascolto Medio** and **Ascolto Avanzato** use authentic materials from Italian radio and television broadcasts. Thanks to their modern language, original activities and the vast use of photo material, these books are ideal for students of all ages. Each text is accompanied by two comprehension exercises and covers a variety of topics, situations and communicative functions.

Primo Ascolto is designed for beginners, false beginners and intermediate level learners. **Ascolto Medio** is designed for upper intermediate-level and **Ascolto Avanzato** is for advanced level. Each is accompanied by a 60-minute audio CD and a complete teacher's guide.

OVER 1,000 CONVERSATION STARTERS

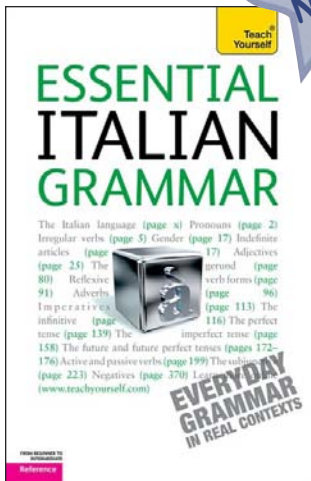

SUE FENTON

Written for learning a foreign language, this text puts students in an imaginary city where they have to find an apartment in the classifieds; locate streets; furnish apartments; visit real furniture, appliance, and paint stores (on the internet); "make" local phone calls; find jobs; travel on subways; tour the city; visit stores; buy food; select meals from menus; travel to other cities; have daily exploratory experiences; read the newspaper; choose movies; etc. It uses the Internet, authentic materials and realistic experiences to teach language and grammar. Students use their senses, imaginations, and creativity to learn. Fluency comes from speaking, not from quoting grammar rules and writing in workbooks!

ESSENTIAL ITALIAN GRAMMAR A TEACH YOURSELF GUIDE

ANNA PROUDFOOT

Essential Italian Grammar will help you get more out of your study of Italian. **Essential Italian Grammar** is an up-to-date introduction to Italian grammar. Everything is explained simply with lots of examples to illustrate each point. Unlike more traditional grammars, **Essential Italian Grammar** is structured so that you can look up language forms according to what you want to say, even if you don't know the grammatical term for them. If you already know some grammar, then you can use the 'reference grammar' section at the back of the book to look up the points you need. The course consists of 22 units illustrating the various uses to which the language can be put, for example, giving instructions or talking about the recent past. The more traditional reference grammar deals with grammatical structures, such as the imperative or the perfect tense. All grammatical terms are explained in the glossary at the back of the book. Each unit contains exercises for you to practice what you have learned and there is a key at the back of the book for you to check your answers. The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly.

Paperback9780071736824 \$12.95

ESSENTIAL ITALIAN VERBS A TEACH YOURSELF GUIDE

THERESA FEDERICI AND MARIA BONACINA

Along with a good dictionary, a verb book forms part of the essential kit for supporting learning. **Essential Italian Verbs** provides you with over 200 verbs, fully conjugated, with sample phrases that put the verb into context and give idiomatic meanings and a reference list of over 3500 verbs linking you to the appropriate model conjugation. For learners starting out in Italian there is an explanatory section giving information on how the different functions of verbs work, with learning tips and examples. Increasing your awareness of verbs and enriching your knowledge of their forms and structures will enable you to improve your language skills quickly and give you confidence when using Italian in different social contexts and in your written Italian. The verb list and verb tables enable you to see patterns and logical sequences even in irregular verbs and can make the prospect of learning verbs and their uses much more appealing.

GRAMMAR WORKBOOK FOR INTRODUCTORY ITALIAN SECOND EDITION

DOMENICO MACERI

The **Grammar Workbook for Introductory Italian** includes exercises and explanations dealing with grammar points students encounter in first-year Italian. The text provides students with easy-to-read explanations of the grammar point in question, followed immediately by exercises that move from easy to challenging. Each chapter has review sections which could be used as tools to the mastery of the subject. An answer key is provided in the back so students can check their own progress. This text could be used as a supplement to any first-year course, and the exercises in this workbook could be assigned as class work or for individual practice outside of class. It could also serve as a review of the material or for users to work at their own pace.

Text9780078039263\$45.00

VIA DELLA GRAMMATICA

MINA RICCI

Via della Grammatica is a book of 40 full-color units, each of which addresses one or more grammatical topics, followed by stimulating and fun activities. Structures are presented through clear and concise cards which relate mainly to common usage and practice of grammatical rules. The vocabulary is introduced gradually and reflects the current use of Italian. Often, new semantic groups are presented together with their visual image.

Authentic texts on various cultural, literary and everyday life offer students the opportunity to enrich and deepen their wealth of knowledge on society, history and Italian civilization. The book, provided key, useful in a path of self-learning will soon be available also for English-speaking students.

Via della Grammatica largely covers the elementary and intermediate levels. Among the grammatical phenomena treated is names, articles, adjectives, pronouns (personal, demonstrative, possessive, direct, indirect, related, combined, undefined, questions), and also, prepositions, present, reflexive, impersonal, present perfect, imperfect, future, past tense, past perfect, conditional, imperative, subjunctive, correlation, infinite, gerund, participle, conditionals, passive, direct-indirect discourse.

GRAMMATICA PRATICA DELLA LINGUA ITALIANA ESERCIZI-TEST-GIOCHI

SUSANNA NOCCHI

This text provides the opportunity to practice Italian grammar systematically and efficiently. All of the principal Italian language rules are explained through the use of work sheets with clear essential grammar. In addition, exercises, quizzes and games are provided which, apart from “training” students in the use of the Italian language, give them the opportunity to obtain information on Italian life, society, culture, and history. A continuous progress test helps students to verify their level of knowledge of the language. The solutions to the exercises are provided.

I VERBI ITALIANI

GRAMMATICA ESERCIZI E GIOCHI

SONIA BAILINI AND SILVIA CONSONNO

This complete and effective workbook is entirely dedicated to the study of Italian verbs. With concise tables and varied and stimulating exercises, the student is guided towards the discovery of the tenses and verbal modes of the Italian language. From the regular and irregular forms of the present indicative tense to the use of the simple past and imperfect/perfect, from “tricks” for the correct choice of the auxiliary verbs to the “secrets” of the subjunctive, from verbal and modal agreement to the particularities of phrasal verbs, the text deals with many arguments that are most problematical for students learning Italian. It provides strategies for learning and useful advice.

The text is aimed at beginning to advanced level students and organized in units of progressive difficulty. The exercises, in addition to “training” the student in verb use, offer a wide range of information about Italy. Games, quizzes and tests enrich the text, helping to construct a varied and original teaching program. An appendix with reference tables and keys to the exercises complete the text.

Text9788886440875 \$28.90

GRAMMATICA AVANZATA DELLA LINGUA ITALIANA CON ESERCIZI

SUSANNA NOCCHI AND ROBERTO TARTAGLIONE

This book is for those students who know Italian rather well and want to improve their language skills. It introduces forms, syntax, and intermediate and advanced style clues for both written and spoken language that are widely used, but seldom treated, in Italian texts for foreigners: when and how to use articles; the position of adjectives; the use of particular words (anzi, magari, mica, macché...); noun alteration; tenses and modes agreement for the past, the present and the future; atypical constructions (“far / fare”), etc.

All this with clear and complete charts, stimulating exercises rich with information about Italian life, society, and culture and small boxes with “hints and tricks” to speak well. Answer keys are included.

UNA GRAMMATICA ITALIANA PER TUTTI REGOLE D'USO, ESERCIZI E CHIAVI PER STUDENTI STRANIERI

ALESSANDRA LATINO AND MARIDA MUSCOLINO

Una grammatica italiana per tutti is a series specially designed for teenage and adult students of Italian. The first volume covers the beginning level, while the second is for the intermediate level.

The first volume includes the following Italian grammar elements: nouns, articles, present indicative, past tense, imperfect, future, imperative, conditional, adjectives, prepositions, direct pronouns, “ci” and “ne,” indirect pronouns, impersonal “si.” The second volume includes: indefinites, comparatives, question forms, relative and combined pronouns, imperative, subjunctive, passive “si,” reported speech, subordinations.

Volume 19789607706706 \$25.20
Volume 29789607706966 \$25.20

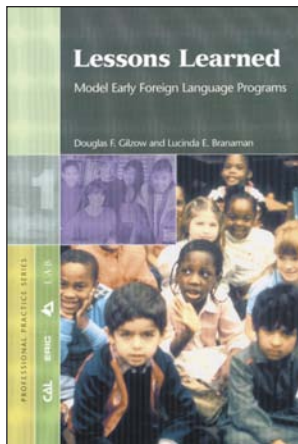

L'ITALIANO È SERVITO!
L'ITALIANO PER STRANIERI ATTRAVERSO LA CUCINA
 MARIA VOLTOLINA

Everywhere in the world, cooking is one of the cultural elements associated with the idea of Italy; not so much pasta, wine etc. as the “culture of food” which characterizes our traditions. Cooking is one of the strongest elements of “made in Italy” in terms of exports of goods and the presence of Italian in the world. It also provides a good opportunity for grasping one of the essential features of culture, the bond between each territory and its expressions of culture and Italian identity. The book links these aspects: each of the various themes (bread, wine, first courses, etc.) is provided with cultural notes, information on the particular culinary vocabulary and recipes, all with special attention to linguistic expressions, use of verbs, and so on.

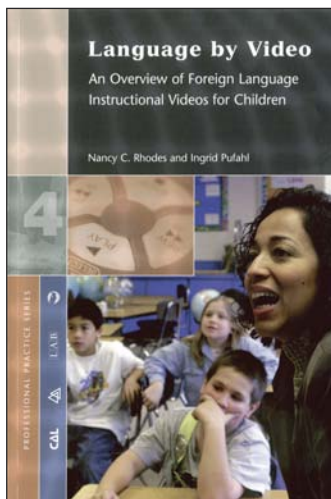

Text9788855700061 \$28.00

LESSONS LEARNED
MODEL EARLY FOREIGN LANGUAGE PROGRAMS
 DOUGLAS F. GILZOW AND LUCINDA E. BRANAMAN

This book describes seven successful foreign language programs that start in pre-school or the elementary grades and continue through high school. They include both FLES and immersion programs. Written in clear, non-technical language, this book can be used by parents, teachers, administrators, and community members who are interested in developing an early foreign language program or who are looking for ideas on how to maintain, enhance, or expand an existing program.

Text9781887744638 \$20.95

LANGUAGE BY VIDEO
AN OVERVIEW OF FOREIGN LANGUAGE INSTRUCTIONAL
VIDEOS FOR CHILDREN
 NANCY RHODES AND INGRID PUFAHL

Language by Video describes how foreign language instructional videos can be used as a supplement or alternative to traditional foreign language instruction with elementary school students. While interest in teaching foreign languages has increased throughout the country, many schools find they lack the resources to hire certified foreign language teachers. One alternative is to use the power of technology, including video-based instruction, to bring foreign languages into the classroom.

Language by Video presents the results of a new study on the benefits and challenges of using video-based instruction to teach languages to children. The study reviews the five video programs most commonly used in elementary schools: Elementary Spanish, Espanol para ti, Saludos, Muzzy, and Salsa. Each program is described in relation to its goals, its success at meeting those goals, and its ability to provide the type of instruction needed for students to meet national foreign language standards.

DIZIONARIO PER IMMAGINI

MARCO MEZZADRI

This **Dizionario per immagini** is for students of Italian who want to increase their vocabulary. The workbook features vocabulary learning and practice exercises. It is structured in units like the dictionary; the key to exercises makes it ideal for self-study as well as teacher-class work.

The third component is the CD-ROM. Using the same graphic layout as the book dictionary, it offers the student all the advantages of multimedia learning. Enjoyable language activities encourage the student to learn while playing and exploring the different routes through the CD. As in the book, the vocabulary is illustrated in pictures, but on the CD-ROM students can listen and recognize the words, too. The same activities can be re-used for different sets of vocabulary to keep learner motivation high. Suitable for different ages and levels, from children to adults, and for class work and self-study.

PRICING

The publishers for whom we distribute have price changes throughout the year. Although current at the time of catalog publication, all prices are subject to change without notice. Since we are unable to control these changes, please call or fax for price verification. Prices in our catalog are stated in U.S. dollars.

TERMS

Invoices are 30 days net from date of invoice and **MUST** be paid in U.S. dollars.

U.S. ORDERS

Ordering

To establish a school or organization account, please mail, email, or FAX your purchase order to us. Subsequent orders may be phoned in using a purchase order number.

All individual orders must be prepaid by check, money order, MasterCard or Visa (include account number, expiration date, and security code).

We offer the convenience of placing orders 24 hours a day, 7 days a week via our **TOLL-FREE FAX: (800) 909-9901**; our **WORLD WIDE WEB ADDRESS: www.deltapublishing.com**; or **e-mail: custsvc@deltapublishing.com**. If you prefer to use our **TOLL-FREE PHONE: (800) 323-8270** during our normal business hours, please be prepared to give your account number (if known); title of product, quantity, and catalog order number; and purchase order number or MasterCard/Visa information, if applicable.

If you wish to order a non-stock item which is not in our catalog, we will attempt to serve you; however, delivery time may be increased and the item will be non-returnable.

Shipping and Handling

The usual method of shipping is United Parcel Service F.O.B. Delta warehouse in McHenry, Illinois. The standard shipping charge is 12% of the total order with a minimum charge of \$5.00.

Orders shipped to Alaska or Hawaii can be shipped Priority Mail or Second Day Air and an exact freight charge (with a minimum of \$5.00) will be added to the invoice.

Sales Tax

Applicable sales tax will be added at order processing. Illinois residents must add 7%. If tax exempt, please provide a tax exemption number.

INTERNATIONAL ORDERS

Ordering

International Orders must be prepaid by check, money order or wire transfer to our bank. Orders may be placed by **FAX: (815) 363-2948**, **WORLD WIDE WEB** or **e-mail** 7 days a week, 24 hours a day, or by **PHONE** at **(815) 363-3582** during normal business hours.

Shipping and Handling

Shipping is via "air" only, and the carrier is determined by the size of the order. We endeavor to use the most reliable, least costly, air service and exact freight is charged. Please contact us by fax, phone or the internet for a quotation.

RETURN POLICY

Bookstores may return materials within 90 days of original invoice date (unless it is a **Delta Publishing** title, which will be accepted within 180 days); all other customers may return within 180 days of original invoice date. (*Please note that computer software, special orders for non-stock items and special print runs are not returnable. Defective software may be exchanged for same product only.*) Please enclose a copy of the original invoice or packing slip with the return for proper credit to your account. Shipping charges are at the expense of the customer. Please pack books carefully as they must be received in perfect condition to receive credit. We recommend that materials be sent via United Parcel Service or Certified Mail since it may become necessary for you to trace the return and provide a proof of delivery signature.

EXAMINATION MATERIAL

Delta Publishing welcomes the opportunity to provide 30-day examination orders within the continental U.S. only. Personal exam orders must be billed to the individual and are his/her sole responsibility. School or organization exams must be in writing on letterhead or purchase order and signed by an authorized representative. **Delta Publishing** reserves the right to limit the quantity of items forwarded on a 30-day examination order to 1 each of up to eight items. **Please note that certain items are not available for preview.**

All examination materials will be shipped with an invoice. They are sent for a 30-day period only and must be purchased or returned at the end of that period and any return shipping charges are the responsibility of the customer. If you wish to return the materials, please enclose a copy of the invoice or packing slip and your account will be credited upon receipt. Please pack books carefully as they must be received in perfect condition to receive credit. Complete returns will result in cancellation of the invoice. For partial returns, you are responsible for payment of item(s) kept and the full freight charge shown on the original invoice.

SHORTAGES

In case of materials damaged in transit, please notify us immediately upon receipt of goods. If the packaging is damaged, simply refuse the shipment and call our office.

In case of shortages or shipping errors, please notify **Delta Publishing** within 30 days of receipt or such claims are invalid and the order will be considered complete.

GIFT CERTIFICATES

Gift Certificates in denominations of \$10.00, \$20.00, and \$100.00 are available for purchase. They are an excellent gift item for fellow teachers/classmates or an incentive/graduation gift for students.
